The above-captioned debtors and debtors-in-possession (collectively, the “Debtors”) state as follows in support of this motion (the “Motion”):

PRELIMINARY STATEMENT

1. The proposed DIP Facility is the result of a robust, pre-petition marketing process, is the best financing option available to the Debtors, and is critical to ensuring that the Debtors will have the liquidity necessary to continue their operations and have the opportunity to use the Chapter 11 process to successfully reorganize.

2. The proposed DIP Facility will provide \$950 million of committed new money postpetition financing, including \$350 million upon entry of the Interim Order. Such financing will ensure the Debtors’ ongoing ability to pay their employees, who are critical to the business, aircraft counterparties, and other key vendors and counterparties and, thereby, maintain their ability to continue flights and expeditiously exit the protection of the Court when circumstances permit.

3. The Debtors conducted a robust, competitive marketing process and ultimately selected the DIP Facility offered by members of an *ad hoc* group (the “Abra Ad Hoc Group”) of Abra Noteholders (defined below) and additional Abra Noteholders (collectively, the “Backstop Noteholders”). During this process, the Debtors solicited financing proposals from over twenty potential sources of capital, obtained financing proposals from multiple parties, and ultimately concluded that the DIP Facility presents the most favorable pricing and terms, has the greatest

certainty of execution, and provides the best opportunity for the Debtors to successfully reorganize. As further described in the Luth Declaration (defined below), the DIP Facility is the culmination of: (a) arm's-length, good-faith negotiations between the Debtors and the Backstop Noteholders and (b) the Debtors' reasonable and informed determination that the Backstop Noteholders offered the most favorable terms on which to obtain vital postpetition financing.

4. Because the Debtors were unable to obtain DIP financing on an unsecured basis, the Debtors were required to obtain financing secured by liens on substantially all of their assets, including "priming" liens on certain collateral, including the intellectual property of GOL Linhas Aereas Inteligentes S.A. and GOL Linhas Aereas S.A. and the Smiles loyalty program business. Importantly, the priming aspect of the DIP Facility is fully consensual and the Debtors need not engage in an expensive, uncertain, and time consuming priming dispute to incur the DIP Facility.

5. The Debtors firmly believe that the DIP Facility will maximize value for their stakeholders and is an exercise of the Debtors' sound business judgment. Accordingly, the Debtors respectfully request that the Court approve the entry of the DIP Orders.

RELIEF REQUESTED

6. The Debtors seek entry of an interim order (the Interim Order)² and a final order (the Final Order) and together with the Interim Order, the "DIP Orders") (i) authorizing the debtors to obtain superpriority, debtor-in-possession ("DIP") financing in the aggregate amount of up to \$950 million (the "DIP Facility") pursuant to the Commitment Letter, dated January 25, 2024, attached hereto as **Exhibit A** (the "Commitment Letter", including all annexes and exhibits thereto (including the term sheet attached as Annex C thereto (the "Term Sheet")); (ii) granting

liens and providing superpriority administrative expense status to the DIP Facility; (iii) granting adequate protection to prepetition secured parties; (iv) modifying the automatic stay; (v) authorizing the Debtors to use cash collateral; (vi) scheduling a hearing to consider approval of the Motion on a final basis (the “Final Hearing”); and (vii) granting related relief. The Debtors request that this Court schedule the Final Hearing within approximately twenty-five days from the Petition Date. In support of this Motion, the Debtors rely on the *Declaration of John E. Luth in Support of Debtors’ Motion for Entry of Interim and Final Orders (A) Authorizing the Debtors to Obtain Postpetition Financing, (B) Granting Liens and Providing Claims with Superpriority Administrative Expense Status, (C) Granting Adequate Protection to the Prepetition Secured Parties, (D) Modifying the Automatic Stay, (E) Authorizing the Debtors to use Cash Collateral, (F) Scheduling a Final Hearing and (G) Granting Related Relief* (the “Luth Declaration”), submitted substantially contemporaneously herewith, and the First Day Declaration (defined below):³

STATUS OF THE CASE

11. On January 25, 2024 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code with this Court.

12. Each Debtor is continuing to operate its business and manage its properties as a debtor-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

13. No creditors’ committee has yet been appointed in these cases (the “Chapter 11 Cases”). No trustee or examiner has been appointed.

14. The Debtors have filed a motion requesting joint administration of the Chapter 11 Cases pursuant to Bankruptcy Rule 1015(b).

BACKGROUND

15. The Debtors (collectively, “GOL” or the “Company”) are the leading low-cost airline in South America and one of Brazil’s largest domestic carriers. Having pioneered the low-cost carrier model in South America upon its founding in 2000, GOL has grown to include over 14,000 employees, a fleet of 141 aircraft, and an extensive flight network focused on routes within Brazil and South America more broadly. GOL’s flight network also includes destinations in the United States and the Caribbean.

16. Despite a viable operating business, the Company has faced financial challenges brought on by the lingering effects of the COVID-19 pandemic, during which GOL, like all airlines globally, suffered unprecedented disruption to its business. The substantial decline in air travel

demand, resulting operational impediments, and dramatic reduction in revenue and cash generation during the pandemic years led to a significant deterioration of the Company's balance sheet and liquidity.

17. The Debtors have executed certain transactions and undertaken a number of other efforts to address these financial headwinds, many of which have provided temporary relief and much-needed liquidity at key points in time. Several post-pandemic factors, however, have nonetheless continued to cause liquidity shortages for GOL, including elevated fuel prices, the consistently low valuation of the Brazilian real (BRL) against the U.S. dollar and, more recently, delays in the delivery of new aircraft. The delays in new aircraft deliveries in particular have led to a significant increase in GOL's operating costs and maintenance expenditures which, in turn, have reduced operating capacity. These temporary operational limitations have significantly hampered the Company's ability to generate cash, thereby leading to further operational challenges.

18. As a result, GOL commenced these Chapter 11 Cases to deleverage its balance sheet, improve liquidity, obtain an organized and efficient forum in which to reach agreements with key stakeholders, and emerge as a stronger enterprise.

19. Further information regarding GOL's business, capital structure, the circumstances leading to the commencement of these Chapter 11 Cases, and the facts and circumstances supporting the relief requested in this Motion is set forth in the *Declaration of Joseph W. Bliley in Support of the Debtors' Chapter 11 Petitions and First Day Pleadings* (the "First Day Declaration") [Docket No. 11].

PREPETITION SECURED INDEBTEDNESS

20. As more fully set forth in the First Day Declaration, as of December 31, 2023, on a consolidated basis, the Debtors' balance sheet reflected assets and liabilities of approximately \$3.5

billion and \$8.3 billion, respectively. The Debtors' liabilities include approximately \$4.2 billion of outstanding funded indebtedness, of which approximately \$2.1 billion (or 50%) was secured by certain assets of the Debtors. The Debtors' secured financings encumber a substantial portion of their assets. An overview of certain of the Debtors' prepetition secured indebtedness related to the priming aspect of the DIP Facility follows:

A. Prepetition 8.00% Senior Secured Notes Due 2026

21. On December 23, 2020, pursuant to the 2026 SSN Indenture,⁴ GOL Finance issued \$200 million in aggregate principal amount of senior secured notes (the "2026 SSNs"), which bear interest of 8% per annum. On May 6, 2021 and on September 23, 2021, the Debtors issued \$300 million and \$150 million in aggregate principal amount of additional 2026 SSNs, respectively. The 2026 SSNs are secured by a fiduciary assignment⁵ of certain trademarks and intellectual property of GOL and (not including the Smiles loyalty program IP and other Smiles Collateral) and certain spare parts (collectively, the "2026 SSNs Collateral") and will mature on June 30, 2026. As of the Petition Date, the aggregate principal amount of the 2026 SSNs outstanding is approximately \$251,170,000.

⁴ "2026 SSN Indenture" means that certain Indenture, dated as of December 23, 2020 and as supplemented on March 2, 2023, by and among (a) GOL Finance, (b) the guarantors party thereto, (c) The Bank of New York Mellon, as trustee, registrar, transfer agent and paying agent (in such capacities, the "2026 SSN Trustee"), and TMF Brasil Administração e Gestão de Ativos Ltda., as collateral agent (the "2026 SSN Collateral Agent", together with the 2026 SSN Trustee, the "2026 SSN Agents"), attached hereto as **Exhibit B**, as supplemented by the First Supplemental Indenture attached hereto as **Exhibit C**.

⁵ A fiduciary assignment is a type of secured interest in collateral under Brazilian law.

B. Prepetition 18.00% Senior Secured Notes Due 2028 and Prepetition 18.00% Exchangeable Senior Secured Notes Due 2028

22. On March 2, 2023, in connection with the Abra Transaction,⁶ GOL Finance issued to Abra Global Finance (“AGF”) an aggregate principal amount of \$896,664,000 of senior secured notes maturing in 2028 (the “2028 SSNs”). The 2028 SSNs accrue interest at the rate of 18.00% per annum, comprising 4.50% cash interest and 13.50% PIK interest. From March 2023 to September 2023, the principal amount of the 2028 SSNs increased to a total of \$1,292,879,000 through cash disbursements from Abra to the Debtors⁷ and the capitalization of accrued PIK interest.

23. The 2028 SSNs are secured by a fiduciary assignment⁸ of (i) certain intellectual property and other assets related to the Smiles loyalty program, intercompany claims, loans and obligations, and all shares of Smiles Fidelidade S.A. (collectively, the “Smiles Collateral”), and (ii) on a *pari passu* basis, the 2026 SSNs Collateral (the “Pari Passu Collateral” and, together with the Smiles Collateral, the “Shared Collateral”). Pursuant to a pledge agreement, GOL Finance, GOL Equity, Parent, GOL Linhas Aéreas S.A., and Smiles Fidelidade S.A. (the “Abra Notes Pledgors”) pledged to the Abra Notes Collateral Agent a security interest in all of the Abra Notes Pledgors’ right, title, and interest in the Shared Collateral.

24. In September 2023, as contemplated by the Abra Transaction, \$1,180,442,000 in principal amount of the 2028 SSNs were exchanged for the same principal amount of senior

⁶ “Abra Transaction” means the transaction in March 2023, whereby Abra Group Limited (“Abra”) closed a private placement with investors in Abra and concurrently closed Abra’s private investment in GOL Linhas Aéreas Inteligentes S.A. (“Parent”), as further described in the First Day Declaration.

⁷ The 2028 SSNs provide that certain intercompany transfers from Abra to GOL may take the form of additional 2028 SSNs issued, thereby increasing the balance.

⁸ A fiduciary assignment is a type of secured interest in collateral under Brazilian law.

secured exchangeable notes due 2028 issued by GOL Equity (the “2028 ESSNs”). The 2028 ESSNs carry substantially identical interest and security terms as the 2028 SSNs. The 2028 ESSNs, however, are also exchangeable into preferred shares of Parent, subject to certain conditions. AGF holds all outstanding 2028 SSNs and 2028 ESSNs. As of the Petition Date, the aggregate principal amount of 2028 SSNs and 2028 ESSNs outstanding is \$270,093,000 and \$1,207,445,000, respectively.

25. Through the Abra Transaction, AGF issued the Abra Notes⁹ to international bond investors (principally to members of the Abra Ad Hoc Group). In exchange for these Abra Notes, the Abra Noteholders provided cash and tendered, at a substantial discount, their holdings of GOL bonds. Abra, then, in exchange for GOL privately placing the 2028 SSNs with Abra, enabled GOL to retire nearly \$1.1 billion in near-term obligations through Abra’s purchase at an average price of 71% of face value of GOL debt and provided the Debtors over \$400 million in much-needed liquidity with which to address pressing obligations. Under the DIP Facility, after the Final Funding (defined below) has occurred, Abra will be repaid, as a component of its adequate protection package, \$15,000,000 for a bridge loan it provided to the Debtors shortly before the Petition Date.

⁹ “Abra Notes” means the notes issued pursuant to the Indentures, each dated as of March 2, 2023, among (a) AGF, as issuer, (b) Abra, as guarantor, (c) the Bank of New York Mellon, as trustee, registrar, paying agent and transfer agent (in such capacities, the “Abra Notes Trustee”), and (d) TMF Brasil Administração e Gestão De Ativos Ltda., as collateral agent (the “Abra Notes Collateral Agent”, together with the Abra Notes Trustee, the “Abra Notes Agents”).

C. Intercreditor Agreement and Consent to Priming

26. In accordance with the Intercreditor Agreement,¹⁰ “the Collateral Agent shall act solely at the direction of the Trustees, on behalf of the Controlling Secured Parties.”¹¹ The Intercreditor Agreement’s definition of “Controlling Secured Parties” states in relevant part that, at any time, “Secured Parties that at such time collectively hold (or represent) more than fifty percent (50%) of the aggregate principal amount of the then Outstanding Pari Passu Obligations secured by the Collateral, voting as a single class[,]” constitute the “Controlling Secured Parties” and may instruct the Collateral Agent.¹² “Pari Passu Obligations” means the 2026 SSNs and any notes having *pari passu* priority with respect to the Pari Passu Collateral with the 2026 SSNs, which currently are the 2028 SSNs and 2028 ESSNs.¹³

27. Accordingly, the Intercreditor Agreement provides that, with respect to the Pari Passu Collateral, the 2026 SSN Collateral Agent shall act at the direction of holders of more than 50% of the obligations, in aggregate, under the 2026 SSNs, the 2028 SSNs, and the 2028 ESSNs. Pursuant to these provisions, the Controlling Secured Party has consented to the priming contemplated herein, and the Debtors have also received the requisite consent to priming under the 2028 SSN Note Purchase Agreement¹⁴ and 2028 ESSN Note Purchase Agreement.¹⁵

¹⁰ “Intercreditor Agreement” means that certain Intercreditor Agreement, dated as of March 2, 2023, and as amended and restated as of September 29, 2023, by and among GOL Finance, GOL Equity Finance, Parent, Tmf Brasil Administração E Gestão De Ativos Ltda., and The Bank of New York Mellon, attached hereto as **Exhibit D**.

¹¹ See Intercreditor Agreement § 3.02(c). “Trustees” is defined as the trustee for the 2026 SSNs and the trustee for the 2028 SSNs and 2028 ESSNs. *Id.* § 1.01.

¹² See Intercreditor Agreement § 1.01.

¹³ See 2026 SSN Indenture § 1.01 (Additional Pari Passu Obligations).

¹⁴ “2028 SSN Note Purchase Agreement” means that certain Senior Secured Note Purchase Agreement, dated as of March 2, 2023, among (a) GOL Finance, as issuer, (b) the guarantors party thereto, (c) Abra and AGF, as purchasers, and (d) TMF Brasil Administração e Gestão De Ativos Ltda., as collateral agent (in such capacity, the “2028 SSN/ESSN Collateral Agent”), attached hereto as **Exhibit E**.

¹⁵ “2028 ESSN Note Purchase Agreement” means that certain Senior Secured Exchangeable Note Purchase Agreement, dated as of September 29, 2023, among (a) GOL Equity, as issuer, (b) the guarantors party thereto

**CONCISE STATEMENTS REGARDING DIP FACILITY
PURSUANT TO BANKRUPTCY RULE 4001(B) AND LOCAL RULE 4001-2¹⁶**

28. The DIP Facility has been properly evaluated, marketed, and vetted by the Debtors' independent and disinterested members of the board of directors of Parent (the "Board"). Given the possibility that Abra would participate in the DIP financing and that the Board included designees of Abra, the Board, on advice of counsel, implemented measures to make certain that the Abra designees did not receive information, or participate in deliberations, regarding issues that might advantage Abra in any negotiations with the Debtors. Instead, the independent directors of the Board negotiated with Abra on behalf of the Debtors, and the Abra designees on the Board were excluded from any discussions during the DIP process that the independent directors determined, with advice of counsel, might provide Abra with an advantage in negotiations with the Debtors.

29. The following chart contains a summary of the material terms of the proposed DIP Facility, together with references to the applicable sections of the relevant source documents, as required by Bankruptcy Rule 4001(b)(1)(B) and 4001(c)(1)(B) and Local Rule 4001-2.

SUMMARY OF MATERIAL TERMS OF DIP FACILITY		
Governing Law Bankruptcy Rule 4001(c)(1)(B)	New York.	Term Sheet; “Governing Law” (p. 18)

DEBTORS’ EFFORTS TO OBTAIN POSTPETITION FINANCING

30. In November 2023, the Debtors retained Seabury Securities LLC (together with their subsidiaries and affiliates, collectively “Seabury”) to act as their investment banker, financial advisor and lead restructuring advisor in connection with a potential restructuring to be completed either out-of-court, through a chapter 11 proceeding, or through another relevant judicial proceeding. The Seabury team worked closely with the Debtors’ management and other professionals with respect to these issues and came to understand the Debtors’ capital structure, liquidity needs, and business operations. Through this process, it became clear that the Debtors would need to raise significant capital. The Debtors and Seabury immediately began to explore potential financing partners for either an out-of-court or in-court process.

31. Initially, the Debtors hoped to achieve an out-of-court solution to their deteriorating liquidity position, and solicited capital for an out-of-court capital raise in the amount of \$600 million, which was later upsized to \$850 million due to near-term headwinds related to the Company’s liquidity outlook and a reduced number of operating aircraft. In January 2024, due to rapidly deteriorating liquidity and in response to lessor feedback received in the course of the Debtors’ outreach efforts, it became clear that the Debtors likely would require a chapter 11 process to reorganize, accompanied by DIP financing, as soon as possible to provide the Debtors a much-needed liquidity infusion. However, it quickly became apparent that the lack of readily

available unencumbered collateral made reliance on private market DIP financing especially challenging.

32. While the Debtors received proposals and detailed indications of interest from certain parties, potential new lenders were unwilling to provide DIP financing on an unsecured basis or secured junior to the prepetition noteholders' liens. The predominant feedback from these prospective new lenders was that the Debtors did not have sufficient unencumbered collateral with which to secure a DIP facility that would be adequate to meet the Debtors' liquidity needs. Due to the nature and limited amount of the available collateral, including the complexity of financing transactions related to the fleet of aircraft, the universe of potential transaction partners was extremely limited. It accordingly became clear to the Debtors that any DIP financing would require a priming position on important collateral of the Debtors, including the Shared Collateral.

33. In early January 2024, Seabury and GOL completed their 2024 DIP budget and determined that an upsizing of the DIP financing to \$950 million was necessary. Following this adjustment, on January 10, 2024, the Debtors' advisors met with the Abra Ad Hoc Group to discuss a potential proposal. Between January 7 and January 13, 2024, the Debtors' advisors also met with other interested parties to address additional diligence requests and negotiate certain aspects of their respective term sheets. Shortly after, on January 17, 2024, the Backstop Noteholders provided an initial letter of intent for a DIP proposal. On or around January 18, 2024, Seabury followed up with the remaining interested parties to address the DIP commitment size increase (\$950 million), a desired maturity with the possibility of extensions, and adjustments surrounding interest rates, fees, and financial covenants. Ultimately, the Debtors received three letters of intent from parties to provide DIP financing, two of which delivered commitments to provide the \$950 million capital infusion that the Debtors required in DIP financing. While generating multiple

proposals enabled the Debtors to negotiate with the interested parties for improved terms, none of these parties expressed a willingness to provide DIP financing secured by liens junior to the liens of the Debtors' prepetition secured creditors.

34. While negotiations with these parties were ongoing, the Debtors began to receive pressure from certain lessors. Certain claimed defaults by these lessors had the potential to jeopardize the Debtors' fleet and affect operations. Accordingly, the Debtors accelerated their negotiations with their prospective DIP lenders in an effort to secure fully committed DIP financing. Those efforts were successful, resulting in the proposal before the Court — a \$350 million immediate draw to fund operations currently, accompanied by a full commitment for the remaining required DIP amount.

**THE PROPOSED DIP FACILITY IS NECESSARY AND
SUFFICIENT TO MEET THE DEBTORS' LIQUIDITY NEEDS**

35. The abrupt and acute downturn in the airline industry at the onset of the COVID 19 pandemic and the resulting liquidity crunch has severely impacted the Debtors' ability to fund operations and stay current on their outstanding debt obligations. As of the date hereof, the Debtors' unrestricted cash on hand is *de minimis*, and the need for liquidity is immediate. The Debtors currently have negative cash flow, attributable to the seasonality of the Debtors' business during the first quarter of each year where ticket sales generally are lower. This seasonality is compounded by the impact of additional revenue-generating aircraft being grounded as a result of capital-intensive maintenance requirements and the need to invest substantial capital into the overhaul of its aircraft engines.

36. Without immediate access to sufficient DIP financing, the Debtors will be unable to continue their operations during these Chapter 11 Cases. The Debtors need the funding under the DIP Facility to cover payroll obligations, pay suppliers, cover overhead costs, fund capital

expenditures, and make other payments that are essential for the continued management, operation, and preservation of the Debtors' business. The ability to make these payments when due is essential to the continued operation of the Debtors' business during these Chapter 11 Cases. The funds that would be made available to the Debtors under the DIP Facility are therefore necessary to preserve the value of the Debtors' estates for the benefit of all stakeholders.

37. If the Debtors cannot quickly access the DIP Facility, based on the Debtors' financial forecasts, the Debtors will not be able to continue to operate their business beyond a very short period of time. This would negatively impact the Debtors' revenue, jeopardize the Debtors' stakeholders' confidence in the Debtors' business, and harm the value of the Debtors' estates to the detriment of all stakeholders and significantly impair the value of the Shared Collateral. Based on the Debtors' financial forecasts, the liquidity provided by the DIP Facility will allow the Debtors to implement their business plan over the course of these Chapter 11 Cases and weather the current challenges facing the aviation industry.

38. Furthermore, to avoid a protracted and expensive priming fight, consent is required to grant a senior lien on the Shared Collateral, which consent the Debtors have obtained.

39. The DIP Facility will provide the Debtors with needed stability and sufficient liquidity to continue to operate their business in the normal course, provide comfort to their employee, customer, and vendor constituencies, and fund the administration of these Chapter 11 Cases. The ability of the Debtors to obtain sufficient working capital and liquidity through the DIP Facility is vital to the preservation and maintenance of the going concern value of the Debtors.

40. The size of the DIP Facility, combined with access to certain cash receipts, is calculated to permit the Debtors to maintain liquidity sufficient to sustain operations during these Chapter 11 Cases. Based on the Debtors' projected operating cash flow, a DIP Facility funding

new money of approximately \$350 million in the interim, accompanied by a full commitment for the remaining required DIP amount, is necessary in order to enable the Debtors to continue operating their business. The \$350 million interim draw is sized to addresses the Debtors' predicted liquidity needs for the interim period, and access to this liquidity will enable the Debtors to continue operations during such period.

THE TERMS OF THE PROPOSED DIP FACILITY ARE FAIR AND REASONABLE

41. As set forth in the DIP Motion, the DIP Noteholders have agreed to provide \$950 million of new money postpetition financing, including \$350 million upon entry of the Interim Order, another \$150 million upon entry of the Final Order, and an additional \$450 million to be disbursed, subject to certain conditions. In the absence of an Event of Default or other defined event, the DIP Facility will mature in twelve months with the ability to extend the Maturity Date twice for an additional 6 months in total. Interest under the DIP Facility will accrue at the rate equal to 30-day SOFR (subject to a 3.50% per annum SOFR floor), plus 10.5% per annum so long as no Event of Default has occurred. All interest shall be payable monthly in arrears in cash and/or in kind at the Debtors' option. Additionally, as set forth in the DIP Motion, the Debtors have agreed, subject to the Court's approval, to pay certain fees in exchange for certain parties providing, agenting, and arranging the DIP Facility. Among others, these fees include a Commitment Fee of 2.0% of the aggregate principal amount of the DIP Facility due and payable on the Closing Date, an Exit Fee of 2.0% of the aggregate principal amount of the DIP Facility due and payable on the Termination Date, and a Backstop Fee of 3.0% of the aggregate principal amount of the DIP Facility due and payable on the Closing Date.

42. The Debtors are not aware of any financing being available on equal or better terms to the DIP Facility, taken as a whole, particularly due to the fact that the 2026 SSNs, 2028 ESSNs, and the 2028 SSNs are currently secured by prepetition fiduciary assignments of all or portions of

the Shared Collateral and the necessary parties have contented to the DIP Facility (including priming). Accordingly, the proposed DIP Facility could avoid untested litigation risks associated with priming fiduciary liens assigned in accordance with Brazilian law on the Shared Collateral. As a result, the DIP Facility, unlike any alternate proposals, is likely more insulated from potential litigation.

43. The Debtors selected the DIP Facility proposed by the DIP Noteholders as the best bid for postpetition financing secured by the available collateral based on multiple factors, including the immediate need to fund operations; the size and certainty of the committed amount; the DIP financing's limited execution risk, including its resolution of any disputes arising from the need to prime the Brazilian fiduciary assignments on the Shared Collateral; the applicable interest rate; the reasonableness of conditions precedent and applicable financial covenants; and the other contractual commitments to which the DIP Noteholders have agreed.

44. The DIP Facility is the best financing option presently available to the Debtors under the circumstances. As set forth in the Luth Declaration, the contemplated pricing, fees, and interest rate are in the aggregate generally consistent with the cost of DIP financings in comparable circumstances, particularly for a distressed borrower with a stated and immediate need for liquidity. The DIP Facility is fair and reasonable under the circumstances and is within the market for comparable DIP financings, especially considering the reduced execution risk.

BASIS FOR RELIEF

A. The Debtors Should Be Authorized to Enter into the DIP Facility, Grant Requested Liens, and Incur Superpriority Claims

45. The Debtors satisfy the requirements under section 364 of the Bankruptcy Code, to incur the superpriority administrative expenses and liens contemplated by the DIP Facility.

1. Superpriority Claims and Non-Priming Liens Are Justified Under Section 364(c) of the Bankruptcy Code

46. Section 364(c) of the Bankruptcy Code provides, in relevant part, that if the debtor is “unable to obtain unsecured credit allowable under section 503(b)(1) of this title as an administrative expense, the court, after notice and a hearing, may authorize the obtaining of credit or the incurring of debt:

1. with priority over any or all administrative expenses of the kind specified in section 503(b) or 507(b) of this title;
2. secured by a lien on property of the estate that is not otherwise subject to a lien; or
3. secured by a junior lien on property of the estate that is subject to a lien[.]

11 U.S.C. § 364(c).

47. To satisfy the requirements of section 364(c) of the Bankruptcy Code, a debtor need only demonstrate “by a good faith effort that credit was not available” to the debtor on an unsecured or administrative expense basis. *Bray v. Shenandoah Fed. Savs. & Loan Ass’n (In re Snowshoe Co.)*, 789 F.2d 1085, 1088 (4th Cir. 1986) (“The statute imposes no duty to seek credit from every possible lender before concluding that such credit is unavailable.”); *see also In re Ames Dep’t Stores, Inc.*, 115 B.R. 34, 37 (Bankr. S.D.N.Y. 1990) (debtor must show that it made reasonable efforts to seek other, less onerous sources of financing); *In re 495 Central Park Avenue Corp.*, 136 B.R. 626, 631-32 (Bankr. S.D.N.Y. 1992) (section 364(d)(1) does not require the debtor to seek alternate financing from every possible lender); *Pearl-Phil GMT (Far East) Ltd. v. Caldor Corp.*, 266 B.R. 575, 584 (Bankr. S.D.N.Y. 2001) (superpriority administrative expenses authorized where debtor could not obtain credit as an ordinary administrative expense).

48. When few lenders are likely to be able and willing to extend the necessary credit to a debtor, “it would be unrealistic and unnecessary to require [the debtor] to conduct such an

exhaustive search for financing.” *In re Sky Valley, Inc.*, 100 B.R. 107, 113 (Bankr. N.D. Ga. 1988), *aff’d sub nom., Anchor Savs. Bank FSB v. Sky Valley, Inc.*, 99 B.R. 117, 120 n. 4 (N.D. Ga. 1989); *see also In re Snowshoe Co.*, 789 F.2d at 1088 (demonstrating that credit was unavailable absent the senior lien by establishment of unsuccessful contact with other financial institutions in the geographic area); *In re Stanley Hotel, Inc.*, 15 B.R. 660, 663 (D. Colo. 1981) (bankruptcy court’s finding that two national banks refused to grant unsecured loans was sufficient to support conclusion that section 364 requirement was met); *In re Ames Dep’t Stores*, 115 B.R. at 40 (approving financing facility and holding that debtor made reasonable efforts to satisfy standards of section 364(c) where it approached four lending institutions, was rejected by two, and selected most favorable of two offers it received).

49. Courts have articulated a three-part test to determine whether a debtor is entitled to financing under section 364(c) of the Bankruptcy Code, looking specifically to whether:

- a. the debtor is unable to obtain unsecured credit under section 364(b) of the Bankruptcy Code, i.e., by allowing a lender only an administrative claim;
- b. the credit transaction is necessary to preserve the assets of the estate; and
- c. the terms of the transaction are fair, reasonable, and adequate, given the circumstances of the debtor-borrower and proposed lenders.

See In re Aqua Assocs., 123 B.R. 192, 195-96 (Bankr. E.D. Pa. 1991); *In re Ames Dep’t Stores*, 115 B.R. at 37-40. .

50. The DIP Facility meets each of these factors:

51. *First*, the Debtors are unable to obtain unsecured credit allowable as an ordinary administrative expense.

52. *Second*, the DIP Facility is critical to providing the liquidity necessary for the Debtors to survive and successfully operate, and to prosecute these Chapter 11 Cases to completion. Given the imminent liquidity concerns, the Debtors must secure financing

immediately if they are to continue operating. The proposed DIP Facility allows the Debtors to maintain operational cash requirements, while ensuring the Company's projected cash balance remains robust in downside scenarios.

53. *Third*, the DIP Noteholders and the Debtors, each of whom was represented by reputable counsel and financial advisors, have exchanged numerous drafts of term sheets and other documentation with respect to the proposed DIP Facility and have conducted hours of intense negotiations. Advisors to the DIP Noteholders and advisors to the Debtors were fully engaged in this process, exchanging significant diligence information through a virtual data room, participating in countless conference calls, videoconferences, and negotiations to work toward finalizing DIP financing terms and documentation. This process involved, among other things, extensive evaluation and testing of the Debtors' financial forecasts by the Debtors' and the DIP Noteholders' financial advisors. The negotiations culminated in the proposed DIP Facility.

54. Because the Debtors received multiple proposals for a total DIP commitment size of \$950 million, the Debtors were able to leverage the proposals against each other to obtain overall better DIP financing terms. Indeed, over the course of these negotiations, the Debtors materially improved the terms of the DIP Facility as compared to those originally offered. Notably, Seabury was able to secure: (i) earlier access to the full DIP commitment; (ii) lower borrowing costs; (iii) a lower Backstop Fee (declining from 5.0% to 3.0%); and (iv) a longer overall term for the DIP Facility (including extensions within the control of the Debtors) from nine months to eighteen months.

55. Therefore, the Debtors have satisfied section 364(c) of the Bankruptcy Code and the Court should authorize the Debtors to incur superpriority claims and non-priming liens in favor of the DIP Facility.

2. Priming Liens Are Justified Under Section 364(c) of the Bankruptcy Code

56. Section 364(d)(1) provides that a debtor may obtain credit secured by a senior or equal lien on property of the estate already subject to a lien, after notice and a hearing, where the debtor is “unable to obtain such credit otherwise” and “there is adequate protection of the interest of the holder of the lien on the property of the estate on which such senior or equal lien is proposed to be granted.” 11 U.S.C. § 364(d)(1). Consent by the secured creditors to priming obviates the need to show adequate protection. *See Anchor Savs. Bank FSB v. Sky Valley, Inc.*, 99 B.R. at 122 (“[B]y tacitly consenting to the superpriority lien, those [undersecured] creditors relieved the debtor of having to demonstrate that they were adequately protected.”). Accordingly, the Debtors may incur “priming” liens under the DIP Facility if either (a) the affected lienholders consent to such priming or (b) such creditors’ interests in the collateral are adequately protected.

57. The requisite prepetition secured parties have consented to priming under the DIP Facility. Accordingly, although the Debtors are seeking to provide adequate protection to certain of their prepetition secured noteholders under the DIP Orders, this consent relieves the Debtors from any burden to demonstrate adequate protection in connection with the Debtors’ incurrence of the priming liens contemplated by the DIP Facility.

B. Entry into DIP Facility Is a Sound Exercise of Business Judgment

58. The Court should also authorize the Debtors’ entry into the DIP Facility as a sound exercise of their business judgment.

59. Courts grant debtors considerable deference in acting in accordance with their business judgment in obtaining postpetition secured credit, so long as the agreement to obtain such credit does not run afoul of the provisions of, and policies underlying, the Bankruptcy Code. *See, e.g., In re Republic Airways Holdings Inc.*, No. 16-10429 (SHL), 2016 WL 2616717, at *11 (Bankr. S.D.N.Y. May 4, 2016) (“In determining whether to authorize post-petition financing,

bankruptcy courts will generally defer to the debtor's business judgment."); *In re Farmland Indus., Inc.*, 294 B.R. 855, 881 (Bankr. W.D. Mo. 2003) (approval of postpetition financing requires, *inter alia*, an exercise of "sound and reasonable business judgment"); *In re Trans World Airlines, Inc.*, 163 B.R. 964, 974 (Bankr. D. Del. 1994) (approving a postpetition loan and receivables facility because such facility "reflect[ed] sound and prudent business judgment"); *In re Ames Dep't Stores, Inc.*, 115 B.R. at 40 (Bankr. S.D.N.Y. 1990) ("[C]ases consistently reflect that the court's discretion under section 364 [of the Bankruptcy Code] is to be utilized on grounds that permit [a debtor's] reasonable business judgment to be exercised so long as the financing agreement does not contain terms that leverage the bankruptcy process and powers or its purpose is not so much to benefit the estate as it is to benefit a party-in-interest.").

60. The business judgment rule is highly deferential to the decisions of management and a court will not interfere so long as the decision is rational. *See Quadrant Structured Products Co., Ltd v. Vertin*, 102 A.3d 155, 183 (Del. Ch. 2014); *In re AMR Corp.*, 485 B.R. 279, 288 (Bankr. S.D.N.Y. 2013) (SHL) (the court will not interfere with the debtors' business judgment absent a showing of bad faith, self-interest, or gross-negligence); *see also In re Helm*, 335 B.R. 528, 538-39 (Bankr. S.D.N.Y. 2006) (CGM) (the business judgment rule requires the court to determine whether a reasonable business person would make a similar decision under similar circumstances). Bankruptcy courts generally will not "second-guess" a debtor's business decisions when those decisions involve "a business judgment made in good faith, upon a reasonable basis, and within the scope of [its] authority under the [Bankruptcy] Code." *In re Curlew Valley Assoc.'s*, 14 B.R. 506, 513-514 (Bankr. D. Utah. Oct 8, 1981). To determine whether the business judgment test is met, "the court 'is required to examine whether a reasonable business person would make a similar

decision under similar circumstances.’’ *In re Dura Auto. Sys. Inc.*, No. 06-11202 (KJC), 2007 WL 7728109, at *97 (Bankr. D. Del. Aug. 15, 2007) (citation omitted).

61. In determining whether the Debtors have exercised sound business judgment in entering into the DIP Facility, the Court should consider the economic terms of the DIP Facility under the totality of the circumstances. *See* Hr’g Tr. at 734-35:24, *In re Lyondell Chem. Co.*, No. 09-10023 (REG) (Bankr. S.D.N.Y. Feb. 27, 2009) (recognizing that “the terms that are now available for DIP financing in the current economic environment aren’t as desirable” as otherwise); *In re Elingsen McLean Oil Co., Inc.*, 65 B.R. 358, 365 n.7 (W.D. Mich. 1986) (recognizing debtor may have to enter into “hard” bargains to acquire funds for its reorganization under difficult circumstances). Moreover, the Court may appropriately take into consideration non-economic benefits to the Debtors offered under the proposed DIP facility.

62. In *In re ION Media Networks, Inc.*, for example, the Court held that:

Although all parties, including the Debtors and the Committee, are naturally motivated to obtain financing on the best possible terms, a business decision to obtain credit from a particular lender is almost never based purely on economic terms. Relevant features of the financing must be evaluated, including non-economic elements such as the timing and certainty of closing, the impact on creditor constituencies and the likelihood of a successful reorganization. This is particularly true in a bankruptcy setting where cooperation and established allegiances with creditor groups can be a vital part of building support for a restructuring that ultimately may lead to a confirmable reorganization plan. That which helps foster consensus may be preferable to a notionally better transaction that carries the risk of promoting unwanted conflict.

No. 09-13125 (JMP), 2009 WL 2902568, at *4 (Bankr. S.D.N.Y. July 6, 2009).

63. The Debtors’ decision to enter into the DIP Facility is an exercise of their sound business judgment. As further discussed herein and in the Luth Declaration, the DIP Facility is the best financing option presently available to the Debtors under the circumstances. The financial terms proposed under the DIP Facility are customary and usual for DIP financings of this type.

The DIP Facility was negotiated in good faith and is commercially reasonable, evidencing that the process and the price of the DIP Facility are fair.

64. Even if the Court were to apply the “entire fairness” standard of review instead of the business judgment standard—which the Debtors submit would not be appropriate here—the DIP Facility clearly satisfies that standard, too. “In applying heightened scrutiny, courts are concerned with the integrity and entire fairness of the transaction at issue, typically examining whether the process and price of a proposed transaction not only appear fair but are fair and whether fiduciary duties were properly taken into consideration.” *In re Innkeepers USA Tr.*, 442 B.R. 227, 231 (Bankr. S.D.N.Y. 2010). The Debtors have run an extensive and competitive marketing process and have arrived at a DIP Facility that is an indicator not only of the Debtors’ exhaustive marketing process, but also of the market’s confidence in the economic and noneconomic terms and overall fairness of the DIP Facility. During this process, the negotiations between the Debtors and the DIP Noteholders were at all times conducted at arm’s-length. And from an early stage, the Debtors took every precaution to ensure that Abra designees sitting on the Board did not receive information, or participate in deliberations, regarding issues that might advantage Abra in any negotiations with the Debtors. Instead, the independent directors of the Board negotiated with Abra on behalf of the Debtors, and the Abra designees on the Board were excluded from any discussions during the DIP process that the independent directors determined, with advice of counsel, might provide Abra with an advantage in negotiations with the Debtors.

65. Accordingly, the Court should authorize the Debtors’ entry into the DIP Facility as a reasonable exercise of their business judgment.

C. The DIP Noteholders, the Trustee, and the Collateral Agent Should Be Afforded Good Faith Protection Under Section 364(e) of the Bankruptcy Code

66. Section 364(e) of the Bankruptcy Code protects a good faith lender's right to collect on loans extended to a debtor, and its right in any lien securing those loans, even if the authority of the debtor to obtain such loans or grant such liens is later reversed or modified on appeal. 11 U.S.C. § 364(e). Section 364(e) of the Bankruptcy Code provides as follows:

The reversal or modification on appeal of an authorization under this section [364 of the Bankruptcy Code] to obtain credit or incur debt, or of a grant under this section of a priority or a lien, does not affect the validity of any debt so incurred, or any priority or lien so granted, to an entity that extended such credit in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and the incurring of such debt, or the granting of such priority or lien, were stayed pending appeal.

Id.

67. The DIP Facility is the culmination of (a) extensive arm's-length, good faith negotiations between the Debtors and the DIP Noteholders and (b) the Debtors' reasonable and informed determination that the DIP Noteholders offered the most favorable terms on which to obtain vital postpetition financing. The Debtors submit that the terms and conditions of the DIP Facility are reasonable and appropriate under the circumstances, and the proceeds of the DIP Facility will be used only for purposes that are permissible under the Bankruptcy Code. Further, no consideration is being provided to the DIP Noteholders, the Trustee, the Collateral Agent, or any other party to the DIP Facility other than as described herein. Accordingly, the Court should find that the obligations and other financial accommodations made to the Debtors under the DIP Facility have been extended by the Trustee, the Collateral Agent, and the DIP Noteholders in "good faith" within the meaning of section 364(e) of the Bankruptcy Code and, therefore, the Trustee, the Collateral Agent, and the DIP Noteholders are entitled to all of the protections afforded thereby.

D. The Debtors Should Be Authorized to Provide the Indemnification and Pay the Fees and Expenses Due Under the DIP Facility

68. As described herein, the Debtors have agreed, subject to Court approval, to (a) pay certain fees and expenses to the Collateral Agent, the Trustee, and the DIP Noteholders, (collectively, the “DIP Fees and Expenses”) and (b) indemnify the DIP Trustee, the DIP Collateral Agent, and the DIP Noteholders, and certain of their respective advisors, in each case, in exchange for providing the DIP Facility or acting as agent for the DIP Facility (as applicable).

69. As set forth in the Luth Declaration, the terms of the DIP Facility, including the DIP Fees and Expenses, constitute the best terms on which the Debtors could obtain the postpetition financing necessary to maintain their ongoing business operations and fund their Chapter 11 Cases, and are fair and reasonable under the circumstances and are within the market for comparable DIP financings. The Debtors considered the DIP Fees and Expenses when determining in their sound business judgment that the DIP Facility constituted the best terms on which the Debtors could obtain sufficient DIP financing. The Debtors believe paying the DIP Fees and Expenses to obtain the DIP Facility is in the best interests of their estates. Accordingly, the Court should authorize the Debtors to pay the DIP Fees and Expenses.

70. Courts in this district and others have approved the granting of indemnities and the reimbursement of fees and expenses incurred by professionals engaged by third parties when the “reimbursement arrangement was ‘in the best interests of the Debtors and all parties in interest,’” including in other large airline cases. *See, e.g., In re AMR Corp.*, Case No. 11-15643 (SHL) (Bankr. S.D.N.Y. 2011) [Docket No. 4652] (approving reimbursement of hourly fees of counsel and the monthly/success fees of a financial advisor for an ad hoc group of lenders to potentially provide equity and other financing); *In re Relativity Fashion, LLC*, Case No. 15-11989 (MEW) (Bankr. S.D.N.Y. 2015) [Docket No. 1163] (approving agreement for indemnification and

payment of \$60,000 per month in fees to co-lead arrangers under debtors' DIP and exit facilities); *In re Maxcom Telecomunicaciones, S.A.B. DE C.V.*, Case No. 13-11839 (PJW) (Bankr. D. Del. 2013) [Docket No. 109] (approving debtor's entry into indemnification agreement with Citibank as depository for proposed equity tender offer); *In re Eastman Kodak Co.*, Case No. 12-10202 (ALG) (Bankr. S.D.N.Y. 2012) [Docket No. 2576] (approving debtors' motion to pay \$1 million work fee to Citibank, as agent under the debtors' DIP facility, in connection with negotiating and structuring an amendment to the DIP facility to permit a maturity extension and a supplemental DIP facility); *In re Tronox, Inc.*, Case No. 09-10156 (ALG) (Bankr. S.D.N.Y. 2009) [Docket Nos. 870, 997] (authorizing debtors to pay up to \$5.5 million in due diligence costs to interested lenders in connection with exit financing).

71. Moreover, authorization to pay DIP fees of various types is customarily granted in this district. *See, e.g., In re Vice Group Holding Inc.*, 23-10738 (JPM) (Bankr. S.D.N.Y. June 13, 2023) [Docket No. 138]; *In re Revlon, Inc.*, 22-10760 (DSJ) (Bankr. S.D.N.Y. Aug. 2, 2022) [Docket No. 330]; *In re Vewd Software USA, LLC*, 21-12065 (MEW) (Bankr. S.D.N.Y. Feb. 1, 2022) [Docket No. 127]; *In re Philippine Airlines, Inc.*, 21-11569 (SCC) (Bankr. S.D.N.Y. Sept. 30, 2021) [Docket No. 123]; *In re Grupo AeroMexico, S.A.B. de C.V., et al.*, 20-11563 (SCC) (Bankr. S.D.N.Y. Accordingly, the Court should authorize the Debtors to pay the DIP Fees and Expenses.

E. Modification of Automatic Stay Is Warranted

72. The relief requested herein contemplates a modification of the automatic stay to permit the Debtors to, among other things: (a) grant the security interests, liens, and superpriority claims described above, as applicable, and to perform such acts as may be requested to assure the

perfection and priority of such security interests and liens; and (b) payment all amounts required under the DIP Facility.

73. Stay modifications of this kind are ordinary and standard features of DIP financing arrangements, and, in the Debtors' business judgment, are reasonable and fair under the circumstances of these Chapter 11 Cases. *See, e.g., In re Vice Group Holding Inc.*, 23-10738 (JPM) (Bankr. S.D.N.Y. June 13, 2023) [Docket No. 138]; *In re Revlon, Inc.*, 22-10760 (DSJ) (Bankr. S.D.N.Y. Aug. 2, 2022) [Docket No. 330]; *In re Vewd Software USA, LLC*, 21-12065 (MEW) (Bankr. S.D.N.Y. Feb. 1, 2022) [Docket No. 127]; *In re Philippine Airlines, Inc.*, 21-11569 (SCC) (Bankr. S.D.N.Y. Sept. 30, 2021) [Docket No. 123]; *In re Grupo AeroMexico, S.A.B. de C.V., et al.*, 20-11563 (SCC) (Bankr. S.D.N.Y. Oct. 13, 2020) [Docket No. 527]; *In re Avianca Holdings, S.A., et al.*, 20-22233 (MG) (Bankr. S.D.N.Y. Oct. 5, 2020) [Docket No. 1031]. Comparable relief should be granted with respect to the DIP Facility.

RESERVATION OF RIGHTS

74. Nothing contained herein is intended to be or shall be construed as: (i) an admission as to the validity of any claim against the Debtors; (ii) a waiver of the Debtors' right to dispute any claim; or (iii) an approval or assumption of any agreement, contract, program, policy, or lease under section 365 of the Bankruptcy Code. Likewise, if the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended to be, and should not be construed as, an admission to the validity of any claim or waiver of the Debtors' rights to dispute such claim subsequently.

REQUEST FOR WAIVER OF STAY

75. The Debtors request a waiver of the stay of the effectiveness of the DIP Orders under Bankruptcy Rules 4001(a)(3) and 6004(h). Bankruptcy Rule 4001(a)(3) provides that "[an] order granting a motion for relief from an automatic stay made in accordance with Rule 4001(a)(1)

is stayed until the expiration of fourteen days after entry of the order, unless the court orders otherwise.” Fed. R. Bankr. P. 4001(a)(3). Bankruptcy Rule 6004(h), in turn, provides that “[a]n order authorizing the use, sale, or lease of property other than cash collateral is stayed until the expiration of 14 days after entry of the order, unless the court orders otherwise.” Fed. R. Bankr. P. 6004(h)..

76. As set forth above, the relief requested herein is essential to prevent immediate and irreparable damage to the Debtors’ operations, going concern value and their efforts to pursue a resolution to these Chapter 11 Cases. Accordingly, the relief requested herein is appropriate under the circumstances and under Bankruptcy Rule 6004(h).

NOTICE

77. 42. The Debtors will provide notice of this Motion to the following parties or, in lieu thereof, to their counsel, if known: (a) the Office of the U.S. Trustee for the Southern District of New York; (b) the holders of the thirty (30) largest unsecured claims against the Debtors (on a consolidated basis); (c) the holders of the five (5) largest secured claims against the Debtors (on a consolidated basis); (d) the Office of the U.S. Attorney for the Southern District of New York; (e) the Internal Revenue Service; (f) the Securities and Exchange Commission; (g) the Federal Aviation Administration; (h) the 2026 SSN Agents, (i) the 2028 SSN/ESSN Collateral Agent, (j) the Abra Notes Agents; and (k) any party that has requested service pursuant to Bankruptcy Rule 2002.

NO PRIOR REQUEST

78. No prior request for the relief sought in this Motion has been made to this or any other court.

CONCLUSION

WHEREFORE, the Debtors respectfully request entry of the Interim Order and Final Order granting the relief requested herein and granting such other relief as is just and proper.

**BACKSTOP COMMITMENT LETTER FOR SUPERPRIORITY SENIOR
SECURED PRIMING DEBTOR-IN-POSSESSION FINANCING FACILITY**

Ladies and Gentlemen:

We understand that GOL Linhas Aéreas Inteligentes S.A. (the “*Company*”) and certain of its affiliates and subsidiaries (together with the Company, collectively, the “*Debtors*” or “*you*”) intend to commence voluntary Chapter 11 cases (the “*Cases*”) in the United States Bankruptcy Court for the Southern District of New York (the “*Bankruptcy Court*”) and operate as debtors-in-possession under Chapter 11 of Title 11 of the United States Code (the “*Bankruptcy Code*”) during the pendency of such Cases. In connection with the Cases, each of the parties (the “*Initial Commitment Parties*”) set forth on Annex A attached hereto (the “*Initial Commitment Schedule*”, and the commitments of each Initial Commitment Party set forth on such Annex A, its “*Initial Commitment*”), each of the parties (the “*Post-Signing Commitment Parties*”, together with the Initial Commitment Parties, the “*Backstop Parties*”) set forth on Annex B hereto (the “*Backstop Commitment Schedule*” and the commitments of each Backstop Party set forth on such Annex B, its “*Backstop Commitment*”) that executes a joinder pursuant to the terms hereof and any Additional Noteholder (as defined below) that executes a joinder pursuant to the terms hereof (collectively with the Backstop Parties, the “*Commitment Parties*”, “*we*” or “*us*”), are pleased to advise you of their interest in providing the Debtors with a superpriority senior secured priming debtor-in-possession financing (the “*DIP Facility*” and the notes issued thereunder, the “*DIP Notes*”) in an aggregate principal amount of up to \$950,000,000 (the “*Total DIP Amount*”), and agreement to severally commit to provide the funding thereof, subject to the terms and conditions set forth in this letter (this “*Commitment Letter*”) and the definitive financing agreements and related documentation for the DIP Facility (collectively, the “*DIP Documents*”).

Any and all obligations of, and services to be provided by each Backstop Party hereunder may be performed and any and all of its rights hereunder may be exercised by or through any of its respective affiliates or funds it manages or advises.

Upon the terms of this Commitment Letter including Annex C hereto (the “*Term Sheet*”), and subject to the satisfaction or waiver in writing by each of the Backstop Parties of the conditions set forth in Section 3 of this Commitment Letter and in the “Conditions Precedent” section of the Term Sheet, each of Initial Commitment Parties is pleased to inform you of its commitment (the “*Commitment*”) to provide, and hereby commits to provide, to the Debtors, the respective portion of the principal amount of the DIP Facility set forth on the Initial Commitment Schedule,

on the terms and subject to the conditions set forth in this Commitment Letter and the Term Sheet. You agree that no indenture trustee, administrative agent, collateral agent, placement agent or any other agent (collectively, “**Agents**”) will be appointed, and no titles or compensation will be awarded or paid, on account of the DIP Facility, unless approved by each of the Backstop Parties.

1. Additional Noteholders

The parties hereto agree that each of the Post-Signing Commitment Parties will, by providing written notice to Houlihan Lokey, the financial advisor for the Backstop Parties, by **Monday, January 29, 2024, at 5:00 p.m. ET**, provide its commitment (the “**Additional Commitment**”) to the DIP Facility. The Commitments of the Initial Commitment Parties will be reduced by the amount of the Additional Commitment on a pro rata basis based on the amount by which each Initial Commitment Party’s Initial Commitment exceeds its Backstop Commitment. It is understood that, if any Post-Signing Commitment Parties fail to so provide their Additional Commitments (an “**Unallocated Additional Commitment**”), the undersigned Initial Commitment Parties severally agree to provide such Unallocated Additional Commitment on a pro rata basis based on their Initial Commitments set forth on the Initial Commitment Schedule. In addition, the parties hereto agree that any additional holder of the Abra Bonds (as defined below) (each, an “**Additional Noteholder**”) shall have the opportunity to elect to provide its commitment to the Debtors hereunder with respect to the DIP Facility in an amount equal to such Additional Noteholder’s respective ratable portion of the principal amount of its Abra Bonds to the principal amount of the Abra Bonds held by all Backstop Parties hereunder at such time pursuant to procedures to be agreed between the Debtors and the Required DIP Noteholders. It is understood that, if there are no Additional Noteholders, the undersigned Backstop Parties severally agree to provide their respective portions of the Total DIP Amount as set forth on the Backstop Commitment Schedule. Each Post-Signing Commitment Party that agrees to provide an Additional Commitment and each Additional Noteholder that agrees to become a Commitment Party hereunder shall (i) execute a joinder to this Commitment Letter agreeing to be bound to all of the provisions, terms and conditions of this Commitment Letter (including all schedules, annexes and exhibits hereto), without modification, other than the allocations of the DIP Facility set forth on the Initial Commitment Schedule or the Backstop Commitment Schedule, as applicable, which shall be deemed modified to reflect the commitments of such Post-Signing Commitment Parties or such Additional Noteholder(s), and/or (ii) execute such other documentation (including without limitation assignments) as may be needed to implement such Additional Noteholder’s ratable funding of its Commitments and allocation of the DIP Facility on a pro rata basis among all of the Backstop Parties and Additional Noteholders, in each case, in a manner reasonably acceptable to all Additional Noteholders and Backstop Parties. “**Abra Bonds**” means, collectively, the (i) Abra Senior Secured Notes due 2028 (“**Abra SSNs**”) issued by Abra Global Finance pursuant to the Indenture, dated as of March 2, 2023, and (ii) Abra Senior Secured Exchangeable Notes due 2028 (the “**Abra CSSNs**”) issued by Abra Global Finance pursuant to the Indenture, dated as of March 2, 2023.

Any Additional Noteholder that has notified Houlihan Lokey that it can only fund in the form of notes (such noteholders, “**Bond-Only Holders**”) will not be required to fund prior to the execution of definitive documentation providing for the DIP Facility to be governed by a note purchase agreement and the interests in the DIP Facility to be represented by notes that will bear CUSIPs and ISINs and which will settle through the Depository Trust Company (such date, the “**Definitive**

Documentation Date”). To the extent that any Bond-Only Holders hold Commitments at a time prior to the date of execution of definitive documentation, and such Commitments are either required to be funded or have already been funded, then such Bond-Only Holders will not be required to fund such Commitments or purchase such funded amounts from existing Commitment Parties. Instead, such amounts will be funded by each Commitment Party at such time that is not a Bond-Only Holder, and each Bond-Only Holder agrees that upon the Definitive Documentation Date, it will purchase such funded amounts from each other such Commitment Party holding funded amounts on a pro rata basis based on the amount by which each other Commitment Party’s aggregate principal amount of funded amounts exceeds the amount that such party would hold if the Bond-Only Holders had participated in such funded amounts on a pro rata basis.

2. Fees.

As consideration for the several agreements of the Backstop Parties under this Commitment Letter, and subject to the occurrence of the Closing Date (as defined below), the Debtors agree to pay:

(i) to the Initial Commitment Parties (ratably in accordance with the respective percentages set forth in the Initial Commitment Schedule) a fee (and without duplication of the “Fronting Fee” in the Term Sheet, the “**Fronting Fee**”) in an amount equal to 1.00% of the aggregate amount of each Initial Commitment Party’s Initial Commitment that is in excess of its Backstop Commitment (calculated on the basis that each Post-Signing Commitment Party has provided the full amount of its Additional Commitment in accordance with the terms of this Commitment Letter), which shall be payable in cash or in kind, at the Company’s option, and which shall be paid and fully earned upon the Closing Date; and

(ii) to the Backstop Parties (ratably in accordance with the respective percentages set forth in the Backstop Commitment Schedule and in addition to the Fronting Fee paid to the Initial Commitment Parties) a backstop fee (and without duplication of the “Backstop Fee” in the Term Sheet, the “**Backstop Fee**”) in an amount equal to 3.00% of the aggregate Total DIP Amount, which shall be payable in cash or in kind, at the Company’s option, and which shall be paid and fully earned upon the closing of the DIP Facility (the “**Closing Date**”). All fees set forth in the Term Sheet shall be due and payable as set forth therein.

For the avoidance of doubt, (x) the Post-Signing Commitment Parties shall not be entitled to receive any portion of the Fronting Fee and (y) the Additional Noteholders shall not be entitled to receive any portion of the Fronting Fee or the Backstop Fee.

3. Conditions Precedent.

The Commitment of each of the Backstop Parties hereunder and the agreement of such Backstop Party to perform the services described herein are subject to the satisfaction or waiver in writing (by each of the Backstop Parties) of the following conditions precedent:

- (a) the accuracy and completeness, in all material respects, of all representations that the Debtors make to the Backstop Parties in the DIP Documents and in Section 8 of this Commitment Letter; provided, that any of the foregoing representations that are

expressly qualified as to “materiality” or “material adverse effect” shall be accurate and complete in all respects;

- (b) since the date of this Commitment Letter, the Debtors are not (x) receiving any proceeds from any offering, placement or arrangement of any debt securities or bank financing (other than the DIP Facility) or (y) issuing, offering, placing or arranging any debt securities or bank financing (other than the DIP Facility), in each case, with respect to debtor-in-possession financing;
- (c) the execution and delivery of this Commitment Letter;
- (d) the payment in full of all fees, expenses and other amounts payable under and in connection with this Commitment Letter;
- (e) execution and delivery of subordination documentation, in form and substance satisfactory to each of the Backstop Parties, subordinating all liens and all claims of Abra under the GOL ESSN and GOL SSN in assets of the Debtors to the liens granted to secure the DIP Facility; and
- (f) any other conditions precedent to closing of the DIP Facility set forth in the Term Sheet.

Each Backstop Party acknowledges that the obligations of the Company hereunder are subject to the approval of the United States Bankruptcy Court for the Southern District of New York.

4. Commitment Termination.

Each Backstop Party’s Commitment, and this Commitment Letter, will terminate on the earliest of the following to occur: (a) February 29, 2024; (b) the Closing Date; (c) any issuance, placement, incurrence or funding of debt securities or bank financing with respect to debtor-in-possession financing by any of the Debtors with third parties (other than the DIP Facility) or the execution and delivery of definitive documentation relating to any of the foregoing; and (d) (i) the failure of any of the conditions precedent in this Commitment Letter or (ii) the failure of any of the conditions precedent to the effectiveness of the DIP Facility set forth in the Term Sheet to occur within ten (10) days after the Petition Date. In addition, each Commitment set forth in this Commitment Letter is subject to termination pursuant to the last paragraph of this Commitment Letter. The date of any termination under this Section 4 is referred to herein as the “***Termination Date***”. Notwithstanding the foregoing, all obligations of the Debtors with respect to the fifth sentence of the second paragraph of Section 13 hereof (and the sections referenced in such fifth sentence), shall survive the expiration or termination of this Commitment Letter.

5. Indemnification.

Whether or not any of the transactions contemplated hereby are consummated, each of the Debtors jointly and severally agree to indemnify and hold harmless each Backstop Party, in each case when acting in such capacities, and each of its respective affiliates and each of their respective officers, directors, employees, controlling persons, agents, advisors, attorneys and representatives, in each

case when acting in such capacities (each, an “*Indemnified Person*”) from and against any and all claims, damages, losses, liabilities and expenses (including, without limitation, fees and disbursements of counsel for each such party), joint or several, that may be incurred by or asserted or awarded against any Indemnified Person (including, without limitation, in connection with any investigation, litigation or proceeding or the preparation of a defense in connection therewith), in each case arising out of or in connection with or by reason of this Commitment Letter, the Term Sheet or the DIP Documents or the transactions contemplated hereby or thereby, or any use made or proposed to be made with the proceeds of the DIP Facility, subject to the limitations set forth in the “Indemnification” section of the Term Sheet, *provided* that the foregoing indemnity will not, as to any Indemnified Person, apply to any claim, damage, loss, liability or expense to the extent it is found in a final, non-appealable judgment of a court of competent jurisdiction to have resulted solely from the willful misconduct or gross negligence of such Indemnified Person. In the case of an investigation, litigation or other proceeding to which the indemnity in this paragraph applies, such indemnity shall be effective, subject to the proviso to the immediately preceding sentence, whether or not such investigation, litigation or proceeding is brought by any Debtor, any securityholder or creditor of any Debtor, any affiliate of any Debtor, an Indemnified Person or any other person, or an Indemnified Person is otherwise a party thereto and whether or not the transactions contemplated hereby are consummated. Effective upon the date of effectiveness of the DIP Documents, the provisions of this paragraph 5 shall be replaced and superseded by any indemnification provisions set forth in the definitive documents for the DIP Facility.

Neither any of the Backstop Parties nor any other Indemnified Person, in each case when acting in such capacities, shall be responsible or liable to you or any other person or entity for (w) any determination made by such Indemnified Person (or any other Indemnified Person) pursuant to this Commitment Letter in the absence of gross negligence or willful misconduct by such Indemnified Person (all as determined by a court of competent jurisdiction in a final and non-appealable judgment), (x) any damages arising from the use by persons (other than the Backstop Parties or the Agents) of information or other materials obtained through electronic, telecommunications, internet-based or other information transmission systems (including, but not limited to, IntraLinks, SyndTrak Online or email), except to the extent such damages have resulted solely from the willful misconduct or gross negligence of such Indemnified Person (as determined by a court of competent jurisdiction in a final and non-appealable judgment) or (y) any indirect, special, exemplary, incidental, punitive or consequential damages (including, without limitation, any loss of profits, business or anticipated savings) which may be alleged as a result of this Commitment Letter or the financing contemplated hereby.

6. Costs and Expenses.

On the earlier of the Closing Date and the Termination Date, the Debtors, jointly and severally, hereby agree to pay or reimburse each Agent and each Backstop Party for all reasonable and documented costs and expenses incurred by such Agent and such Backstop Party in connection with the DIP Facility and the preparation, negotiation, execution and delivery of this Commitment Letter, the Term Sheet and the DIP Documents and any security arrangements in connection therewith, including, without limitation, the reasonable fees and disbursements of counsel for the Agents and the Backstop Parties, subject to the limitations set forth in the “Expenses” section of the Term Sheet, whether or not any of the transactions contemplated hereby are consummated. The Debtors further jointly and severally agree to pay or reimburse each Agent and each Backstop Party for all

reasonable costs and expenses incurred thereby in connection with the administration, amendment, modification or waiver of the DIP Documents, including, without limitation, the reasonable fees and disbursements of primary counsel and appropriate local counsel and, in the case of an actual or reasonably perceived conflict of interest with respect to any of the Debtors, additional counsel (and appropriate local counsel) for affected parties (whether incurred before or after the date hereof), subject to the limitations set forth in the “Expenses” section of the Term Sheet. The Debtors further agree to pay all costs and expenses of each Agent and each of the Backstop Parties (including, without limitation, fees and disbursements of counsel) incurred in connection with the enforcement, collection or protection of any of its rights and remedies hereunder and under the DIP Documents, subject to the limitations set forth in the “Expenses” section of the Term Sheet. Effective upon the date of effectiveness of the DIP Documents, the provisions of this paragraph 6 shall be replaced and superseded by any expense reimbursement provisions set forth in the definitive documents for the DIP Facility.

7. Confidentiality; Information.

By accepting delivery of this Commitment Letter, each of the Debtors agrees that this Commitment Letter and the Term Sheet are for its confidential use only and that neither its existence nor the terms hereof will be disclosed by it to any person or entity (whether legal or other entity), other than officers, directors, employees, accountants, attorneys and other advisors of the Debtors, and, following the Debtors’ acceptance of the provisions hereof and its return of an executed counterpart of this Commitment Letter, any Official Committee of Unsecured Creditors that may be appointed in the Cases and the Office of the United States Trustee, and then only on a confidential and “need to know” basis in connection with the transactions contemplated hereby. Notwithstanding the foregoing or anything to the contrary in the Commitment Letter, (a) following the Debtors’ acceptance of the provisions hereof and its return of an executed counterpart of this Commitment Letter, the Debtors may disclose this Commitment Letter and the Term Sheet and the existence thereof in filings with the Bankruptcy Court presiding over the Cases and (b) the Debtors may disclose as compelled in a judicial or administrative proceeding or as otherwise required by law (in which case the Debtors agree to inform the Backstop Parties promptly thereof).

8. Representations and Warranties.

Each of the Debtors hereby represents and warrants that all written information (other than financial projections, estimates, forecasts and budgets and other forward-looking information concerning the Company) that has been or will hereafter be made available to the Agents and/or the Backstop Parties by or on behalf of the Debtors or any of their respective affiliates or representatives in connection with the transactions contemplated hereby (such written information being referred to herein as the “***Information***”), when taken as a whole, is and will be complete and correct in all material respects and does not and will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not misleading in light of the circumstances under which such statements were or are made (giving effect to any and all supplements and updates thereto which have been provided prior to the date of such representation). Each of the Debtors further represents and warrants that all financial projections delivered by it or on its behalf were prepared by it in good faith and based on assumptions the Debtors believe were reasonable when made (in light of the circumstances and conditions when prepared); provided, however, that (a) the financial projections relate to future events and are not to be viewed as facts,

(b) the financial projections are subject to significant uncertainties and contingencies, many of which are beyond the Debtors' control, (c) the Debtors make no representation or warranty that such financial projections will be realized and (d) actual results during the period or periods covered by any such financial projections may differ materially from the projected results. If at any time from the date hereof until the earlier of (x) the Termination Date and (y) the Closing Date any of the representations and warranties in the preceding sentences would be incorrect in any material respect if the Information or financial projections were being furnished, and such representations and warranties were being made, at such time, then the Debtors will promptly supplement the Information or financial projections, as applicable, so that such representations and warranties contained in this paragraph will be correct in all material respects at such time.

In issuing this Commitment Letter and in arranging the DIP Facility, the Agents and the Backstop Parties will be entitled to use, and to rely on the accuracy of, the Information furnished to them by or on behalf of the Debtors and their respective affiliates without responsibility for independent verification thereof and do not assume responsibility for the accuracy or completeness thereof.

9. No Third Party Reliance, Etc.

This Commitment Letter has been and is made solely for the benefit of the parties signatory hereto, the Indemnified Persons, and their respective heirs, successors and assigns, and nothing in this Commitment Letter, expressed or implied, is intended to confer nor does confer on any other person or entity any rights or remedies under or by reason of this Commitment Letter or the agreements of the parties contained herein and may not be relied upon by any person or entity other than you.

10. Sharing Information; Absence of Fiduciary Relationship.

Each Backstop Party reserves the right to employ the services of its affiliates in providing services contemplated by this Commitment Letter and to allocate, in whole or in part, to its affiliates certain fees payable to it in such manner as it and its affiliates may agree in their sole discretion. You acknowledge that (i) each Backstop Party may share with any of its affiliates, and such affiliates may share with it, any information related to the transaction, the Debtors (and its respective subsidiaries and affiliates), or any of the matters contemplated hereby and (ii) each Backstop Party and its affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which you or the other Debtors may have conflicting interests regarding the transactions described herein or otherwise. We will, however, not furnish confidential information obtained from you by virtue of the transactions contemplated by this Commitment Letter or our other relationships with you to other companies (other than your affiliates). You also acknowledge that we do not have any obligation to use in connection with the transactions contemplated by this Commitment Letter, or to furnish to you, confidential information obtained by us from other companies.

You further acknowledge and agree that (a) no fiduciary, advisory or agency relationship between you and us is intended to be or has been created in respect of any of the transactions contemplated by this Commitment Letter, irrespective of whether we or our affiliates have advised or are advising you on other matters, (b) we, on the one hand, and you, on the other hand, have an arms-length business relationship that does not directly or indirectly give rise to, nor do you rely on, any fiduciary duty on our part, (c) you are capable of evaluating and understanding, and you understand and

accept, the terms, risks and conditions of the transactions contemplated by this Commitment Letter, (d) you have been advised that we and our affiliates are engaged in a broad range of transactions that may involve interests that differ from your interests and that we and our affiliates have no obligation to disclose such interests and transactions to you by virtue of any fiduciary, advisory or agency relationship, and (e) you waive, to the fullest extent permitted by law, any claims you may have against us or our affiliates for breach of fiduciary duty or alleged breach of fiduciary duty and agree that we and our affiliates shall have no liability (whether direct or indirect) to you in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on behalf of or in right of you, including your stockholders, employees or creditors.

11. Assignments.

The Debtors may not assign this Commitment Letter (including the Term Sheet) or any Commitment hereunder without the prior written consent of each Backstop Party, and any attempted assignment without such consent shall be null and void. Any and all obligations of, and services to be provided by each Agent or Backstop Party hereunder (including, without limitation, the Commitment thereof) may be performed and any and all rights thereof may be exercised by or through any of their respective affiliates or branches, or managed or advised funds; provided that with respect to the Commitments, any such assignments thereof will not relieve such Backstop Party from any of its obligations hereunder until such assignee shall have funded the portion of the Commitment so assigned.

12. Amendments.

This Commitment Letter and the Term Sheet may not be amended or any provision hereof or thereof waived or modified except by written agreement signed by each party hereto.

13. GOVERNING LAW, JURISDICTION; WAIVERS.

Each of the parties hereto hereby irrevocably and unconditionally (a) submits, for itself and its property, to the exclusive jurisdiction of the Bankruptcy Court (or, if the Bankruptcy Court shall abstain from or otherwise be unavailable to preside over any such action or proceeding, any New York State court or Federal court of the United States of America sitting in the State of New York, Borough of Manhattan), and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Commitment Letter or the transactions contemplated hereby, or for recognition or enforcement of any judgment, and agrees that all claims in respect of any such action or proceeding shall be heard and determined only in such courts located within New York County, provided, however, that each Agent shall be entitled to assert jurisdiction over you and your property in any court in which jurisdiction may be laid over you or your property, (b) waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Commitment Letter, the Term Sheet, or the transactions contemplated hereby or thereby in the Bankruptcy Court or any such New York State or Federal court, as the case may be, (c) waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court, and (d) agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Each of the parties hereto agrees that service of any process,

summons, notice or document by registered mail or overnight courier addressed to you at the address above shall be effective service of process against you for any suit, action or proceeding brought in any such court.

(b) All accounting terms not otherwise defined herein shall have the meanings assigned to them in accordance with IFRS.

(c) For purposes of the definitions set forth in Section 1.01 and this Indenture generally, all calculations and determinations shall be made in accordance with IFRS and shall be based upon the consolidated financial statements of GLAI and its Subsidiaries prepared in accordance with IFRS.

SECTION 1.03. *Table of Contents; Headings.* The table of contents and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

SECTION 1.04. *Form of Documents Delivered to Trustee.* In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

SECTION 1.05. *Holder Communications; Acts of Holders.* (a) The rights of Holders to communicate with other Holders with respect to this Indenture or the Notes are as provided by the Trust Indenture Act, and the Company, the Guarantors and the Trustee shall comply with the requirements of the Trust Indenture Act Sections 312(a) and 312(b). None of the Company, the Guarantors, the Collateral Agent, or the Trustee will be held accountable by reason of any disclosure of information as to names and addresses of Holders made pursuant to the Trust Indenture Act.

(b) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agents duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Company or the Guarantors, as the case may be. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the “**Act**” of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the

Trustee and the Company or the Guarantors, as the case may be, if made in the manner provided in this Section 1.05.

(d) The principal amount and serial numbers of Notes held by any Person, and the date of holding the same, shall be proved by the Register.

(e) If the Company solicits from the Holders of Notes any request, demand, authorization, direction, notice, consent, waiver or other Act, the Company may, at its option, by or pursuant to a Board Resolution, fix in advance a record date for the determination of Holders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other Act, but the Company shall not have any obligation to do so. Such record date shall be the record date specified in or pursuant to such Board Resolution, which shall be a date not earlier than the date 30 days prior to the first solicitation of Holders generally in connection therewith and not later than the date such solicitation is completed. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act may be given before or after such record date, but only the Holders of record at the close of business on such record date shall be deemed to be Holders for the purposes of determining whether Holders of the requisite proportion of Outstanding Notes have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other Act, and for that purpose the Outstanding Notes shall be computed as of such record date.

(f) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Note.

ARTICLE 2

THE NOTES

SECTION 2.01. *Form and Dating.* The Notes and the Trustee's certificate of authentication shall be substantially in the form of Note set forth in Exhibit A, which is hereby incorporated in and expressly made a part of this Indenture. The Notes may have such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture and may have such letters, numbers or other marks of identification and such notations, legends or endorsements as may be required to comply with any law, stock exchange

rule, agreement to which the Company is subject, if any, or usage; *provided* that any such notation, legend or endorsement is in a form acceptable to the Company.

Each Note shall be dated the date of its authentication.

The Notes shall be printed, lithographed or engraved or produced by any combination of these methods or may be produced in any other manner permitted by the rules of any stock exchange on which the Notes may be listed, if any, all as determined by the Officers executing such Notes, as evidenced by each such Officer's execution of such Notes.

SECTION 2.02. *Execution, Authentication and Delivery.* (a) One Officer of the Company shall sign the Notes for the Company by manual or Facsimile Signature.

(i) If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

(ii) A Note shall not be valid until an authorized signatory of the Trustee or an authenticating agent manually or by facsimile signs the certificate of authentication on the Note upon Company Order. Such signature shall be conclusive evidence that the Note has been authenticated under this Indenture. Such Company Order shall specify the amount of the Notes to be authenticated and the date on which the original issue of Notes is to be authenticated.

(iii) The Trustee or an authenticating agent shall authenticate and deliver (A) initially Initial Notes on the Issue Date in an aggregate principal amount of U.S.\$200,000,000.00 and (B) any Additional Notes in accordance with Section 2.15.

(iv) The Notes shall be issued in fully registered form without coupons attached in minimum denominations of U.S.\$100,000 and integral multiples of U.S.\$1,000 in excess thereof (each, an “**Authorized Denomination**”).

(b) The Trustee may appoint an authenticating agent, with a copy of such appointment to the Company, to authenticate the Notes (the “**Authenticating Agent**”). Unless limited by the terms of such appointment, an Authenticating Agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by an Authenticating Agent. An Authenticating Agent has the same rights as any Agent or agent for service of notices and demands.

(i) Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business (and this transaction in particular) of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

(ii) Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Company. The Trustee may at any time terminate

the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Company. Upon receiving such notice of resignation or upon such a termination, the Trustee may appoint a successor Authenticating Agent reasonably acceptable to the Company and shall give written notice of such appointment to the Company.

(iii) The Company agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services and reimbursement for its reasonable expenses relating thereto.

SECTION 2.03. *Transfer Agent, Registrar and Paying Agent.* (a) Subject to such reasonable regulations as the Company may prescribe, the books of the Company for the exchange, registration, and registration of transfer of Notes shall be kept at the office of the Registrar (such books maintained in such office and in any other office or agency designated for such purpose being herein referred to as the “**Register**”). The Company shall also cause the Trustee to maintain books for the exchange, registration and registration of transfer of Notes. The Trustee shall notify the Registrar and the Registrar shall notify the Trustee, when necessary, upon any exchange, registration or registration of transfer of any Notes and shall cause their respective books to be amended accordingly. The Company may have one or more co-registrars and one or more additional Transfer Agents or Paying Agents. The terms “**Transfer Agent**” and “**Paying Agent**” include any additional transfer agent or paying agent, as the case may be. The term “**Registrar**” includes any co-registrar.

(b) The Company shall enter into any appropriate agency agreements with any Agent not a party to this Indenture, which shall implement the provisions of this Indenture that relate to such Agent. The Company shall notify the Trustee in writing of the name and address of any such Agent. If the Company fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.06. The Company initially appoints the Trustee as Registrar, Transfer Agent and Paying Agent in connection with the Notes.

(c) The Registrar shall keep a record of all the Notes and shall make such record available during regular business hours for inspection upon the written request of the Company provided a reasonable amount of time prior to such inspection. Such books and records shall include notations as to whether such Notes have been redeemed, or otherwise paid or cancelled, and, in the case of mutilated, destroyed, defaced, stolen or lost Notes, whether such Notes have been replaced. In the case of the replacement of any of the Notes, the Registrar shall keep a record of the Note so replaced, and the Notes issued in replacement thereof. In the case of the cancellation of any of the Notes, the Registrar shall keep a record of the Note so cancelled and the date on which such Note was cancelled. Each Transfer Agent shall notify the Trustee and the Registrar of any transfers or exchanges of Notes effected by it.

(d) The Registrar shall send a copy of the Register to the Company upon written request of the Company, with such copy to be held by the Company at its registered office. For purposes of Luxembourg law, ownership of the Notes shall be evidenced through registration from time to time at the registered office of the Company, and such registration is a means of evidencing title to the Notes. In case of discrepancies between the Register held by the Registrar

and the Register held by the Company at its registered office, the Register held by the Company at its registered office shall prevail for Luxembourg law purposes only.

SECTION 2.04. *Paying Agent to Hold Money in Trust.* By 10:00 A.M. New York time, no later than one Business Day prior to each Payment Date on any Note, the Company shall deposit with the Paying Agent or the Trustee in immediately available funds a sum sufficient to pay such principal and interest when so becoming due (including any amounts under Section 4.06). The Company shall request that the bank through which such payment is to be made agree to supply to the Paying Agent by 10:00 A.M. (New York time) two Business Days prior to the due date from any such payment an irrevocable confirmation (by facsimile) of its intention to make such payment. The Company shall require each Paying Agent not a party to this Indenture to agree in writing that such Paying Agent shall hold in trust, for the benefit of Holders or the Trustee, all money held by such Paying Agent for the payment of principal and interest on the Notes and shall notify the Trustee of any Default by the Company in making any such payment. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by it. Upon complying with this Section 2.04, the Paying Agent shall have no further liability for the money delivered to the Trustee.

Each payment in full of principal, redemption amount, Additional Amounts and/or interest payable under the Notes and this Indenture in respect of any Note made by or on behalf of the Company or the Guarantors to or to the order of the Paying Agent in the manner specified herein or in the Notes on the date due shall be valid and effective to satisfy and discharge the obligation of the Company or the Guarantors, as the case may be, to make payment of principal, redemption amount, Additional Amounts and/or interest payable hereunder and under the Notes on such date; *provided, however*, that the liability of the Paying Agent hereunder shall not exceed any amounts paid to it by the Company or the Guarantors, as the case may be, or held by it, on behalf of the Holders hereunder.

SECTION 2.05. *Payment of Principal and Interest; Principal and Interest Rights Preserved.* (a) Except as otherwise provided herein for the redemption of the Notes, the payment of principal of or interest on the Notes shall be allocated on a pro rata basis among all Outstanding Notes, without preference or priority of any kind among the Notes.

(b) Final payments in respect of any certificated Note (whether upon redemption, declaration of acceleration or otherwise) shall be made only against presentation and surrender of such Note at the Corporate Trust Office of the Trustee and, subject to any fiscal or other laws and regulations applicable thereto, at the specified offices of any other Paying Agent appointed by the Company.

(c) Payment of the principal of any certificated Note on a relevant Payment Date shall be made upon presentation and surrender thereof, by U.S. Dollar check drawn on a bank in The City of New York and mailed to the Person entitled thereto at its address as it appears on the Register, or by wire transfer to a U.S. Dollar account maintained by the payee with a bank in The City of New York; *provided* that such Holder so elects by giving written notice to such effect designating such account, to the Trustee at least 15 days prior to such Payment Date.

(d) Payment of interest on each Payment Date with respect to any Note shall be made to the Person in whose name such Note is registered on the Record Date immediately preceding such Payment Date by U.S. Dollar check drawn on a bank in The City of New York and mailed to the Person entitled thereto at its address as it appears on the Register, or by wire transfer to a U.S. Dollar account maintained by the payee with a bank in The City of New York; *provided* that the Holder so elects by giving written notice to such effect designating such account, which is received by the Trustee or a Paying Agent no later than the Record Date immediately preceding such Payment Date. Unless such designation is revoked, any such designation made by such Holder with respect to such Note shall remain in effect with respect to any future payments with respect to such Note payable to such Holder. The Company shall pay any administrative costs imposed by banks in connection with making payments by wire transfer. On each interest Payment Date with respect to the book-entry notes, the interest payment shall be made to DTC in same day funds in accordance with existing arrangements between the Trustee and DTC.

Notwithstanding the provisions of this Section 2.05, payments on Notes registered in the name of DTC or its nominee shall be effected in accordance with the Applicable Procedures.

SECTION 2.06. *Holder Lists.* The Trustee shall preserve in as current a form as is reasonably practicable, the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Company shall furnish to the Trustee in writing, at least ten Business Days before each Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

SECTION 2.07. *Transfer of Notes.* (a) The registrar will send a copy of the Register to the Company upon written request, with such copy to be held by the Company and at its registered office. For purposes of Luxembourg law, ownership of the Notes will be evidenced through registration from time to time at the registered office of the Company, and such registration is a means of evidencing title to the Notes. In case of discrepancies between the register held by the registrar and the register held by the Company at its registered office, the register held by the Company at its registered office will prevail for Luxembourg law purposes.

(b) Transfer will be effected without charge by or on behalf of the Company, the Trustee, the registrar or the transfer agents, but upon payment, or the giving of such indemnity as the Trustee, the registrar or the relevant transfer agent may require, in respect of any tax or other governmental charges which may be imposed in relation to it. The Company is not required to transfer or exchange any note selected for redemption.

(c) Interests in the Regulation S Notes and the Restricted Notes shall be exchangeable or transferable, as the case may be, for physical delivery of non-global, definitive certificated notes (“**Certificated Notes**”) if (i) DTC notifies the Company that it is unwilling or unable to continue as Depositary for such Notes, or DTC ceases to be a “clearing agency” registered under the Exchange Act, and a successor depositary is not appointed by the Company within 90 days, or (ii) a Default or an Event of Default has occurred and is continuing with respect to such Notes; *provided* that such transfer or exchange is made in accordance with the provisions of this Indenture and the Applicable Procedures.

(i) Upon receipt of notice by DTC or the Trustee, as the case may be, regarding the occurrence of any of the events described in the preceding paragraph, the Company shall use its best efforts to make arrangements with DTC for the exchange of interests in the Notes for individual Certificated Notes, and cause the requested individual Certificated Notes to be executed and delivered to the Trustee in sufficient quantities and authenticated by the Trustee for delivery to Holders. In the case of Certificated Notes issued in exchange for the Restricted Global Note, such Certificated Notes shall bear the Securities Act Legend. Upon the transfer, exchange or replacement of Notes bearing such Securities Act Legend, or upon specific request for removal of the Securities Act Legend on a Note, the Trustee shall deliver only Notes that bear such Securities Act Legend, or shall refuse to remove such Securities Act Legend, as the case may be, unless, subject to the Company's consent, there is delivered to the Trustee a certificate in the form of Exhibit C or Exhibit E, as the case may be, or such satisfactory evidence as may reasonably be required by the Company, which may include an Opinion of Counsel, that neither the Securities Act Legend nor the restrictions on transfer set forth therein are required to ensure compliance with the provisions of the Securities Act. The Trustee shall exchange a Note bearing the Securities Act Legend for a Note not bearing such Securities Act Legend only if it has been directed to do so in writing by the Company, upon which direction it may conclusively rely.

(ii) During the Restricted Period, transfers of a beneficial interest in the Regulation S Note to a transferee who takes delivery of such interest in the Restricted Note shall be made only in Authorized Denominations in accordance with the Applicable Procedures and upon receipt by the Trustee or Transfer Agent of a written certification from the transferor of the beneficial interest in the form of Exhibit D to the effect that such transfer is being made to a Person who the transferor reasonably believes is a "qualified institutional buyer" within the meaning of Rule 144A in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction. After the Restricted Period, such certification requirement shall no longer apply to such transfers.

(iii) Transfers by a Holder of a Certificated Note bearing the Securities Act Legend or an owner of a beneficial interest in the Restricted Note to a transferee who takes delivery of such interest in the Regulation S Note or in the form of a Certificated Note not bearing the Securities Act Legend shall be made only in Authorized Denominations upon receipt by the Trustee or Transfer Agent of a written certification from the transferor in the form of Exhibit C to the effect that such transfer is being made in accordance with Regulation S.

(iv) Beneficial interests in the Notes shall be shown on, and transfers thereof shall be effected only through records maintained by DTC and its direct and indirect participants, including Euroclear and Clearstream Banking. Transfers between participants in DTC shall be effected in the ordinary way in accordance with the Applicable Procedures and shall be settled in DTC's Same Day Funds Settlement System and secondary market trading activity in such Notes shall therefore settle in immediately available funds. There can be no assurance as to the effect, if any, of settlements in immediately available funds on trading activity in the Notes. Transfers between

participants in Euroclear and Clearstream Banking shall be effected in the ordinary way in accordance with Applicable Procedures.

(v) Certificated Notes may be exchanged or transferred in whole or in part in the principal amount of Authorized Denominations by surrendering such Certificated Notes at the office of the Trustee or any Transfer Agent with a written instrument of transfer as provided in this Indenture in the form of Exhibit B hereto duly executed by the Holder thereof or his attorney duly authorized in writing. In exchange for any Certificated Note properly presented for transfer, within three Business Days, the Trustee shall promptly authenticate and deliver or cause to be authenticated and delivered at the Corporate Trust Office, to the transferee, or send by mail (at the risk of the transferee) to such address as the transferee may request, a Certificated Note or Notes, as the case may require, registered in the name of such transferee, for the same aggregate principal amount as was transferred. In the case of the transfer of any Certificated Note in part, the Trustee shall also promptly authenticate and deliver or cause to be authenticated and delivered at the Corporate Trust Office, to the transferor, or send by mail (at the risk of the transferor) to such address as the transferor may request, a Certificated Note or Notes, as the case may require, registered in the name of such transferor, for the aggregate principal amount that was not transferred. No transfer of any Notes shall be made unless the request for such transfer is made by the registered Holder or his attorney duly authorized in writing at the Corporate Trust Office and is accompanied by a completed instrument of transfer in the form of Exhibit B attached to the Note presented for transfer.

(vi) Transfer, registration and exchange of any Note or Notes shall be permitted and executed as provided in this Section 2.07 without any charge to the Holder of any such Note or Notes other than any taxes or governmental charges or insurance charges payable on transfers or any expenses of delivery by other than regular mail, but subject to such reasonable regulations as the Company, the Agents and the Trustee may prescribe. The costs and expenses of effecting any exchange or registration of transfer pursuant to the foregoing provisions, except for the expense of delivery by other than regular mail (if any) and except for the payment of a sum sufficient to cover any tax or other governmental charges or insurance charges that may be imposed in relation thereto, shall be borne by the Company. All Certificated Notes issued upon any exchange or registration of transfer of Notes shall be valid obligations of the Company, evidencing the same debt, and entitled to the same benefits, as the Notes surrendered upon exchange or registration of transfer.

(vii) The Trustee or the Transfer Agent shall effect transfers and exchanges of Notes and Certificated Notes. In addition, the Registrar shall keep the Register for the ownership, exchange and transfer of any Notes. The Transfer Agent shall give prompt notice to the Registrar and the Registrar shall likewise give prompt notice to the Trustee of any exchange or transfer of such Notes. Neither the Trustee nor any Transfer Agent shall register the exchange or the transfer of any Note or Certificated Note (or any portion of a Certificated Note) during the period of 15 days ending on any Payment Date or for the period of 15 days preceding any date of selection of Notes for redemption, or register the transfer or exchange of any Note previously called for redemption.

(viii) Upon any such exchange or transfer of all or a portion of any Note for a Certificated Note or an interest in either the Restricted Note or the Regulation S Note for an interest in the other Note, the Note to be so transferred or exchanged shall be marked to reflect the reduction of its principal amount by the aggregate principal amount of such Certificated Note or the interest to be so exchanged for an interest in a Regulation S Note or a Restricted Note, as the case may be. Until so exchanged in full, the Note shall in all respects be entitled to the same benefits under this Indenture as the Notes authenticated and delivered hereunder.

(ix) Neither the Trustee nor any Agent shall have any responsibility or obligation to any beneficial owner of an interest in a Note, a member of, or a participant in, DTC or other Person with respect to the accuracy of the records of DTC or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than DTC) of any notice (including any notice of redemption) or the payment of any amount or delivery of any Notes (or other security or property) to any beneficial owner under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Notes shall be given or made only to or upon the order of the registered Holders (which shall be DTC or its nominee in the case of a Note). The rights of beneficial owners in any Global Note shall be exercised only through DTC subject to the Applicable Procedures of DTC. The Trustee and each Agent may rely and shall be fully protected in relying upon information furnished by DTC with respect to its members, participants and any beneficial owners.

(x) Neither the Trustee nor any Agent shall have any obligation or duty to monitor, determine or inquire as to compliance with any tax or securities laws with respect to any restrictions on transfer imposed under this Indenture or under applicable law (including any transfers between or among DTC participants, members or beneficial owners in any Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

SECTION 2.08. *Replacement Notes.* If any Note at any time becomes mutilated, defaced, destroyed, stolen or lost, such Note may be replaced at the cost of the applicant (including reasonable legal fees of the Company, the Trustee and the Agents) at the office of the Trustee or any Transfer Agent, upon provision of, in the case of destroyed, stolen or lost Notes, evidence satisfactory to the Trustee and the Company that such Note was destroyed, stolen or lost, together with such indemnity as the Trustee and the Company may require. Mutilated or defaced Notes must be surrendered before replacements shall be issued.

Each Note authenticated and delivered in exchange for or in lieu of any such Note shall carry rights to accrued and unpaid interest and to interest to accrue equivalent to the rights that were carried by such Note before such Note was mutilated, defaced, destroyed, stolen or lost.

Every replacement Note is an additional obligation of the Company and shall be entitled to the benefits of this Indenture.

SECTION 2.09. *Temporary Notes.* Subject to the provisions of Section 2.07(a), until Notes are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Notes but may have variations that the Company considers appropriate for temporary Notes. As necessary, the Company shall prepare and the Trustee shall authenticate Notes and deliver them in exchange for temporary Notes at the office or agency of the Company or the Trustee, without charge to the Holder. Until so exchanged, the temporary Notes shall be entitled to the same benefits under this Indenture as Notes.

SECTION 2.10. *Cancellation.* The Company at any time may deliver Notes to the Trustee for cancellation. The Agents shall forward to the Trustee any Notes surrendered to them for transfer, exchange or payment. The Trustee and no one else shall cancel and the Trustee shall destroy in accordance with its customary procedures (subject to the record-retention requirements of the Exchange Act) all Notes surrendered for transfer, exchange, payment or cancellation and, if so destroyed, deliver a certificate of such destruction to the Company upon its written request unless the Company directs the Trustee in writing to deliver the cancelled Notes to the Company. The Company may not issue new Notes to replace Notes it has redeemed, paid in full or delivered to the Trustee for cancellation (other than in connection with a transfer or exchange), which shall not prohibit the Company from issuing any Additional Notes. A Note does not cease to be Outstanding because the Company, any Guarantor or any of their Affiliates holds such Note, except that such Notes will not be deemed to be Outstanding for voting purposes pursuant to and in accordance with the definition of "Outstanding" in Section 1.01.

SECTION 2.11. *Defaulted Interest.* If the Company defaults in a payment of interest on the Notes, the Company shall pay the defaulted interest (plus interest on such defaulted interest at the rate specified in Section 4.01 to the extent lawful) in any lawful manner not inconsistent with the requirements of any stock exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after written notice given by the Company to the Trustee of the proposed payment pursuant to this Section 2.11, such manner of payment shall be deemed practicable by the Trustee.

The Company may pay the defaulted interest to the Persons who are Holders on a subsequent special record date, which date shall be at least five Business Days prior to the payment date of such defaulted interest. The Company shall fix or cause to be fixed any such special record date and payment date, and, at least 15 days before any such special record date, the Company shall deliver to each Holder, with a copy to the Trustee, a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

SECTION 2.12. *CUSIP and ISIN Numbers.* The Company in issuing the Notes may use CUSIP and ISIN numbers (if then generally in use) and, if so, the Trustee shall use CUSIP and ISIN numbers in notices as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice and that reliance may be placed only on the other identification numbers printed on the Notes, and any such notice shall not be affected by

any defect in or omission of such numbers. The Company shall promptly notify the Trustee in writing of any change in CUSIP or ISIN numbers.

SECTION 2.13. *Purchases of the Notes by the Company or its Affiliates.* The Company or any of its Affiliates may at any time purchase Notes at any price. All Notes so purchased may not be resold, except in compliance with applicable requirements or exemptions under the relevant securities laws.

SECTION 2.14. *One Class of Notes.* The Initial Notes and any Additional Notes shall vote and consent together on all matters as one class; and none of the Initial Notes or the Additional Notes shall have the right to vote or consent as a separate class on any matter. The Initial Notes and any Additional Notes shall together be deemed to constitute a single class or series for all purposes, under this Indenture.

SECTION 2.15. *Additional Notes.* The Company shall be entitled, from time to time, without notice to, or consent of, the Holders of the Notes, to create and issue additional principal amounts of Additional Notes under this Indenture which shall have identical terms as the Initial Notes issued on the Issue Date (in each case, other than with respect to the issue date, issue price, the payment of interest accruing prior to the issue date thereof and the first payment of interest thereon, and any Additional Amounts due with respect thereto, after the issue date thereof), as the case may be, as long as (i) the LTV Ratio shall not exceed the Trigger LTV Ratio after giving effect to the issuance of the Additional Notes, (ii) the Company and the Guarantors shall have entered into additional Collateral Documents and made all necessary filings so that any Additional Collateral required to be delivered in connection with the issuance of any Additional Notes is subject to first priority Liens in favor of the Collateral Agent or, in the case of Aircraft subject to a Senior Lien, a second-priority perfected Lien, for the benefit of the Secured Parties, as Collateral for all of the obligations of the Company and the Guarantors under this Indenture, the Notes and the Guarantees and (iii) no Default or Event of Default has occurred and is continuing or will occur as a result of or immediately after the issuance of the Additional Notes; *provided, however,* that unless such Additional Notes are issued under a separate CUSIP number, such Additional Notes must be fungible with the Initial Notes for U.S. federal income tax purposes.

With respect to any Additional Notes, the Company shall set forth in a Board Resolution and an Officers' Certificate, the following information:

- (i) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture;
- (ii) the issue price, the issue date and the "CUSIP" and "ISIN" number of any such Additional Notes and the amount of interest payable on the first Payment Date applicable thereto; and
- (iii) if applicable, the Resale Restriction Termination Date relating to such Additional Notes and the Restricted Period for such Additional Notes.

ARTICLE 3
REDEMPTION

SECTION 3.01. *Right of Redemption.* (a) Except as described in this Section 3.01 and Paragraph 9 of the form of Note set forth in Exhibit A, the Notes may not be redeemed.

(b) *Optional Redemption.* (i) After the second anniversary of the Issue Date, the Company may, on any one or more occasions, redeem the Notes at its option, in whole or in part, at the following redemption prices (expressed as a percentage of the principal amount thereof), plus accrued and unpaid interest and any Additional Amounts, if any, to the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the periods set forth below:

Period	Redemption Price
On or after December 24, 2022 and prior to December 24, 2023	108.000%
On or after December 24, 2023 and prior to December 24, 2024	104.000%
On or after December 24, 2024	100.000%

Any redemption of the Notes by the Company pursuant to this Section 3.01 will be subject to either (i) there being at least US\$150 million in aggregate principal amount of Notes (including any Additional Notes) outstanding after such redemption; or (ii) the Company redeeming all the then outstanding principal amount of the Notes.

(c) *Redemption for Taxation Reasons.* If as a result of any change in or amendment to the laws (or any rules or regulations thereunder) of a Taxing Jurisdiction, or any amendment to or change in an official interpretation, administration or application of such laws, rules or regulations (including a holding by a court of competent jurisdiction), which change or amendment becomes effective or, in the case of a change in official position, is announced on or after the Issue Date, in the case of the Company or any Guarantor, or on or after the date a successor to the Company or any Guarantor assumes the obligations under the Notes and this Indenture or any Note Guaranty, in the case of any such successor, (i) the Company or any successor to the Company has or will become obligated to pay any Additional Amounts in excess of the Additional Amounts the Company or any successor to the Company would be obligated to pay if payments were subject to withholding or deduction at a rate of 0% (or in the case of a successor, the rate of withholding applicable to payments on the Notes in the jurisdiction of the successor to the Company on the date such successor replaces the Company) or (ii) the Guarantors or any successor to the Guarantors has or will become obligated to pay Additional Amounts in excess of the Additional Amounts the Guarantors or any such successor to the Guarantors would be obligated to pay if payments were subject to withholding or deduction at a rate of 15% or at a rate of 25% in the case that the Holder of the Notes is resident in a tax haven jurisdiction for Brazilian tax purposes (i.e., a country that does not impose any

income tax or that imposes it at a maximum rate lower than 20% or where the laws impose restrictions on the disclosure of ownership composition or securities ownership) (or in the case of a successor whose jurisdiction is not Brazil, the rate of withholding applicable to payments on the notes in the jurisdiction of the successor to a Guarantor on the date such successor replaces a Guarantor) (each of the rates in (i) and (ii), a “**Minimum Withholding Level**”), the Company or any successor to the Company may, at its option, redeem all, but not less than all, of the Notes, at a Redemption Price equal to 100.0% of their principal amount, together with accrued and unpaid interest to the Redemption Date, upon delivery of irrevocable notice of redemption to Holders not less than 30 days nor more than 90 days prior to the Redemption Date. No notice of such redemption may be given earlier than 90 days prior to the earliest date on which either (x) the Company or any successor to the Company would, but for such redemption, become obligated to pay any Additional Amounts above the Minimum Withholding Level, or (y) in the case of payments made under any of the Note Guaranties, the Guarantors or any successor to the Guarantors would, but for such redemption, be obligated to pay the Additional Amounts in excess of the Minimum Withholding Level. The Company or any successor to the Company shall not have the right to so redeem the Notes unless (a) it is obligated to pay Additional Amounts which in the aggregate amount exceed the Additional Amounts payable at the Minimum Withholding Level or (b) the Guarantors or any successor to the Guarantors is obliged to pay Additional Amounts which in the aggregate amount exceed the Additional Amounts payable at the Minimum Withholding Level. The Company or any successor to the Company shall not have the right to so redeem the Notes unless (a) it is obligated to pay additional amounts which in the aggregate amount exceed the additional amounts payable at the Minimum Withholding Level or (b) either Guarantor or any successor to the Guarantors is obliged to pay additional amounts which in the aggregate amount exceed the additional amounts payable at the Minimum Withholding Level. Notwithstanding the foregoing, the Company or any such successor to the Company shall not have the right to so redeem the Notes unless it has taken reasonable measures to avoid the obligation to pay Additional Amounts. For the avoidance of doubt, reasonable measures do not include changing the jurisdiction of incorporation of the Company or any successor to the Company or the jurisdiction of incorporation of the Guarantors or any successor to the Guarantors.

In the event that the Company or any successor to the Company elects to so redeem the Notes pursuant to this Section 3.01, it will deliver to the Trustee: (i) an Officers’ Certificate, signed in the name of the Company or any successor to the Company, stating that the Company or any successor to the Company is entitled to redeem the Notes pursuant to their terms and setting forth a statement of facts showing that the condition or conditions precedent to the right of the Company or any successor to the Company to so redeem have occurred or been satisfied; and (ii) an Opinion of Counsel to the effect that (1) the Company, or any successor to the Company, or the Guarantors, or any successor to the Guarantors, has or will become obligated to pay Additional Amounts in excess of the Additional Amounts payable at the Minimum Withholding Level, and (2) such obligation is the result of a change in or amendment to the laws (or any rules or regulations thereunder) of a Taxing Jurisdiction, or any amendment to or change in an official interpretation, administration or application of such laws, rules or regulations, as described above.

SECTION 3.02. *Applicability of Article.* Redemption of Notes at the option of the Company, as permitted by Section 3.01 or required by any provision of this Indenture, shall be

made in accordance with such provision and this Article 3. The redemption of Notes may require the prior approval of the Central Bank.

SECTION 3.03. *Election to Redeem; Notice to Trustee.* The election of the Company to redeem the Notes pursuant to Section 3.01(b) or Section 3.01(c) shall be evidenced by a Board Resolution. In case of any redemption of Notes at the election of the Company, the Company shall, at least 70 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee in writing of such Redemption Date.

SECTION 3.04. *Notice of Redemption by the Company.* In the case of redemption of Notes pursuant to Section 3.01(b) or Section 3.01(c), notice of redemption shall be given at least 30 but not more than 60 days, in the case of a redemption pursuant to Section 3.01(b), or 90 days, in the case of a redemption pursuant to Section 3.01(c) before the Redemption Date to each Holder of any Note to be redeemed in accordance with Section 11.02 and such notice shall be irrevocable.

The notice shall state:

- (i) the Redemption Date;
- (ii) the Redemption Price;
- (iii) the name and address of the Paying Agents;
- (iv) if less than all outstanding Notes are to be redeemed, the identification of the particular Notes (or portion thereof) to be redeemed, as well as the aggregate principal amount of Notes to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption;
- (v) in case any Note is to be redeemed in part only, the notice which relates to such Note shall state that on and after the Redemption Date, upon surrender of such Note, the Holder shall receive, without charge, a new Note or Notes of authorized denominations for the principal amount thereof remaining unredeemed;
- (vi) that Notes called for redemption must be surrendered to a Paying Agent to collect the Redemption Price;
- (vii) that, unless the Company defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;
- (viii) the Section and applicable paragraph of the Indenture for the related Notes pursuant to which the Notes called for redemption are being redeemed;
- (ix) the CUSIP or ISIN number, if any; and

(x) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes.

At the Company's election and at its request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense; *provided* that the Company shall deliver to the Trustee, at least 70 days prior to the Redemption Date (unless a shorter time shall be acceptable to the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

SECTION 3.05. *Deposit of Redemption Price.* By 10:00 A.M. New York City time, no later than one Business Day prior to the Redemption Date, the Company shall deposit with the Paying Agent money sufficient to pay the Redemption Price of and accrued and unpaid interest on the Notes other than Notes that have been delivered by the Company to the Trustee at least 15 days prior to the Redemption Date for cancellation. The Company shall request that the bank through which such payment is to be made agree to supply to the Paying Agent by 10:00 A.M. (New York time) two Business Days prior to the due date from any such payment an irrevocable confirmation (by facsimile) of its intention to make such payment.

SECTION 3.06. *Effect of Notice of Redemption.* Notice of redemption having been given as aforesaid, the Notes shall, on the Redemption Date, become due and payable at the applicable Redemption Price (together with accrued and unpaid interest, if any, to the Redemption Date), and from and after such date (except in the event of a Default in the payment of the Redemption Price and accrued and unpaid interest) such Notes shall cease to bear interest. Upon surrender of any such Note for redemption in accordance with such notice, such Note shall be paid by the Company at the Redemption Price, together with accrued and unpaid interest, if any, to the Redemption Date; *provided, however*, that installments of interest whose Payment Date is on or prior to the Redemption Date shall be payable to the Holders of such Notes registered as such at the close of business on the relevant Record Dates according to their terms.

If any Note to be redeemed shall not be so paid upon surrender thereof in accordance with the Company's instructions for redemption, the principal shall, until paid, bear interest from the Redemption Date at the rate borne by the Notes. Upon surrender to the Paying Agent, such Notes shall be paid at the applicable Redemption Price, plus accrued and unpaid interest to the Redemption Date; *provided, however*, that installments of interest payable on or prior to the Redemption Date shall be payable to the Holders of such Notes registered as such at the close of business on the relevant Record Date according to their terms.

SECTION 3.07. *Notes Redeemed in Part.* If less than all the Notes are to be redeemed, the Trustee shall select the Notes to be redeemed by lot or by any method as the Trustee shall deem fair and appropriate. Upon surrender of a Note that is redeemed in part, the Company shall execute and the Trustee shall authenticate for the Holder thereof (at the Company's expense) a new Note, equal in a principal amount to the unredeemed portion of the Note surrendered; *provided* that each new Note shall be in a principal amount of U.S.\$100,000 or an integral multiple of U.S.\$1,000 in excess thereof.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to redemption of Notes shall relate, in the case of any Note redeemed or to be redeemed only in part, to the portion of the principal amount of such Note which has been or is to be redeemed.

ARTICLE 4

COVENANTS

SECTION 4.01. *Payment of Principal and Interest Under the Notes.*

(a) The Company shall punctually pay the principal of and interest on the Notes on the dates and in the manner set forth herein and as provided in the Notes. By 10:00 a.m. (New York City time), no later than one Business Day prior to any Payment Date, the Company shall irrevocably deposit with the Trustee or with the Paying Agent money sufficient to pay such principal and interest.

(b) The Company shall pay interest on overdue principal or installments of interest, to the extent lawful, at the rate borne by the Notes plus 2% per annum.

(c) No interest shall be payable hereunder in excess of the maximum rate permitted by applicable law.

SECTION 4.02. *Maintenance of Office or Agency.* The Company shall maintain in each place of payment for the Notes an office or agency where Notes may be presented or surrendered for payment and where notices and demands to or upon the Company (other than the type contemplated in Section 11.10) in respect of the Notes and this Indenture may be served. The Corporate Trust Office of the Trustee shall be such office or agency of the Company, unless the Company shall designate and maintain some other office or agency for one or more of such purposes. The Company shall give prompt written notice to the Trustee of any change in the location of any such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

SECTION 4.03. *Money for Note Payments to Be Held in Trust.*

(a) If the Company shall at any time act as its own Paying Agent, it shall, no later than one Business Day prior to each Payment Date, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal and interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and shall promptly notify the Trustee of its action or failure so to act.

(b) Whenever the Company shall have one or more Paying Agents for the Notes, it shall, no later than one Business Day prior to each Payment Date, irrevocably deposit with a Paying Agent a sum sufficient to pay such principal and interest so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal or interest, and (unless

such Paying Agent is the Trustee) the Company shall promptly notify the Trustee in writing of such action or any failure so to act.

(c) Each Paying Agent, subject to the provisions of this Section 4.03, shall:

(i) hold all sums held by it for the payment of principal of or interest on Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as set forth herein; *provided, however*, such sums need not be segregated from other funds held by it, except as required by law;

(ii) give the Trustee written notice of any Default by the Company (or any other obligor upon the Notes) in the making of any payment of principal or interest; and

(iii) at any time during the continuance of any such Default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

(d) The Company shall cause each Paying Agent, other than the Trustee, to execute and deliver an instrument in which such Paying Agent shall agree with the Company to act as a Paying Agent in accordance with this Section 4.03.

(e) The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such sums.

(f) Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of principal of or interest on any Note and remaining unclaimed for two years after such principal or interest has become due and payable shall be paid to the Company at the written request of the Company, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, shall, upon written request of the Company and at the expense of the Company, cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in the Borough of Manhattan, The City of New York.

SECTION 4.04. *Maintenance of Corporate Existence.* Each of the Company and each Guarantor shall, and shall cause each of its respective Subsidiaries to, (i) maintain in effect its corporate existence and all registrations necessary therefor; *provided* that these restrictions shall not prohibit any transactions permitted by Article 5 or the merger of any Subsidiary with or into GLAI or with or into any other Wholly Owned Subsidiary of GLAI; (ii) take all reasonable actions to maintain all rights, privileges, titles to property, franchises and the like necessary in the normal conduct of its business, activities or operations; and (iii) maintain or cause to be

maintained in good repair, working order and condition (normal wear and tear excepted) all properties used in its business; *provided, however*, that neither GLAI nor its Subsidiaries shall be prevented from discontinuing those operations (including through the transfer or dissolution of a Subsidiary) or suspending the maintenance of those properties (including through the sale thereof) which, in the reasonable judgment of GLAI, are no longer necessary in the conduct of GLAI's business, or that of its Subsidiaries; and *provided, further*, that such discontinuation of operations or suspension of maintenance shall not be materially disadvantageous to the Holders of the Notes.

SECTION 4.05. *Payment of Taxes and Claims.* Each of the Company and each Guarantor shall, and shall cause each of its Subsidiaries to, pay all taxes, assessments and other governmental charges imposed upon it or any of its property or in respect of any of its franchises, businesses, income or profits before any penalty or interest accrues thereon, and pay all claims (including claims for labor, services, materials and supplies) for sums which have become due and payable and which by law have or might become a Lien upon its property; *provided, however*, that any such payment shall not be required unless the failure to make such payment would have a material adverse effect upon the financial condition of (i) the Company or (ii) GLAI and its Subsidiaries considered as one enterprise or a material adverse effect on the performance of the Company's or GLAI's obligations hereunder; and *provided, further*, that no such charge or claim need be paid while it is being contested in good faith by appropriate proceedings and if appropriate reserves or other provisions are maintained in respect of such amounts in accordance with IFRS.

SECTION 4.06. *Payment of Additional Amounts.* (a) All payments by the Company (or any Paying Agent) in respect of the Notes or the Guarantors (or any Paying Agent) in respect of the Note Guaranties will be made free and clear of, and without withholding or deduction for or on account of, any present or future taxes, duties, assessments, or other governmental charges of whatever nature imposed or levied by or on behalf of Brazil or Luxembourg, or any political subdivision or authority therein or thereof or any other jurisdiction in which the Company or any Guarantor is organized, doing business or otherwise subject to the power to tax (any of the aforementioned being a "**Taxing Jurisdiction**"), unless the Company or the Guarantors (or any Paying Agent) are compelled by law to deduct or withhold such taxes, duties, assessments, or governmental charges. In such event, the Company or the Guarantors (or any Paying Agent), as applicable, will make such deduction or withholding, and the Company or the Guarantors, as applicable, will make payment of the amount so withheld to the appropriate governmental authority and pay such additional amounts as may be necessary to ensure that the net amounts receivable by Holders of Notes after such withholding or deduction shall equal the respective amounts of principal (and premium, if any) and interest which would have been receivable in respect of the Notes in the absence of such withholding or deduction ("**Additional Amounts**"). Notwithstanding the foregoing, no such Additional Amounts shall be payable:

(i) to, or to a third party on behalf of, a Holder who is liable for such taxes, duties, assessments or governmental charges in respect of such Note by reason of the existence of any present or former connection between such Holder (or between a fiduciary, settlor, beneficiary, member or shareholder of such Holder, if such Holder is an estate, a trust, a partnership, or a corporation) and the relevant Taxing Jurisdiction, including, without limitation, such Holder (or such fiduciary, settlor, beneficiary, member

or shareholder) being or having been a citizen or resident thereof, being incorporated in, being or having been engaged in a trade or business or present therein or having, or having had, a permanent establishment therein, other than the mere holding of the Note or enforcement of rights under this Indenture and the receipt of payments with respect to the Note;

(ii) in respect of Notes surrendered or presented for payment (if surrender or presentment is required) more than 30 days after the Relevant Date except to the extent that payments under such Note would have been subject to withholdings and the Holder of such Note would have been entitled to such Additional Amounts, had the Note been surrendered for payment on the last day of such period of 30 days;

(iii) to, or to a third party on behalf of, a Holder who is liable for such taxes, duties, assessments or other governmental charges by reason of such Holder's failure to comply with any certification, identification, documentation or other reporting requirement concerning the nationality, residence, identity or connection with the relevant Taxing Jurisdiction of such Holder, if (1) compliance is required by law as a precondition to, exemption from, or reduction in the rate of, the tax, assessment or other governmental charge and (2) the Company has given the Holders at least 30 days' notice that Holders will be required to comply with such certification, identification, documentation or other reporting requirement;

(iv) in respect of any estate, inheritance, gift, sales, transfer, excise or personal property or similar tax, assessment or governmental charge;

(v) in respect of any tax, assessment or other governmental charge which is payable other than by deduction or withholding from payments of principal, premium (if any) or interest on the Note;

(vi) in respect of any tax imposed on overall net income or any branch profits tax;

(vii) in respect of any tax imposed pursuant to sections 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended (the "**Code**"), any successor law or regulation implementing or complying with, or introduced in order to conform to, such sections or any intergovernmental agreement in respect thereof or any agreement entered into pursuant to section 1471(b)(1) of the Code;

(viii) in respect of any tax imposed by Luxembourg by virtue of the Luxembourg law of 23 December 2005, as amended from time to time (the "**Relibi Law**"); or

(ix) in respect of any combination of the above.

(b) No Additional Amounts shall be paid with respect to any payment on a Note to a Holder who is a fiduciary, a partnership, a limited liability company or other than the sole beneficial owner of that payment to the extent that payment would be required by the relevant Taxing Jurisdiction to be included in the income, for tax purposes, of a beneficiary or settlor with

respect to the fiduciary, a member of that partnership or limited liability company or a beneficial owner who would not have been entitled to the Additional Amounts had that beneficiary, settlor, member or beneficial owner been the Holder.

(c) The Notes are subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation. Except as specifically provided above, neither the Company nor the Guarantors shall be required to make a payment with respect to any tax, assessment or governmental charge imposed by any government or a political subdivision or taxing authority thereof or therein.

(d) In the event that Additional Amounts actually paid with respect to the Notes are based on rates of deduction or withholding of withholding taxes in excess of the appropriate rate applicable to the Holder of such Notes, and, as a result thereof such Holder is entitled to make claim for a refund or credit of such excess from the authority imposing such withholding tax, then such Holder shall, by accepting such Notes, be deemed to have assigned and transferred all right, title, and interest to any such claim for a refund or credit of such excess to the Company. However, by making such assignment, the Holder makes no representation or warranty that the Company will be entitled to receive such claim for refund or credit and incurs no other obligation (including, for the avoidance of doubt, any filing or other action) with respect thereto.

(e) The Company and the Guarantors shall provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of taxes in respect of which the Company or the Guarantors, as applicable, have paid any Additional Amounts. Copies of such documentation shall be made available by the Trustee to the Holders or the Paying Agents, as applicable, upon written request therefor.

(f) The Company shall also pay any present or future stamp, issue, registration, court or documentary taxes or any excise or property taxes, charges or similar levies (including any penalties, interest and other liabilities relating thereto) which arise in any jurisdiction from the execution, delivery, registration, enforcement or the making of payments in respect of this Indenture, the Notes or the Note Guaranties, excluding any such taxes, charges or similar levies imposed by any jurisdiction that is not a Taxing Jurisdiction other than those resulting from, or required to be paid in connection with, the enforcement of the Notes following the occurrence of any Default or Event of Default.

(g) Any reference in this Indenture or the Notes to principal, interest or any other amount payable in respect of the Notes by the Company or any of the Note Guaranties by the Guarantors will be deemed also to refer to any Additional Amount, unless the context requires otherwise, that may be payable with respect to that amount under the obligations referred to in this Section.

(h) The obligations of the Company and the Guarantors pursuant to this Section 4.06 shall survive termination or discharge of this Indenture.

SECTION 4.07. *Reporting Requirements.* (a) The Company and the Guarantors shall provide the Trustee and the Collateral Agent (in the case of the reports referred to in clauses (iii) and (v) below) with the following reports (and shall also provide the Trustee with sufficient

copies, as required, of the following reports referred to in clauses (a)(i), (ii), (iii) and (iv) for distribution, at the Company's and the Guarantors' expense, to all Holders upon written request):

(i) an English language version of GLAI's annual audited consolidated financial information prepared in accordance with IFRS promptly upon such financial statements becoming available but not later than 120 days after the close of its fiscal year;

(ii) an English language version of GLAI's unaudited quarterly financial statements prepared in accordance with IAS 34 promptly upon such financial statements becoming available but not later than 60 days after the close of each fiscal quarter (other than the last fiscal quarter of its fiscal year);

(iii) on each Calculation Date and upon the date of delivery of any Additional Collateral, an Officers' Certificate (A) setting forth the LTV Ratio as of such Calculation Date or such other date, as the case may be, accompanied by a reasonably detailed calculation thereof and (B) stating whether a Default or an Event of Default exists on the date of such certificate and, if a Default or an Event of Default exists, setting forth the details thereof and the action which the Company and/or the Guarantors are taking or propose to take with respect thereto;

(iv) without duplication, English language versions or summaries of such other reports or notices as may be filed or submitted by (and promptly after filing or submission by) the Company or the Guarantors with (a) the CVM, (b) any stock exchange on which the Notes may be listed or (c) the SEC (in each case, to the extent that any such report or notice is generally available to its security holders or the public in Brazil or elsewhere and, in the case of clause (c), is filed or submitted pursuant to Rule 12g3-2(b) under, or Section 13 or 15(d) of, the Exchange Act, or otherwise); and

(v) upon any officer of the Company or either Guarantor becoming aware of the existence of a Default or an Event of Default, an Officers' Certificate setting forth the details thereof and the action which the Company and/or the Guarantors are taking or propose to take with respect thereto.

(b) Delivery to the Trustee and the Collateral Agent of the reports and information described herein is for informational purposes only and the Trustee's or Collateral Agent's receipt of such reports shall not constitute or actual constructive notice of any information contained therein or determinable from information contained therein, including the Company's or the Guarantors' compliance with any of their respective covenants in this Indenture (as to which the Trustee is entitled to rely exclusively on Officers' Certificates). The Trustee and the Collateral Agent are under no duty to examine any such reports, information or documents delivered to the Trustee or the Collateral Agent, respectively, to ensure compliance with the provisions of this Indenture or to ascertain the correctness or otherwise of the information or the statements contained therein. The Trustee is entitled to assume such compliance and correctness unless and to the extent a Responsible Officer of the Trustee is informed otherwise in an Officers' Certificate delivered to it pursuant to the terms of this Indenture.

SECTION 4.08. *Available Information.* For so long as any Notes remain outstanding, the Company shall make available to any Holder or beneficial owner of an interest in the Notes, or to any prospective purchasers designated by such noteholder or beneficial owner, upon request of such Holder or beneficial owner, the information required pursuant to Rule 144A(d)(4)(i), during any period in which we are not subject to Section 13 or 15(d) of the Exchange Act, or exempt under Rule 12g3-2(b) of the Exchange Act.

SECTION 4.09. *Limitation on Transactions with Affiliates.* Neither the Company nor the Guarantors will, nor will the Company or the Guarantors permit any of their respective Subsidiaries to, enter into or permit to exist any transaction (including the purchase, sale, lease or exchange of any property, employee compensation arrangements or the rendering of any service) with, or for the benefit of, any Affiliate of the Company or the Guarantors, other than themselves or any of their respective Subsidiaries (an “**Affiliate Transaction**”), unless the terms of the Affiliate Transaction are no less favorable to the Company or the Guarantors or such Subsidiaries than those that could be obtained at the time of the Affiliate Transaction in arm’s length dealings with a Person who is not an Affiliate.

SECTION 4.10. *Collateral.* (a) On the Issue Date, the Notes Obligations shall be secured, subject to Section 4.10(b) below, by a first priority Lien granted by the Guarantors in the Issue Date Collateral to the Secured Parties, represented by the Collateral Agent, pursuant to the terms of the following Collateral Documents to be entered into on the Issue Date:

(i) in respect of the Non-Rotable Spare Parts, the Non-Rotables Fiduciary Sale Agreement;

(ii) in respect of the Rotable Spare Parts, the Rotables Fiduciary Sale Agreement; and

(iii) in respect of the Pledged IP, the GLA Fiduciary Transfer of IP Rights and the GLAI Fiduciary Transfer of IP Rights.

(b) Each of GLA and GLAI shall take, or cause to be taken, all actions necessary, or requested by the Collateral Agent (acting in accordance, exclusively and strictly, with instructions provided by the Trustee as directed by the Required Holders), to maintain each of the Collateral Documents to which it is a party in full force and effect and enforceable in accordance with its terms and to maintain and preserve the Liens created by the Collateral Documents and the priority thereof. (d) Notwithstanding anything to the contrary contained in this Indenture, the Collateral Documents or in applicable law, neither the Trustee nor the Collateral Agent shall have any responsibility or liability, among other things as set forth in this Indenture or the Collateral Documents, for (1) acting or refraining from acting based on any unlawful, ambiguous or inaccurate instruction, notice, demand, notification or other document pursuant to this Indenture and the Collateral Documents; (2) any loss or claim resulting from any act or omission, directly or indirectly, conducted in good faith, except if otherwise determined in a final nonappealable decision by a court of competent jurisdiction that the Trustee or Collateral Agent, as applicable, failed to act in good faith and was grossly negligent; (3) any loss of profits, indirect, consequential, incidental, special, punitive or related losses and/or damages even if previously advised of the likelihood of such loss or damage; (4) preparing, recording or filing any financing or continuation statements or recording or filing any instrument in any public office or for otherwise ensuring the perfection or maintenance of any Lien granted pursuant to, or contemplated by, this Indenture and the Collateral Documents or the existence and enforceability of any insurance on the Collateral; (5) taking any necessary steps to preserve rights against any parties with respect to the Collateral; (6) taking any action to protect against any diminution in value of the Collateral; (7) errors in judgment made in good faith unless the Trustee was grossly negligent in ascertaining the pertinent facts; (8) the Company's and the Guarantors' compliance with any of the covenants set forth in this Indenture and the Collateral Documents, including but not limited to, covenants regarding the granting, perfection or maintenance of any Lien, (9) the market value of the Collateral or its sufficiency to satisfy in full payments due on the Notes Obligations; (10) the accuracy of any representation or warranty of the Company or Guarantor in this Indenture, the Collateral Documents or in any certificate, report, statement or other document referred to or provided for in, or received by the Trustee or the Collateral Agent or (11) the effectiveness, genuineness, sufficiency, legality, validity and enforceability of any lien, security interest, Collateral, this Indenture or the Collateral Documents or title, transfer or assignment of any Collateral.

SECTION 4.13. *Appraisals.* (a) The Company shall furnish to (A) the Collateral Agent on each Payment Date, (B) the Trustee and Collateral Agent at any time on which Additional Collateral comprising Asset Collateral is required to be delivered in connection with the issuance of any Additional Notes but then solely with respect to such Additional Collateral and (C) the Trustee, at such times upon the request of the Trustee, acting at the direction of the Required Holders, during the continuance of a Default or Event of Default, in each case, until release of the Collateral in accordance with Section 4.14, a certificate of an Independent Appraiser with respect to the Asset Collateral. The Company will make copies of any appraisals made by any Independent Appraiser available on a private, restricted website to which Holders, prospective investors, broker-dealers and securities analysts are given access. The certificates shall state the Independent Appraiser's opinion of the fair market value of the Asset Collateral, determined on the basis of a hypothetical sale negotiated in an arm's length free market transaction between a willing and able seller and a willing and able buyer, neither of whom is under undue pressure to complete the transaction, under then current market conditions (the "**Fair Market Value**").

(b) Each appraisal shall, in accordance with the Independent Appraiser's customary practice, determine the Fair Market Value by taking at least the following actions with respect to the Asset Collateral (including any Additional Collateral comprising Asset Collateral): (1) in respect of Collateral consisting of Spare Parts only, reviewing a parts inventory report prepared

as of the applicable valuation date; (2) reviewing the Independent Appraiser's internal value database for values applicable to the Asset Collateral; (3) in respect of Collateral consisting of Spare Parts only, developing a representative sampling of a reasonable number of the different Spare Parts included in the Asset Collateral for which a market check will be conducted; (4) checking other sources, such as manufacturers, other airlines, U.S. government procurement data and airline parts pooling price lists, for current market prices of the sample parts referred to in clause (3); (5) in respect of Collateral consisting of Spare Parts only, establishing an assumed ratio of serviceable Spare Parts to unserviceable Spare Parts as of the applicable valuation date based upon information provided by GLA and/or GLAI and the Independent Appraiser's limited physical review of such Asset Collateral referred to in the following clause (6); (6) in respect of Collateral consisting of Spare Parts only, visiting at least two locations selected by the Independent Appraiser where Asset Collateral is kept by GLA, provided that at least one such location will be one of the top three locations at which GLA keeps the largest number of Spare Parts comprising Asset Collateral; (7) in respect of Collateral consisting of Spare Parts only, conducting a limited review of the inventory reporting system applicable to such Spare Parts, including checking information reported in such system against information determined through physical inspection pursuant to the preceding clause (6); and (8) reviewing a sampling of the Spare Parts, Spare Engines and Aircraft documents (including tear-down reports).

(c) The Company is required to furnish to (A) the Collateral Agent on the second Payment Date occurring during each year and (B) the Trustee at such times upon the request of the Trustee, acting at the direction of the Required Holders, during the continuance of a Default or Event of Default, in each case, until release of the Collateral pursuant to Section 4.14, a certificate of an Independent Appraiser with respect to the Pledged IP and, if applicable, any Eligible IP Collateral.

SECTION 4.14. *Release of Collateral.* Subject to the terms of this Indenture, the Collateral Documents and, if applicable, the Intercreditor Agreement, the Company and the Guarantors shall be entitled to the release of the Collateral from the Liens securing the Notes Obligations under any one or more of the following circumstances:

- (i) in accordance with this Indenture, the Collateral Documents and, if applicable, the Intercreditor Agreement, if at any time the Collateral Agent (acting in accordance, exclusively and strictly, with instructions provided by the Trustee (acting at the direction of the Required Holders)), forecloses upon or otherwise exercises remedies against the Collateral resulting in the sale or disposition thereof;
- (ii) as described in Article 9;
- (iii) upon payment in full of the principal of, together with accrued and unpaid interest on, the Notes and all other Notes Obligations that are due and payable;
- (iv) upon a legal defeasance or covenant defeasance under this Indenture as described in Article 8; or

- (v) except with respect to any Pledged IP and (except in connection with a disposition of Spare Parts pursuant to Section 4.18(e) below) Spare Parts, at any time at the election of the Company;

in each case, so long as (A) no Default or Event of Default will exist immediately after such release and (B) the LTV Ratio, immediately after giving effect to such release, will not exceed the Trigger LTV Ratio;

provided, however, that, notwithstanding the foregoing, the Liens granted under the Collateral Documents shall terminate in respect of the Notes on the Maturity Date, unless through passage of time, acceleration or otherwise there exist Notes Obligations due and payable on that date, in which case the Liens in the Collateral shall terminate upon satisfaction of such Notes Obligations. As a consequence of the termination, the Collateral shall be automatically released.

SECTION 4.15. *LTV Ratio.*

(a) The Company and the Guarantors shall ensure that, on each Calculation Date, the LTV Ratio shall not be greater than the Trigger LTV Ratio.

(b) If the LTV Ratio is greater than the Trigger LTV Ratio as of any Calculation Date, the Company and the Guarantors shall:

- (i) within 15 Brazilian Business Days from such Calculation Date, enter into and deliver all documents and agreements required to grant a first-priority Lien in any Additional Collateral for the benefit of the Secured Parties in order that the LTV Ratio shall be restored to a level no greater than the Trigger LTV Ratio; and

- (ii) ensure that the first-priority Lien in such Additional Collateral shall be perfected on or prior to the date falling 30 Brazilian Business Days after such Calculation Date (such 15 Brazilian Business Day period, which will automatically be extended to 30 Brazilian Business Days if clause (i) above is complied with, the “**Cure Period**”).

(c) If:

- (i) the Company or the Guarantors fail to restore the LTV Ratio to a level no greater than the Trigger LTV Ratio on or prior to the expiry of the Cure Period in accordance with Section 4.15(b); and

- (ii) the LTV Ratio as of the Calculation Date immediately prior to the commencement of such Cure Period was less than or equal to 70%,

then the Company will pay additional interest on the Outstanding Notes in an amount equal to 2.00% per annum on the outstanding principal amount of the Notes commencing on such Calculation Date, and ending on the date on which the LTV Ratio is restored to a level not exceeding the Trigger LTV Ratio; *provided* that if, as of the next succeeding Calculation Date, the LTV Ratio is greater than the Trigger LTV Ratio, the

occurrence of such event on such Calculation Date shall constitute a failure by the Company to comply with its obligations under this Section 4.15(c).

(d) If:

(i) the Company or the Guarantors fail to restore the LTV Ratio to a level at least equal to or less than the Trigger LTV Ratio on or prior to the expiry of the Cure Period; and

(ii) the LTV Ratio was greater than 70% as of the Calculation Date immediately prior to the commencement of such Cure Period,

then, the occurrence of such an event shall, on the date of expiry of the Cure Period, constitute a failure by the Company to comply with its obligations under this Section 4.15(d).

SECTION 4.16. *Negative Pledge.* The Company and the Guarantors shall maintain the Collateral free of any Liens, other than Permitted Liens.

SECTION 4.17. *Maintenance of Asset Collateral.*

(i) establish or cause the establishment of a maintenance program for the Aircraft conforming in all material respects with the manufacturer's maintenance planning document and approved by the Brazilian Civil Aviation Authority (collectively, the "**Approved Maintenance Program**"), and ensure that all service, inspection, maintenance, modification, storage, repair and overhaul of the Aircraft is performed in accordance with such Approved Maintenance Program by GLA if so approved by the Brazilian Civil Aviation Authority or by a maintenance facility approved by the Brazilian Civil Aviation Authority (an "**Approved Maintenance Facility**"), *provided that* (A) manuals and technical records shall be kept in the English language and (B) the Company and the Guarantors shall provide a copy of the Approved Maintenance Program to the Trustee upon approval thereof by the Brazilian Civil Aviation Authority, if specifically requested by the Trustee (acting at the direction of the Required Holders), and shall advise the Trustee of any material subsequent changes to such Approved Maintenance Program by issuing revisions thereof approved by the Brazilian Civil Aviation Authority to the Trustee;

(ii) keep the Aircraft in good operating and serviceable condition and repair, and in such condition (including maintenance of the manuals and technical records) as necessary to enable all applicable airworthiness certifications of the Aircraft to be maintained in good standing at all times under the applicable laws except when the Aircraft is undergoing service, maintenance, modification, overhaul, testing or repairs as required or permitted hereunder.

(iii) maintain, inspect, service, store, repair, modify and overhaul the Aircraft: (A) to comply with all warranty requirements, (B) in accordance with the manufacturer's and engine manufacturer's repair manuals, (C) pursuant to the Approved Maintenance Program and (D) in a manner that does not discriminate against the Aircraft when compared to similar aircraft owned, operated or leased by GLA, without regard to its leased status;

(a) GLA may not sell, lease, transfer or relinquish possession of any pledged Spare Part or Spare Engine without the prior written consent of the Collateral Agent (acting in accordance, exclusively and strictly, with instructions provided by the Trustee, acting at the direction of the Required Holders), except as permitted by this Indenture, the Collateral Documents and, if applicable, the Intercreditor Agreement.

(d) So long as no Default or Event of Default shall have occurred and be continuing and subject to the terms of this Indenture, GLA may enter into a lease with respect to any Rotable Spare Part to any certificated air carrier that is not then subject to any bankruptcy, insolvency, liquidation, reorganization, dissolution or similar proceeding and shall not have substantially all of its property in the possession of any liquidator, trustee, receiver or similar person. In the case of any such lease, GLA will include, among other things, in such lease appropriate provisions which (i) make such lease expressly subject and subordinate to all of the terms of this Indenture, including the rights of the Holders in accordance with this Indenture and, if applicable, together with the holders of any Additional Pari Passu Obligations, to avoid such lease in the exercise of its rights to repossession of the Spare Parts thereunder and the requirement that GLA shall remain primarily liable for, among other things, the performance and observance of all terms of this Indenture; (ii) require the lessee to comply with the insurance requirements of this Indenture; (iii) require the lessee to effect all registrations necessary in whatever jurisdiction to perfect and protect the Secured Parties' rights in the Collateral and (iv) require that the Spare Parts subject thereto be used in accordance with the limitations applicable to GLA's use and possession of such Spare Parts provided in this Indenture, the Collateral Documents and, if applicable, the Intercreditor Agreement.

(b) GLA shall also maintain third party liability insurance with respect to the Asset Collateral in an amount and scope as it customarily maintains for equipment similar to the Asset Collateral and with insurers of nationally or internationally recognized responsibility. SECTION 5.01. *Limitation on Consolidation, Merger or Transfer of Assets.* Neither the Company nor the Guarantors shall consolidate with or merge with or into, or sell, convey, transfer or dispose of, or lease all or substantially all of its assets as an entirety or substantially as an entirety, in one transaction or a series of related transactions, to, any Person, unless:

(i) the resulting, surviving or transferee Person (if not the Company or a Guarantor) shall be a Person organized and existing under the laws of Brazil, the United States of America, any State thereof or the District of Columbia, or any other country (or political subdivision thereof) that is a member country of the European Union or of the Organization for Economic Co-operation and Development on the date of this Indenture, and such Person expressly assumes, by an indenture supplemental to this Indenture, executed and delivered to the Trustee, all the obligations of the Company or the Guarantors under this Indenture and the Notes and the Note Guaranties;

(ii) the resulting, surviving or transferee Person (if not the Company or a Guarantor), if organized and existing under the laws of a jurisdiction other than Brazil or Luxembourg, as applicable, undertakes, in such supplemental indenture, (x) to pay such Additional Amounts in respect of principal (and premium, if any) and interest as may be necessary in order that every net payment made in respect of the Notes and any Note Guaranty after deduction or withholding for or on account of any present or future tax, duty, assessment or other governmental charge imposed by such other country or any political subdivision or taxing authority thereof or therein shall not be less than the amount of principal (and premium, if any) and interest then due and payable on the Notes and the Note Guaranties subject to the same exceptions set forth under Section 4.06 and (y) that the provisions set forth in Section 3.01(c) shall apply to such Person, but in both cases, replacing existing references in such Sections to Brazil or Luxembourg, as applicable, or to the Taxing Jurisdiction with references to the jurisdiction of organization of the resulting, surviving or transferee Person as the case may be;

(iii) immediately prior to such transaction and immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing; and

(iv) the Company or the Guarantors shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture, if any, comply with this Indenture.

The Trustee shall accept such Officers' Certificate and Opinion of Counsel as sufficient evidence of the satisfaction of the conditions precedent set forth in this Section 5.01, in which event it shall be conclusive and binding on the Holders.

Subject to Section 5.01(ii) above and notwithstanding anything else to the contrary contained in the foregoing, any of the Guarantors may consolidate with or merge with the Company or any Subsidiary that becomes a Guarantor concurrently with the relevant transaction.

SECTION 5.02. *Successor Substituted.* Upon any consolidation or merger, or any sale, assignment, conveyance, transfer, lease or disposition of all or substantially all of the properties and assets of the Company or any of the Guarantors in accordance with Section 5.01 in which the Company or any of the Guarantors is not the continuing obligor or Guarantor, as the case may be, under this Indenture, the surviving or transferor Person shall succeed to, and be substituted for, and may exercise every right and power of, the Company or any of the Guarantors, as the case may be, under this Indenture with the same effect as if such successor had been named as the Company or a Guarantor therein. When a successor assumes all the obligations of its predecessor under this Indenture, the Notes and the Note Guaranties, the predecessor shall be released from those obligations; *provided* that in the case of a transfer by lease, the predecessor shall not be released from the payment of principal and interest on the Notes.

SECTION 5.03. *Substitution of the Company.* (a) Notwithstanding any other provision contained in this Indenture, the Company may, without the consent of the Holders (and by purchasing or subscribing for any Notes, each Holder expressly consents to it), be replaced and substituted by (x) GLAI or (y) any Wholly Owned Subsidiary of GLAI as principal debtor (in such capacity, the "**Substituted Debtor**") in respect of the Notes; *provided* that:

(i) such documents shall be executed by the Substituted Debtor, the Company, GLAI and the Trustee as may be necessary to give full effect to the substitution, including a supplemental indenture whereby the Substituted Debtor assumes all the Company's obligations under this Indenture (together, the "**Company Substitution Documents**") and (without limiting the generality of the foregoing) pursuant to which the Substituted Debtor shall undertake in favor of each Secured Party to be bound by the terms and conditions of the Notes and the provisions of this Indenture as fully as if the Substituted Debtor had been named in the Notes and this Indenture as the principal debtor in respect of the Notes in place of the Company (or any previous substitute), and the covenants of GLAI (in the case the Company is substituted by GLAI), the covenants of the Company (in the case the Company is substituted by a Wholly Owned Subsidiary of GLAI), Events of Default and other relevant provisions shall continue to apply to the Company in respect of the Notes as if no such substitution had occurred, it being the intent that the rights of Noteholders in respect of the Notes shall be unaffected by such substitution, subject to clause (b) below;

(ii) without prejudice to the generality of the preceding paragraph, the Company Substitution Documents shall contain (x) a covenant by the Substituted Debtor and/or such other provisions as may be necessary to ensure that each Holder has the benefit of a covenant in terms corresponding to the obligation of the Company in respect of the payment of Additional Amounts set forth in Section 4.06, with the substitution for

the references to Brazil or Luxembourg, as applicable, of references to the territory in which the Substituted Debtor is incorporated, domiciled and/or resident for taxation purposes; *provided* that the Substituted Debtor is incorporated, domiciled or resident for taxation purposes in a territory other than Brazil or Luxembourg, as applicable, and (y) a covenant by the Substituted Debtor and the Company to indemnify and hold harmless each Secured Party against all taxes or duties which arise by reason of a law or regulation having legal effect or being in reasonable contemplation thereof on the date such substitution becomes effective, which may be incurred or levied against each Secured Party as a result of any substitution pursuant to the conditions set forth in this Section 5.03 and which would not have been so incurred or levied had such substitution not been made (and, without limiting the foregoing, any and all taxes or duties which are imposed on any such Holder by any political subdivision or taxing authority of any country in which such Holder resides or is subject to any such tax or duty and which would not have been so imposed had such substitution not been made);

(iii) each stock exchange which has the Notes listed thereon, if any, shall have confirmed in writing that following the proposed substitution of the Substituted Debtor the Notes would continue to be listed on such stock exchange, or if such confirmation is not received or such continued listing is impracticable or unduly burdensome, the Company or GLAI may de-list the Notes from such exchange on which the Notes are listed; and, in the event of any such de-listing, GLAI shall use commercially reasonable efforts to obtain an alternative admission to listing, trading and/or quotation of the Notes by another listing authority, exchange or system within or outside the European Union as it may reasonably decide; *provided* that if such alternative admission is not available or is, in the Company and GLAI's reasonable opinion, unduly burdensome, the Company and GLAI shall have no further obligation in respect of any listing of the Notes;

(iv) the Company shall have delivered, or procured the delivery to the Trustee of, an Opinion of Counsel addressed to the Company, the Substituted Debtor and the Trustee from a leading firm of lawyers in the country of incorporation of the Substituted Debtor, to the effect that the Company Substitution Documents constitute legal, valid and binding obligations of the Substituted Debtor and have been duly authorized executed and delivered by the Substituted Debtor, such opinion(s) to be dated as of the date the Company Substitution Documents are executed;

(v) the Company shall have delivered, or procured the delivery to the Trustee of, an Opinion of Counsel addressed to the Company, the Substituted Debtor and the Trustee from a leading firm of Luxembourg or Brazilian lawyers acting for the Company and GLAI, as the case may be, to the effect that the Company Substitution Documents have been duly authorized, executed and delivered by the Company and that they constitute legal, valid and binding obligations of the Company, such opinion to be dated as of the date the Company Substitution Documents are executed;

(vi) the Company shall have delivered, or procured the delivery to the Trustee of, an Opinion of Counsel addressed to the Company, the Substituted Debtor and the Trustee from a leading firm of New York lawyers to the effect that the Company Substitution Documents constitute legal, valid and binding obligations of the parties

thereto under New York law, such opinion to be dated as of the date the Company Substitution Documents are executed;

(vii) the Substituted Debtor shall have appointed a process agent in the Borough of Manhattan, The City of New York to receive service of process on its behalf in relation to any legal action or proceedings arising out of or in connection with this Indenture, the Notes or the Company Substitution Documents;

(viii) there is no outstanding Default or Event of Default in respect of the Notes;

(ix) the substitution complies with all applicable requirements established under the laws of Brazil, or Luxembourg, as the case may be;

(x) the substitution shall not result in the Secured Parties failing to maintain a first-priority perfected Lien in the Collateral and shall not otherwise impair or adversely impact the Collateral or the rights of any of the Secured Parties therein or impose any transfer restrictions on any Collateral or hinder or delay any foreclosure on the Collateral or otherwise impair the Collateral Agent's ability to sell or otherwise realize against the Collateral; and

(xi) each of the Substituted Debtor, GLAI and the Company shall deliver to the Trustee an Officers' Certificate, executed by their respective authorized officers, certifying that the terms of this section have been complied with and attaching copies of all documents contemplated herein.

(b) Upon the execution of the Company Substitution Documents and the satisfaction of the conditions referred to in Section 5.03(a) above, the Substituted Debtor shall be deemed to be named in the Notes as the principal debtor in place of the Company (or of any previous substitute under these provisions) and the Notes shall thereupon be deemed to be amended to give effect to the substitution. Except as set forth above, the execution of the Company Substitution Documents shall operate to release the Company (or such previous substitute as aforesaid) from all its obligations in respect of the Notes.

(c) The Company Substitution Documents shall be deposited with and held by the Trustee for so long as any Note remains Outstanding and for so long as any claim made prior to the Maturity Date against the Substituted Debtor or the Company by any Noteholder in relation to the Notes or the Company Substitution Documents shall not have been finally adjudicated, settled or discharged. The Substituted Debtor, GLAI and the Company shall acknowledge in the Company Substitution Documents the right of every Noteholder to the production of the Company Substitution Documents for the enforcement of any of the Notes or the Company Substitution Documents.

(d) Not later than 10 Business Days after the execution of the Company Substitution Documents, the Substituted Debtor shall give notice thereof to the Noteholders in accordance with the provisions described under Section 11.02.

(h) one or more final non-appealable judgments or decrees for the payment of money of U.S.\$50,000,000 (or the equivalent thereof at the time of determination) or more in the aggregate are rendered against any of the Company, the Guarantors or any Significant Subsidiary and are not paid (whether in full or in installments in accordance with the terms of the judgment) or otherwise discharged and, in the case of each such judgment or decree, either (i) an enforcement proceeding has been commenced by any creditor upon such judgment or decree and is not dismissed within 30 days following commencement of such enforcement proceedings or (ii) there is a period of 60 days following such judgment during which such judgment or decree is not discharged, waived or the execution thereof stayed;

(l) (A) an “Event of Default” occurs under any credit agreement, indenture or similar agreement or instrument evidencing any Additional Pari Passu Obligations or (B) any enforcement action is taken in respect of the Collateral, including the taking of any steps to foreclose, enforce or require the foreclosure or enforcement against any of the Collateral or otherwise exercise any rights or remedies with respect to the Collateral in accordance with any of the Collateral Documents and, if applicable, the Intercreditor Agreement;

A Default under clause (e) of this Section 6.01 shall not constitute an Event of Default until the Trustee or the Holders of at least 25% in principal amount of the Outstanding Notes, as the case may be, notify the Company and the Guarantors of the Default and the Company and the Guarantors, as the case may be, do not cure such Default within the time specified after receipt of such notice.

Notwithstanding anything contained herein to the contrary, the Trustee is not to be charged with knowledge of any Default or Event of Default or knowledge of any cure of any Default or Event of Default unless a Responsible Officer of the Trustee with direct responsibility for this Indenture has received written notice of such Default or Event of Default from the Company, the Guarantors or any Holder and such notice references this Indenture, the Notes and Default or Event of Default.

SECTION 6.02. *Acceleration of Maturity, Rescission and Amendment.* If an Event of Default (other than an Event of Default specified in Section 6.01(i), 6.01(j), 6.01(k) or 6.01(l)(B)) occurs and is continuing, the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Notes may declare all unpaid principal of and accrued and unpaid interest on all Notes to be due and payable immediately, by a notice in writing to the Company and the Trustee and upon any such declaration such amounts shall become due and payable immediately. If an Event of Default specified in Section 6.01(i), 6.01(j), 6.01(k) or 6.01(l)(B) occurs and is continuing, then the principal of and accrued and unpaid interest on all Notes shall become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

At any time after a declaration of acceleration has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter provided in this Article, the Holders of a majority in principal amount of the Outstanding Notes by written notice to the Company and the Trustee may rescind or annul such declaration if:

(i) the Company has paid or deposited with the Trustee a sum sufficient to pay (A) all overdue interest on Outstanding Notes, (B) all unpaid principal of the Notes that has become due otherwise than by such declaration of acceleration, (C) to the extent that payment of such interest on the Notes is lawful, interest on such overdue interest (including any Additional Amounts) as provided herein and (D) all sums paid or advanced by the Trustee, the Agents and the Collateral Agent hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, the Agents, the Collateral Agent and their agents and counsel; and

(ii) all Events of Default have been cured or waived as provided in Section 6.13 other than the nonpayment of principal that has become due solely because of acceleration.

No such rescission shall affect any subsequent Default or Event of Default or impair any right consequent thereto.

SECTION 6.03. *Collection Suit by Trustee.* If an Event of Default specified in Section 6.01(a) or Section 6.01(b) occurs, the Trustee, in its own name as trustee of an express trust, (i) may institute a judicial proceeding for the collection of the whole amount then due and payable on such Notes for principal and interest (including Additional Amounts), and interest on any overdue principal and, to the extent that payment of such interest (including Additional Amounts) shall be legally enforceable, upon any overdue installment of interest (including Additional Amounts), at the rate borne by the Notes, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, the Collateral Agent and their respective agents and counsel, (ii) may prosecute such proceeding to judgment or final decree and (iii) may enforce the same against the Company or any other obligor upon the Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Notes, wherever situated.

If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders by any available proceeding at law or in equity, whether for the specific enforcement of any covenant or agreement in this Indenture, the Collateral Documents or, if applicable, the Intercreditor Agreement or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 6.04. *Other Remedies.* If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest (including Additional Amounts) on the Notes or to enforce the performance of any provision of this Indenture, the Notes, the Collateral Documents or, if applicable, the Intercreditor Agreement. Notwithstanding anything to the contrary contained herein, under any Collateral Document or in any other agreement, with respect to the exercise of any rights or remedies of any of the Holders under any of the terms of such agreements, the Trustee, during a Default or an Event of Default, shall not be obligated to act unless directed by the Required Holders. During an Event of Default, the Trustee may (but shall not be obligated to, and shall have no duty to) take such action, or refrain from taking such action, in order to exercise any of the rights or remedies of the Holders absent such direction.

SECTION 6.05. *Trustee May Enforce Claims Without Possession of Notes.* All rights of action and claims under this Indenture, the Notes, the Collateral Documents or, if applicable, the Intercreditor Agreement may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name and as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, the Collateral

Agent and their respective agents and counsel, be for the ratable benefit of the Secured Parties in respect of which such judgment has been recovered.

SECTION 6.06. *Application of Money Collected.* Subject to the proviso set forth below, any money collected by the Trustee and/or the Collateral Agent pursuant to this Article 6 or the Collateral Documents shall be applied in order set forth below:

FIRST, on a pro rata basis, to the payment of all costs (including out-of-pocket costs), expenses (including attorneys' fees), charges, liabilities, indemnities, fees and other amounts due to the Collateral Agent, the Trustee and the Agents and any other agent or attorney appointed hereby or under the Collateral Documents, in the case of each of the foregoing, solely in their respective capacity as the Collateral Agent, the Trustee, an Agent or other agent, as applicable (including, costs and expenses incurred in connection with any realization or enforcement of the Collateral taken in accordance with the terms of this Indenture or any Collateral Document);

SECOND, on a pro rata basis, to the payment in full to the Holders of all amounts due and unpaid on the Notes for principal and interest ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest; provided, that, the proceeds shall be applied (i) first, to the Holders for amounts due and payable on the Notes for all interest ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for interest and (ii) second, any remaining amounts to the Holders for amounts due and payable on the Notes for principal ratably, without preference or priority of any kind, according to the principal amount due and payable on the Notes;

THIRD, on a pro rata basis, to the payment of all costs (including out-of-pocket costs), expenses, charges, liabilities, indemnities, fees and other amounts due to Collateral Agent, the Trustee, the Agents and the other Secured Parties (to the extent not paid (x) at priority "first" to the Collateral Agent, the Trustee and the Agents or (y) at priority "second" to the other Secured Parties); and

FOURTH, the balance, if any, after all of the Notes Obligations have been paid in full in cash, to the Company and its successors or assigns, or as a court of competent jurisdiction may otherwise direct;

provided that, upon the execution of the Intercreditor Agreement, any money collected by the Trustee or the Collateral Agent shall be applied in accordance with the application of proceeds set forth in the Intercreditor Agreement and this Section 6.06 shall be disregarded.

The Trustee may fix a record date and Payment Date for any payment to Holders pursuant to this Section 6.06. At least 15 days before such record date, the Trustee shall give to each Holder and the Company a notice that states the record date, the Payment Date and amount to be paid.

SECTION 6.07. *Limitation on Suits.* A Holder may not pursue any remedy with respect to this Indenture, the Notes, the Collateral Documents or, if applicable, the Intercreditor Agreement unless:

- (i) the Holder has previously given to the Trustee written notice stating that an Event of Default has occurred and is continuing;
- (ii) the Holders of at least 25% in principal amount of the Outstanding Notes have made a written request to the Trustee to pursue the remedy in respect of such Event of Default;
- (iii) such Holder or Holders has offered and provided to the Trustee and the Collateral Agent security or indemnity reasonably satisfactory to the Trustee and the Collateral Agent against any cost, loss, liability or expense to be incurred in compliance with such request;
- (iv) the Trustee and the Collateral Agent does not comply with the request within 60 days after receipt of the request and the offer and provision of security or indemnity; and
- (v) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Notes.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

SECTION 6.08. *Contractual Rights of Holders to Receive Principal and Interest.* Notwithstanding any other provision of this Indenture, the Collateral Documents or, if applicable, the Intercreditor Agreement, each Holder shall have the right pursuant to this Section 6.08 to bring suit for the payment of principal of, and interest on its Note, on or after the respective due dates expressed or provided for in such Note.

SECTION 6.09. *Restoration of Rights and Remedies.* If the Trustee, the Collateral Agent or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture, the Collateral Documents or, if applicable, the Intercreditor Agreement and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee, the Collateral Agent or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Guarantors, the Trustee, the Collateral Agent and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee, the Collateral Agent and the Holders shall continue as though no such proceeding had been instituted.

SECTION 6.10. *Trustee May File Proofs of Claim.* The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee hereunder) and the Holders allowed in any judicial proceedings relative to the Company or the Guarantors, their respective creditors or their respective properties and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the

event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee and the Collateral Agent any amount due to them for the reasonable compensation, expenses, disbursements and advances of the Trustee, the Collateral Agent and their respective agents and counsel, and any other amounts due to the Trustee and the Collateral Agent under Section 7.06 and Section 12.04. Nothing herein shall be deemed to authorize the Trustee or the Collateral Agent to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee or the Collateral Agent to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.11. *Delay or Omission Not Waiver.* No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12. *Control by Holders.* Except as otherwise provided in the Intercreditor Agreement (if applicable), the Holders of a majority in principal amount of the Outstanding Notes (“**Required Holders**”) may direct in writing the time, method and place of conducting any proceeding for any remedy available to the Trustee or the Collateral Agent or of exercising any power conferred on the Trustee or the Collateral Agent. However, the Trustee or the Collateral Agent shall be under no obligation to exercise any of the rights or powers under this Indenture, the Collateral Documents or, if applicable, the Intercreditor Agreement at the request or direction of the Holders if such request or direction conflicts with any law or with this Indenture, the Collateral Documents or, if applicable, the Intercreditor Agreement, as the case may be, or if the Trustee determines it is unduly prejudicial to the rights of other Holders (it being understood that the Trustee shall have no duty to ascertain whether or not such actions or forbearance are unduly prejudicial to such Holders) or would involve the Trustee or the Collateral Agent in personal liability or expense; *provided, however*, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such request or direction. Prior to taking any action under this Indenture, the Collateral Documents or, if applicable, the Intercreditor Agreement, each of the Trustee and the Collateral Agent shall be entitled to indemnification satisfactory to it in its sole discretion against all costs, losses, liabilities and expenses that might be caused by taking or not taking such action.

SECTION 6.13. *Waiver of Past Defaults and Events of Default.* The Holders of a majority in principal amount of the Outstanding Notes by written notice to the Trustee may waive an existing Default or Event of Default and its consequences except (i) a Default or Event of Default in the payment of the principal of or interest on a Note or (ii) a Default or Event of Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder affected. When a Default or Event of Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any consequent right.

SECTION 6.14. *Rights and Remedies Cumulative.* Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section

2.08, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.15. *Waiver of Stay or Extension Laws.* The Company and the Guarantors covenant (to the extent that it may lawfully do so) that they shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture, the Notes, the Collateral Documents or, if applicable, the Intercreditor Agreement; and the Company and the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee or to the Collateral Agent, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 7

TRUSTEE AND AGENTS

SECTION 7.01. *Duties of Trustee and Agents.* (a) If an Event of Default has occurred and is continuing and a Responsible Officer has written notice thereof, the Trustee shall, prior to the receipt of directions, if any, from the Holders of Required Holders, or such other percentage as permitted by this Indenture, exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default in the case of the Trustee only, (i) the Trustee and each Agent undertake to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee or any Agent; and (ii) in the absence of bad faith on the part of the Trustee or any Agent, the Trustee or such Agent, as the case may be, may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee or such Agent, as the case may be, and conforming to the requirements of this Indenture. However, in the case of any certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee or any Agent, the Trustee or such Agent, as the case may be, shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of the mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own gross negligence or willful misconduct, except that:

(i) this Section 7.01(c) does not limit the effect of Section 7.01(b);

(ii) neither the Trustee nor any Agent shall be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Trustee or such Agent, as the case may be, was grossly negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with the direction of the Holders pursuant to Section 6.07 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon it under this Indenture.

(d) Neither the Trustee nor any Agent shall be liable for interest on any money received by it except as each may agree in writing with the Company.

(e) Money held in trust by the Trustee or any Agent need not be segregated from other funds except to the extent required by law.

(f) No provision of this Indenture shall require the Trustee or any Agent to expend or risk its own funds or otherwise incur personal or financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds and/or adequate indemnity against such risk or liability is not satisfactorily assured to it.

SECTION 7.02. *Rights of Trustee.* (a) The Trustee and each Agent may rely upon, and shall be protected in acting or refraining from acting based upon, any document (whether in its original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper Person. Neither the Trustee nor any Agent need investigate any fact or matter stated in any such document.

(b) Before the Trustee or any Agent acts or refrains from acting, it may require an Officers' Certificate, the written advice of a qualified expert or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate, the qualified expert's written advice or Opinion of Counsel.

(c) The Trustee or any Agent may act through agents and shall not be responsible for the willful misconduct or negligence of any agent appointed with due care.

(d) Any request, direction, order or demand of any of the Company or any Guarantor mentioned herein shall be sufficiently evidenced by an Officers' Certificate of the Company or such Guarantor, as applicable (unless other evidence in respect thereof be herein specifically prescribed); and any Board Resolution may be evidenced to the Trustee or any Agent by copies thereof certified by the Secretary or an Assistant Secretary (or equivalent officer) of the Company or such Guarantor, as applicable.

(e) Neither the Trustee nor any Agent shall be under an obligation to exercise any of the trusts or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee or such Agent security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities that might be incurred thereby.

(f) Neither the Trustee nor any Agent shall be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; *provided* that the conduct of the Trustee or any such Agent does not constitute willful misconduct, gross negligence as determined in a final nonappealable decision by a court of competent jurisdiction.

(g) Each of the Trustee and any Agent may consult with counsel, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(h) Neither the Trustee nor any Agent shall be bound to make any investigation into, and may conclusively rely upon, the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document unless, in the case of the Trustee, requested in writing by the Holders of not less than a majority in aggregate principal amount of the Outstanding Notes; *provided* that if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not satisfactorily assured to the Trustee, the Trustee may require from the Holders indemnity or security satisfactory to the Trustee against such expenses or liabilities as a condition to proceeding. The reasonable expenses of every such investigation shall be paid by the Company and any related fees, costs or expense of the Trustee, shall be reimbursed by the Company upon demand.

(i) Neither the Trustee nor any Paying Agent shall be required to invest, or shall be under any liability for interest, on any moneys at any time received by it pursuant to any of the provisions of this Indenture or the Notes except as the Trustee or any Paying Agent may otherwise agree with the Company.

(j) In no event shall the Trustee or any Agent be liable for special, indirect, consequential or punitive loss or damage of any kind whatsoever (including, but not limited to, lost profits), even if the Trustee or such Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

(k) The permissive rights of the Trustee and the Agents enumerated herein shall not be construed as duties of the Trustee or any Agent.

(l) The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“**Instructions**”) given pursuant to this Indenture and delivered using Electronic Means; *provided*, however, that the Company shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions (“**Authorized Officers**”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Company whenever a person is to be added or deleted from the listing. If the Company elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s understanding of such Instructions shall be deemed controlling. The Company understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and

that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Company shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Company and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Company. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Company agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Company; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

(m) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder and under any Collateral Document, each Agent, and each agent, custodian and other Person employed to act hereunder or any of the Collateral Documents.

(n) The Trustee may at any time request, and the Company and the Guarantors shall, deliver an Incumbency Certificate setting forth the specimen signatures and the names of individuals and/or titles of Officers authorized at such time to take specified actions pursuant to this Indenture, which Incumbency Certificate may be signed by any Person authorized to sign an Officers' Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(o) To the extent that the consent or authorization of the Central Bank or any other Brazilian regulatory authority is required for performance by any of the Company or the Guarantors under the Notes, the respective Note Guaranty, the Collateral Documents or this Indenture, none of the Trustee, the Collateral Agent, or any Agent shall have any duty or obligation to determine whether such approval, consent or authorization is required or any duty or obligation to obtain such consent. The Company shall notify the Trustee, the Collateral Agent and the Agents in writing if the approval, consent or authorization of the Central Bank or such other regulatory authority, as applicable, is required for performance by any of the Company or the Guarantors under the Notes, the respective Note Guaranty, the Collateral Documents or this Indenture and whether or not such consent has been obtained by the Company.

(p) To the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(q) The Trustee shall not be under any obligation to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Indenture of the Company or Guarantors or any Collateral Document, or to inspect the properties, books or records of the Company or any other Person.

(r) The Trustee shall accept without investigation, requisition or objection such right and title as the Company, or its affiliates, may have to any of the Collateral and shall not be bound or concerned to examine or enquire into or be liable for any defect or failure in the right or title of the Company, or its affiliates, to the Collateral or any part thereof, whether such defect or failure was known to the Trustee or might have been discovered upon examination or enquiry and whether capable of remedy or not, and shall have no responsibility for the validity, value or sufficiency of the Collateral.

(s) The Trustee is not assuming any obligation under any agreement it is not a party to. No action by the Trustee shall be interpreted as being an agreement to assume, or an assumption of, any obligation under any such other agreement.

(t) Without limiting actions to be taken in accordance with the written direction of the Required Holders during an Event of Default, by directing the Collateral Agent to take action, the Trustee shall have no duty or obligation to take any enforcement action outside of the United States.

(u) The Trustee shall not be under any duty to take any discretionary action permitted to be taken by it pursuant to the provisions of this Indenture with respect to the Collateral unless it shall be requested in writing to do so by the Required Holders.

(v) In connection with any enforcement of Collateral, the Trustee is not responsible for:

(i) any failure of the Collateral Agent or any other Person to enforce such Collateral within a reasonable time or at all;

(ii) any failure of the Collateral Agent or any other Person to pay over the proceeds of enforcement of the Collateral;

(iii) any failure of the Collateral Agent or any other Person to realize such Collateral for the best price obtainable;

(iv) monitoring activities of the Collateral Agent or any other Person in relation to such enforcement;

(v) taking any enforcement action itself in relation to the Collateral; or

(vi) paying any fees, costs or expenses of the Collateral Agent or any other Person.

SECTION 7.03. *Individual Rights of Trustee.* The Trustee and any Agent, or any other agent of the Company or of the Trustee, in its individual or any other capacity, may become the

owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee, Agent, or such other agent.

SECTION 7.04. *Trustee's Disclaimer.* Neither the Trustee nor any Agent shall be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes, and it shall not be responsible for any statement in the Private Placement Memorandum, this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than, with respect to the Trustee, the Trustee's certificate of authentication.

SECTION 7.05. *Notice of Defaults and Events of Default.* If a Default or Event of Default occurs and is continuing, and if it is known to the Responsible Officer, the Trustee shall give notice to each Holder in accordance with Section 11.02 of the Default or Event of Default within 90 days after a Responsible Officer acquires actual knowledge of such Default or Event of Default. Except in the case of a Default or Event of Default in payment of principal of or interest on any Note, the Trustee may withhold the notice and shall be protected from withholding the notice if and so long as a committee of its Responsible Officers of the Trustee in good faith determines that withholding the notice is in the interests of Holders. For all purposes of this Indenture and the Notes, the Trustee shall not be deemed to have knowledge of a Default or Event of Default or knowledge of any cure of a Default or Event of Default unless a Responsible Officer of the Trustee with direct responsibility for this Indenture has received a written notice of such Default or Event of Default from the Company, the Guarantors or any Holder.

SECTION 7.06. *Compensation and Indemnity.* The Company agrees to pay to the Trustee and each Agent from time to time such compensation as shall be agreed upon in writing for its services. The Trustee's compensation shall not be limited by any law regarding compensation of a trustee of an express trust. The Company agrees to advance/reimburse promptly the Trustee and each Agent upon request for all reasonable out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's and each Agent's agents, counsel, accountants and experts. Payments of any such expenses by the Company to the Trustee or any Agent, as the case may be, shall be made free and clear of and without withholding or deduction for or on account of any present or future taxes, duties, assessments, fees or other governmental charges of whatever nature (and any fines, penalties or interest related thereto) imposed or levied by or on behalf of Brazil, Luxembourg or any political subdivision or authority thereof or therein having power to tax or any other jurisdiction in which the Company or any of the Guarantors is organized, doing business or otherwise subject to the power to tax, unless such withholding or deduction is required by law. In that event, the Company shall pay to the Trustee or Agent, as the case may be, such additional amounts as may be necessary in order that every net payment made by the Company to the Trustee or such Agent, as the case may be, after deducting or withholding for or on account of any present or future tax, duty, assessment, fee or other governmental charge imposed upon or as a result of such payment by Brazil, Luxembourg or any political subdivision or taxing authority thereof or therein or any other jurisdiction in which the Company or any of the Guarantors is organized, doing business or otherwise subject to the power to tax shall not be less than the amount then due and payable to the Trustee or such Agent, as the case may be. Each of the Company and the Guarantors, jointly and severally, shall indemnify and hold each of

the Trustee and each Agent harmless for, from and against any and all damage, loss, liability, cost, claim or expense (including reasonable attorneys' fees and expenses) incurred by it without willful misconduct or gross negligence on its part as determined by a final and non-appealable judgment of a court of competent jurisdiction arising out of and in connection with the administration of this Indenture, the performance of its respective duties hereunder, and the exercise of its rights hereunder including, without limitation, the costs and expenses of defending itself against any claim or liability, enforcing this Indenture (including its indemnity rights) and of complying with any process served upon it or any of its officers in connection with the exercise or performance of any of its powers or duties under this Indenture. Each of the Company and the Guarantors, jointly and severally, undertakes to indemnify the Trustee and each of the Agents and their Affiliates against all damages, losses, liabilities, costs, claims and expenses including any and all tax liabilities (other than with respect to taxes imposed on net income) and associated penalties, costs, claims, actions, damages, expenses or demands which any of them may incur or which may be made against any of them as a result of or in connection with the appointment of or the exercise of the powers and duties or rights by the Trustee or any Agent or its affiliates under this Indenture, except as may result from its own willful misconduct or gross negligence or that of its directors, officers or employees or any of them, in each case as determined by a final and non-appealable judgment of a court of competent jurisdiction. The Trustee and each Agent shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee or such Agent to so notify the Company shall not relieve the Company of its obligations hereunder.

To secure the payment obligations of the Company in this Section 7.06, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee or any Paying Agent, except that held in trust to pay principal of and interest on particular Notes.

The obligations of the Company pursuant to this Section 7.06 shall survive the payment of the Notes, resignation or removal of the Trustee or any Agent and the satisfaction and discharge of this Indenture. When the Trustee incurs expenses after the occurrence of a Default or Event of Default specified in Section 6.01(i), (j) or (k), the expenses are intended to constitute expenses of administration under any bankruptcy law.

The Company acknowledges that none of the Trustee, the Collateral Agent or any other Agent makes any representations as to the interpretation or characterization of the transactions herein undertaken for tax or any other purpose, in any jurisdiction. The Company represents that it has fully satisfied itself as to any tax impact of this Indenture before agreeing to the terms herein, and is responsible for any and all federal, state, local, income, franchise, withholding, value added, sales, use, transfer, stamp or other taxes imposed by any jurisdiction in respect of this Indenture.

The Company agrees to pay any and all present and future stamp, issue, registration, court or other documentary taxes or duties or any excise or property taxes, charges or similar levies (including any penalties, interest and other liabilities relating thereto) which may be payable in connection with the execution, delivery, performance and enforcement of this Indenture by the Trustee, the Collateral Agent or any Agent.

SECTION 7.07. *Replacement of Trustee.* The Trustee may resign at any time by so notifying the Company in writing. The Holders of a majority in principal amount of the Outstanding Notes may remove the Trustee by so notifying the Trustee in writing and may appoint a successor Trustee. The Company shall remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.09;
- (ii) the Trustee is adjudged a bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee) the Company shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall give a notice of its succession to Holders and the Collateral Agent. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.06.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of a majority in principal amount of the Outstanding Notes may appoint a successor or petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.09, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.07, the obligations of the Company and the Guarantors under Section 7.06 shall continue for the benefit of the retiring Trustee.

SECTION 7.08. *Successor Trustee by Merger.* If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business (including this transaction) or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes in the name of the successor to the Trustee; and in all such cases such

adopted certificates shall have the full force of all provisions within the Notes or in this Indenture relating to the certificate of the Trustee.

SECTION 7.09. *Eligibility; Disqualification.* The Trustee hereunder shall at all times be a corporation, bank or trust company organized and doing business under the laws of the United States or any state thereof (i) which is authorized under such laws to exercise corporate trust power, (ii) is subject to supervision or examination by governmental authorities, (iii) shall have at all times a combined capital and surplus of at least U.S.\$50,000,000 as set forth in its most recent published annual report of condition and (iv) shall have a Corporate Trust Office in The City of New York. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 7.09, it shall resign immediately in the manner and with the effect specified in Section 7.07.

SECTION 7.10. *Patriot Act.* The parties hereto acknowledge that in accordance with Section 326 of the USA PATRIOT Act (the “**Patriot Act**”), the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the Patriot Act.

ARTICLE 8

DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 8.01. *Discharge of Liability on Notes.* (a) When (i) any of the Company or the Guarantors delivers to the Trustee all Outstanding Notes (other than Notes replaced pursuant to Section 2.08) for cancellation or (ii) all Outstanding Notes have become due and payable and the Company or the Guarantors deposit in trust, for the benefit of the Holders, with the Trustee finally collected funds sufficient to pay on the Maturity Date all Outstanding Notes and interest thereon (other than Notes replaced pursuant to Section 2.08) and if in any such case any of the Company or the Guarantors pays all other sums payable hereunder by the Company and the Guarantors, then this Indenture, and the obligations of the Company and the Guarantors pursuant hereto, shall, subject to Section 8.01(c) and 8.06, cease to be of further effect. The Trustee shall acknowledge satisfaction and discharge of this Indenture on written demand of the Company or the Guarantors accompanied by an Officers’ Certificate and an Opinion of Counsel (each stating that all conditions precedent herein provided relating to the satisfaction and discharge of this Indenture have been complied with) and at the cost and expense of the Company or the Guarantors.

(b) Subject to Section 8.01(c), Section 8.02 and 8.06, any of the Company or the Guarantors at any time may terminate (i) all its obligations under this Indenture and the Notes (“**legal defeasance option**”) or (ii) its obligations under Section 4.07, 4.09, and 5.01(iii) and the operation of Section 6.01(e) (with respect to such Section 4.07, 4.09, and 5.01(iii)), Section 6.01(g) and 6.01(h) (“**covenant defeasance option**”). The legal defeasance option may be exercised notwithstanding any prior exercise of the covenant defeasance option. Upon exercise by the Company or the Guarantors of the legal defeasance option or the covenant defeasance option, the Guarantors’ obligations under the respective Note Guaranty will terminate.

If the legal defeasance option is exercised, payment of the Notes may not be accelerated because of an Event of Default with respect thereto. If the covenant defeasance option is exercised, payment of the Notes may not be accelerated because of an Event of Default specified in Section 6.01(c) (with respect to such Section 4.07, 4.09, and 5.01(iii)), Section 6.01(g) or 6.01(h).

Upon satisfaction of the conditions set forth herein and upon written request of the Company or the Guarantors, the Trustee shall acknowledge in writing the discharge of the obligations of the Company or the Guarantors hereunder except those specified in Section 8.01(c).

(c) Notwithstanding Section 8.01(a) and Section 8.01(b), Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.08, 4.06, 7.06, 7.07, 8.03, 8.04, 8.05, 8.06 and Section 12.04 shall survive until the Notes Obligations have been paid in full. Thereafter, the obligations of the Company or the Guarantors pursuant to Sections 7.06, 7.07, 8.04, 8.05 and Section 12.04 shall survive. Furthermore, the Guarantors' obligations to pay fully and punctually all amounts payable by the Company or the Guarantors to the Trustee and the Collateral Agent under this Indenture shall survive.

SECTION 8.02. *Conditions to Defeasance.* The Company or the Guarantors may exercise the legal defeasance option or the covenant defeasance option only if:

(a) any of the Company or the Guarantors irrevocably deposits or causes to be deposited with the Trustee as trust funds in trust, specifically pledged as security for, and dedicated solely to, the benefit of the Holders (the “**defeasance trust**”), money or U.S. Government Obligations, or a combination thereof, sufficient for the payment of principal of and interest on all the Notes to the Maturity Date or redemption;

(b) any of the Company or the Guarantors delivers to the Trustee a certificate from an internationally recognized firm of independent public accountants expressing their opinion that the deposited money and/or U.S. Government Obligations, without consideration of reinvestment and after payment of all federal, state and local taxes or other charges or assessments in respect thereof payable by the Trustee, shall provide cash at such times and in such amounts as shall be sufficient to pay principal of and interest on all the Notes when due to the Maturity Date or on redemption, as the case may be;

(c) 123 days pass after the deposit is made in accordance with the terms of Section 8.02(a) and during such 123-day period no Default or Event of Default specified in Section 6.01(i), (j) or (k) occurs which is continuing at the end of the period;

(d) no Default or Event of Default has occurred and is continuing on the date of the deposit and after giving effect thereto;

(e) the deposit does not constitute a default or event of default under any other agreement binding on the Company or the Guarantors;

(f) any of the Company or the Guarantors delivers to the Trustee an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is not

qualified as, a regulated investment company under the U.S. Investment Company Act of 1940, as amended;

(g) in the case of the legal defeasance option, the Company delivers to the Trustee Luxembourg and Brazilian Opinions of Counsel to the effect that the beneficial owners of the outstanding Notes will not recognize income, gain or loss for Luxembourg or Brazilian federal income tax purposes, as the case may be, as a result of such legal defeasance and will be subject to Luxembourg or Brazilian federal income tax, as the case may be, on the same amounts, in the same manner, and at the same times as would have been the case if such defeasance had not occurred, and an U.S. Opinion of Counsel stating that: (x) the Company has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (y) since the Issue Date, there has been a change in applicable U.S. federal income tax law, in either case to the effect that (and based thereon such Opinion of Counsel shall confirm that) the beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(h) in the case of the covenant defeasance option, the Company delivers to the Trustee Luxembourg and Brazilian Opinions of Counsel to the effect that the beneficial owners of the Outstanding Notes will not recognize income, gain or loss for U.S., Luxembourg or Brazilian federal income tax purposes, as the case may be, as a result of such covenant defeasance and will be subject to U.S., Luxembourg or Brazilian federal income tax, as the case may be, on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

(i) any of the Company or the Guarantors delivers to the Trustee an Opinion of Counsel of recognized standing with respect to Brazilian tax matters and Opinions of Counsel of recognized standing with respect to tax matters of any other jurisdiction in which the Company is conducting business in a manner which causes the beneficial owners of the Notes to be liable for taxes on payments under the Notes for which they would not have been so liable but for such conduct of business in such other jurisdiction, stating that the beneficial owners will not recognize income, gain or loss in the relevant jurisdiction as a result of such deposit and the defeasance and will be subject to taxes in the relevant jurisdiction (including any withholding taxes) on the same amount and in the same manner and at the same times as would otherwise have been the case if such deposit and defeasance had not occurred;

(j) any of the Company or the Guarantors delivers to the Trustee an Opinion of Counsel, in form and substance reasonably satisfactory to Trustee, to the effect that, after the passage of 123 days following the deposit, the trust funds shall not be subject to any applicable bankruptcy, insolvency, reorganization or similar law affecting creditors' rights generally; and

(k) any of the Company or the Guarantors delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes as contemplated by this Article 8 have been complied with.

Before or after a deposit, the Company or the Guarantors may make arrangements satisfactory to the Trustee for the redemption of Notes at a future date in accordance with Article 3.

SECTION 8.03. *Application of Trust Money.* The Trustee shall hold in trust money and/or U.S. Government Obligations deposited with it pursuant to Section 8.01 or 8.02. It shall apply the deposited money and the money from U.S. Government Obligations through the Principal Paying Agent or Paying Agents and in accordance with this Indenture to the payment of principal of and interest on the Notes.

SECTION 8.04. *Repayment to Company.* Upon termination of the trust established pursuant to Section 8.02, the Trustee and each Paying Agent shall promptly pay to the Company upon written request, any excess cash or U.S. Government Obligations held by them.

SECTION 8.05. *Indemnity for U.S. Governmental Obligations.* The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.06. *Reinstatement.* If the Trustee or any Paying Agent is unable to apply any money and/or U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the obligations of the Company and the Guarantors under this Indenture, the Notes and the respective Note Guaranty shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or such Paying Agent is permitted to apply all such money and/or U.S. Government Obligations in accordance with this Article 8; *provided, however*, that, if any of the Company or the Guarantors has made any payment of principal of or interest on any Notes because of the reinstatement of its obligations, the Company and the Guarantors shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money and/or U.S. Government Obligations held by the Trustee or such Paying Agent.

ARTICLE 9

AMENDMENTS

SECTION 9.01. *Without Consent of Holders.* The Company, when authorized by a Board Resolution, the Guarantors, the Trustee and the Collateral Agent, as applicable, may amend or supplement this Indenture, the Notes, the Collateral Documents and, if applicable, the Intercreditor Agreement without notice to or consent or vote of any Holder for the following purposes:

- (i) to cure any ambiguity, omission, defect or inconsistency;
- (ii) to add guarantees or collateral with respect to the Notes;
- (iii) to comply with Section 5.01;

(iv) to add to the covenants of the Company or the Guarantors for the benefit of the Holders;

(v) to surrender any right herein conferred upon the Company or the Guarantors;

(vi) to evidence and provide for the acceptance of an appointment by a successor Trustee;

(vii) to provide for the issuance of Additional Notes;

(viii) to allow for a Substituted Debtor, as described under Section 5.03;

(ix) to provide for any guarantee or collateral of the Notes, to secure the Notes or to confirm and evidence the release, termination or discharge of any Note Guaranty or collateral of the Notes when the release, termination or discharge is permitted by this Indenture, the Collateral Documents or, if applicable, the Intercreditor Agreement, as the case may be; or

(x) to make any other change that does not materially and adversely affect the rights of any Holder or to conform this Indenture to the section "Description of Notes" in the Private Placement Memorandum;

provided that, the Company has delivered to the Trustee and the Collateral Agent (if the Collateral Agent is a party thereto) an Opinion of Counsel and an Officers' Certificate, each stating that such amendment or supplement complies with the provisions of this Section 9.01.

Upon the written request of the Company, accompanied by a Board Resolution authorizing the execution of any supplemental indenture, and upon receipt by the Trustee and the Collateral Agent (if the Collateral Agent is a party thereto) of the documents described in Section 9.05, the Trustee and the Collateral Agent (if the Collateral Agent is a party thereto) shall join with the Company and the Guarantors in the execution of such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee and the Collateral Agent shall not be obligated to enter into any such supplemental indenture which affects its own rights, duties or immunities under this Indenture or otherwise.

The Guarantors must consent to any amendment or supplement hereunder.

SECTION 9.02. *With Consent of Holders.* Except as specified in Section 9.01, the Company, when authorized by a Board Resolution, the Guarantors, the Trustee and the Collateral Agent, as applicable, together, may amend or supplement this Indenture, the Notes, the Collateral Documents or, if applicable, the Intercreditor Agreement with the written consent of the Holders of at least a majority in principal amount of the Outstanding Notes for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture, the Notes, the Collateral Documents or, if applicable, the Intercreditor Agreement or modifying in any manner the rights of the Holders under this Indenture, the Notes, the Collateral Documents or, if applicable, the Intercreditor Agreement and the Holders of at least a majority in principal amount of the Outstanding Notes may, except as set forth below, waive any past

Default or Event of Default or compliance with any provision of this Indenture; *provided, however,* that, without the consent of each Holder affected, an amendment or waiver may not:

- (i) reduce the principal amount of or change the Stated Maturity of any payment on any Note;
- (ii) reduce the rate of interest on any Note;
- (iii) reduce the amount payable upon the redemption of any Note or change the time at which any Note may be redeemed;
- (iv) reduce the amount payable or change the time of payment of any amount specified in Section 4.21;
- (v) change the currency for payment of principal of, or interest or any Additional Amounts on, any Note;
- (vi) make any change in the provisions of this Indenture relating to the contractual rights of Holders of Notes expressly set forth in this Indenture to institute suit for the enforcement of any right to payment on or with respect to any Note;
- (vii) make any change in the provisions of this Indenture relating to waivers of a Default or Event of Default in payment of principal of and interest on the Notes;
- (viii) reduce the principal amount of Notes whose Holders must consent to any amendment, supplement or waiver;
- (ix) make any change in this first paragraph of this Section 9.02;
- (x) modify or change any provision of this Indenture affecting the ranking of the Notes or any Note Guaranty in a manner adverse to the Holders; or
- (xi) make any change in any Note Guaranty that would adversely affect the Noteholders.

In addition, notwithstanding the foregoing, without the consent of the Holders of at least 66 $\frac{2}{3}$ % in aggregate principal amount of Outstanding Notes, no amendment, supplement or waiver may release all or substantially all of the Collateral unless otherwise provided in this Indenture, the Collateral Documents and, if applicable, the Intercreditor Agreement.

Upon the written request of the Company, accompanied by a Board Resolution authorizing the execution of any such supplemental indenture, and upon the filing with the Trustee of evidence of the consent of the Holders as aforesaid, and upon receipt by the Trustee and the Collateral Agent (if the Collateral Agent is a party thereto) of the documents described in Section 9.05 hereof, the Trustee shall join (and shall instruct the Collateral Agent to join (if the Collateral Agent is a party thereto)), with the Company and the Guarantors in the execution of such supplemental indenture but the Trustee and the Collateral Agent shall not be obligated to

enter into any such supplemental indenture which affects its own rights, duties or immunities under this Indenture or otherwise.

The Company shall give to Holders prior written notice of any amendment or waiver proposed to be adopted under this Section 9.02.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment or waiver under this Section 9.02 becomes effective, the Company shall give to Holders a notice briefly describing such amendment or waiver. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment or waiver under this Section 9.02.

The Guarantors must consent to the amendment, supplement or waiver under this Section 9.02.

SECTION 9.03. *Revocation and Effect of Consents and Waivers.* (a) A consent to an amendment or a waiver by a Holder of Notes shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Note or portion of the Note if the Trustee receives the written notice of revocation at least one Business Day prior to the date the amendment or waiver becomes effective. After it becomes effective, an amendment or waiver shall bind every Holder.

(b) The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above in accordance with Section 1.05(e). No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.04. *Notation on or Exchange of Notes.* If an amendment changes the terms of a Note, the Company may require the Holder to deliver the Note to the Trustee. If so instructed by the Company, the Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Company so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

SECTION 9.05. *Trustee to Sign Amendments.* The Trustee shall sign any amendment authorized pursuant to this Article 9 if the amendment, waiver or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. In signing any amendment, waiver or supplement, the Trustee and the Collateral Agent shall be entitled to receive indemnity or security satisfactory to the Trustee and the Collateral Agent, respectively, and to receive, and shall be fully protected in relying upon, an Officers' Certificate and an Opinion of Counsel as conclusive evidence that such amendment, waiver or supplemental indenture is authorized or permitted by this Indenture, that it is not inconsistent herewith, and that it shall be valid and

binding upon the Company in accordance with its terms. No amendment, waiver or supplement of this Indenture, the Intercreditor Agreement, the Collateral Documents, the Notes or the Note Guarantees shall affect the rights, duties, immunities or obligations of the Collateral Agent without the consent of the Collateral Agent.

SECTION 9.06. *Payment for Consent.* Neither the Company nor any of its Affiliates shall, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid or agreed to be paid to all Holders which so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement.

ARTICLE 10

NOTE GUARANTIES

SECTION 10.01. *The Note Guaranties.* Subject to the provisions of this Article, GLAI and GLA hereby irrevocably and unconditionally guarantee, on a secured basis, the full and punctual payment (whether at Stated Maturity upon redemption, acceleration, or otherwise) of the principal of, premium, if any, and interest on, and all other amounts payable under, each Note, and the full and punctual payment of all other amounts payable by the Company under this Indenture; *provided, however,* that upon release of the Collateral in accordance with Section 4.14 GLA and GLAI shall guarantee, on a unsecured basis, the full and punctual payment (whether at Stated Maturity upon redemption, acceleration, or otherwise) of the principal of, premium, if any, and interest on, and all other amounts payable under, each Note, and the full and punctual payment of all other amounts payable by the Company under this Indenture. Upon failure by the Company to pay punctually any such amount, the Guarantors shall forthwith on demand pay the amount not so paid at the place and in the manner specified in this Indenture.

SECTION 10.02. *Guaranty Unconditional.* The obligations of the Guarantors hereunder are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by:

- (i) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under this Indenture or any Note, by operation of law or otherwise;
- (ii) any modification or amendment of or supplement to this Indenture or any Note;
- (iii) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in this Indenture or any Note;
- (iv) the existence of any claim, set-off or other rights which the Guarantors may have at any time against the Company, the Trustee or any other Person, whether in

connection with this Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim;

(v) any invalidity or unenforceability relating to or against the Company for any reason of this Indenture or any Note, or any provision of applicable law or regulation purporting to prohibit the payment by the Company of the principal of or interest on any Note or any other amount payable by the Company under this Indenture; or

(vi) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to the Guarantors' obligations hereunder.

SECTION 10.03. *Discharge; Reinstatement.* The Guarantors' obligations hereunder will remain in full force and effect until the principal of, premium, if any, and interest on the Notes and all other amounts payable by the Company under this Indenture have been paid in full. If at any time any payment of the principal of, premium, if any, or interest on any Note or any other amount payable by the Company under this Indenture is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Company or otherwise, the Guarantors' obligations hereunder with respect to such payment will be reinstated as though such payment had been due but not made at such time.

SECTION 10.04. *Waiver by the Guarantors.* Each of the Guarantors irrevocably waives acceptance hereof, presentment, demand, protest and any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against the Company or any other Person.

SECTION 10.05. *Subrogation and Contribution.* Upon making any payment with respect to any obligation of the Company under this Article, the Guarantor making such payment will be subrogated to the rights of the payee against the Company with respect to such obligation; *provided* that such Guarantor may not enforce either any right of subrogation, or any right to receive payment in the nature of contribution, or otherwise, from the other Guarantor, with respect to such payment so long as any amount payable by the Company hereunder or under the Notes remains unpaid.

SECTION 10.06. *Stay of Acceleration.* If acceleration of the time for payment of any amount payable by the Company under this Indenture or the Notes is stayed upon the insolvency, bankruptcy or reorganization of the Company, all such amounts otherwise subject to acceleration under the terms of this Indenture are nonetheless payable by the Guarantors hereunder forthwith on demand by the Trustee or the Holders.

SECTION 10.07. *Limitation on Amount of Guaranty.* Notwithstanding anything to the contrary in this Article, each of the Guarantors, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guaranty of each Guarantor not constitute a fraudulent conveyance under applicable fraudulent conveyance provisions of the laws of Brazil, Luxembourg, the United States Bankruptcy Code or any comparable provision of state law. To effectuate that intention, the Trustee, the Holders and

each of the Guarantors hereby irrevocably agree that the obligations of each Guarantor under its respective Note Guaranty are limited to the maximum amount that would not render the Guarantors' obligations subject to avoidance under applicable fraudulent conveyance provisions of the laws of Brazil, Luxembourg, the United States Bankruptcy Code or any comparable provision of state law.

SECTION 10.08. *Execution and Delivery of Guaranty.* The execution by each of the Guarantors of this Indenture evidences the respective Note Guaranty of each Guarantor, whether or not the person signing as an Officer of such Guarantor still holds that office at the time of authentication of any Note. The delivery of any Note by the Trustee after authentication constitutes due delivery of the Note Guaranty set forth in this Indenture on behalf of the Guarantor.

SECTION 10.09. *Release of Guaranty.* The Note Guaranty of each of the Guarantors will terminate upon:

- (i) a sale or other disposition (including by way of consolidation or merger) of the Guarantor or the sale or disposition of all or substantially all the assets of the Guarantor (in each case other than to the Company or a Subsidiary) otherwise permitted by this Indenture;
- (ii) if the Note Guaranty was required pursuant to the terms of this Indenture, the cessation of the circumstances requiring the Note Guaranty; or
- (iii) defeasance or discharge of the Notes, as provided in Article 8.

Upon delivery by the Company to the Trustee of an Officers' Certificate and an Opinion of Counsel to the effect that all of the conditions to the release and termination of the Note Guaranty have been satisfied, the Trustee will execute any documents reasonably requested by the Company in writing in order to evidence the release of the Guarantor from its obligations under its Note Guaranty.

Notices or communications to the Company will be deemed given if given to GLAI. All notices to the Trustee and the Collateral Agent shall be deemed delivered upon the Trustee's or Collateral Agent's, respectively, actual receipt thereof.

Any party by written notice to the other parties may designate additional or different addresses for subsequent notices or communications.

Where this Indenture provides for the giving of notice to Holders, such notice shall be deemed to have been given upon (1) in the event of Notes, the mailing of first class mail, postage prepaid, of such notice to Holders of the Notes at their registered addresses as recorded in the Register or (2) in the event of Notes, to the Depositary in accordance with its applicable procedures.

The Company shall also cause all other such publications of such notices as may be required from time to time by applicable Brazilian law, including, without limitation, those required under the applicable regulations issued by the CVM.

Failure to mail a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders. If a notice or communication is mailed to a Holder in the manner provided above, it is duly given, whether or not the addressee receives it.

SECTION 11.03. *Officers' Certificate and Opinion of Counsel as to Conditions Precedent.* Upon any request or application by the Company to the Trustee or the Collateral Agent to take or refrain from taking any action under this Indenture or the Collateral Documents, the Company shall furnish to the Trustee or the Collateral Agent, as applicable:

(i) an Officers' Certificate in form and substance reasonably satisfactory to the Trustee or the Collateral Agent (which shall include the statements set forth in Section 11.04) stating that, in the opinion of the signers, all covenants and conditions precedent, if any, provided for in this Indenture and the Collateral Documents relating to the proposed action have been complied with; and

(ii) an Opinion of Counsel in form and substance reasonably satisfactory to the Trustee or the Collateral Agent (which shall include the statements set forth in Section 11.04) stating that, in the opinion of such counsel, all such covenants and conditions precedent have been complied with.

SECTION 11.04. *Statements Required in Officers' Certificate or Opinion of Counsel.* Each certificate or opinion with respect to compliance with a covenant or condition provided for in this Indenture or the Collateral Documents shall include substantially:

(i) a statement that each Person making or rendering such Officers' Certificate or Opinion of Counsel has read such covenant or condition and the related definitions;

(ii) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such Officers' Certificate or Opinion of Counsel are based;

(iii) a statement that, in the opinion of each such Person, he has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(iv) a statement as to whether or not, in the opinion of each such Person, such covenant or condition has been complied with.

SECTION 11.05. *Rules by Trustee, Registrar, Paying Agent and Transfer Agents.* The Trustee may make reasonable rules for action by or a meeting of Holders. The Registrar, the Paying Agents and the Transfer Agents may make reasonable rules for their functions.

SECTION 11.06. *Currency Indemnity.* U.S. Dollars are the sole currency of account and payment for all sums payable by the Company or the Guarantors under or in connection with this Indenture, the Notes and the Note Guaranties, including damages. Any amount received or recovered in a currency other than U.S. Dollars (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Company or otherwise) by any Person in respect of any sum expressed to be due to it from the Company or the Guarantors in connection with this Indenture, the Notes and the Note Guaranties will only constitute a discharge to the Company or the Guarantors, as the case may be, to the extent of the U.S. Dollar amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that U.S. Dollar amount is less than the U.S. Dollar amount expressed to be due to the recipient, the Company and the Guarantors shall indemnify such recipient against any loss sustained by it as a result, and if the amount of U.S. Dollars so purchased is greater than the sum originally due to such recipient, such recipient will be deemed to have agreed to repay such excess. In any event, the Company and the Guarantors shall indemnify the recipient against the cost of making any such purchase.

For the purposes of this Section 11.06, it shall be sufficient for the recipient to certify in a satisfactory manner (indicating the sources of information used) that it would have suffered a loss had an actual purchase of U.S. Dollars been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of U.S. Dollars on such date had not been practicable, on the first date on which it would have been practicable, it being required that the need for a change of date be certified in the manner mentioned above). These indemnities constitute a separate and independent obligation from the other obligations of the Company and the Guarantors, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder of a Note and shall continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note.

SECTION 11.07. *No Recourse Against Others.* No director, officer, employee or shareholder, as such, of the Company, the Guarantors, the Collateral Agent or the Trustee shall have any liability for any obligations of the Company, the Guarantors, the Collateral Agent or the Trustee, respectively, under this Indenture, the Collateral Documents or the Notes or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each Holder shall waive and release all such liability. The waiver and release shall be part of the consideration for the issue of the Notes.

SECTION 11.08. *Legal Holidays.* In any case where any Payment Date shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of the Notes) payment of interest or principal need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the Payment Date; *provided* that no interest shall accrue for the period from and after such Payment Date on account of such delay.

SECTION 11.09. *Governing Law.* THIS INDENTURE, THE NOTES AND THE NOTE GUARANTIES SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

The provisions relating to meetings of Holders of the Notes set forth in Articles 470-1 to 470-19 of the Luxembourg Act on commercial companies of August 10, 1915, as amended, shall not apply in respect of the Notes.

SECTION 11.10. *Consent to Jurisdiction; Waiver of Immunities; Waiver of Jury Trial.*
(a) Each of the parties hereto hereby irrevocably submits to the non-exclusive jurisdiction of any New York state or U.S. federal court sitting in the Borough of Manhattan in The City of New York with respect to actions brought against it as a defendant in respect of any suit, action or proceeding or arbitral award arising out of or relating to this Indenture, the Notes or the Note Guaranties or any transaction contemplated hereby or thereby (a “**Proceeding**”), and irrevocably accepts for itself and in respect of its property, generally and unconditionally, the jurisdiction of the aforesaid courts. Each of the parties hereto irrevocably waives, to the fullest extent it may do so under applicable law, any objection which it may now or hereafter have to the laying of the venue of any such Proceeding brought in any such court and any claim that any such Proceeding brought in any such court has been brought in an inconvenient forum. Each of the Company and the Guarantors irrevocably appoints Cogency Global, Inc. (the “**Company and Guarantors Process Agent**”), with an office at 122 East 42nd Street, 18th Floor, New York, NY 10168, as its authorized agent to receive on behalf of it and its property service of copies of the summons and complaint and any other process which may be served in any Proceeding. If for any reason such Person shall cease to be such agent for service of process, each of the Company and the Guarantors shall forthwith appoint a new agent of recognized standing for service of process in the State of New York and deliver to the Trustee a copy of the new agent’s acceptance of that appointment within 30 days. The Collateral Agent, at the cost and expense of the Company, irrevocably appoints Cogency Global, Inc. (the “**Collateral Agent Process Agent**”), with an office at 122 East 42nd Street, 18th Floor, New York, NY 10168, as its authorized agent to receive on behalf of it and its property service of copies of the summons and complaint and any other process which may be served in any Proceeding. If for any reason such Person shall cease to be such agent for service of process, the Collateral Agent shall forthwith appoint a new agent, at the cost and expense of the Company, of recognized standing for service of process in the State of New York and deliver to the Trustee a copy of the new agent’s acceptance of that appointment within 30 days.

(a) Each of the Company and the Guarantors hereby irrevocably appoints the Company and Guarantors Process Agent as its agent to receive, on behalf of itself and its property, service of copies of the summons and complaint and any other process which may be served in any such suit, action or proceeding brought in such New York state or U.S. federal court sitting in the Borough of Manhattan in The City of New York. Such service shall be made by delivering by hand a copy of such process to the Company or the Guarantors, as the case may be, in care of the Company and Guarantors Process Agent at the address specified above. Each of the Company and the Guarantors hereby irrevocably authorizes and directs the Company and Guarantors Process Agent to accept such service on its behalf. Failure of the Company and Guarantors Process Agent to give notice to the Company or the Guarantors, as the case may be, or failure of the Company or the Guarantors, as the case may be, to receive notice of such service

of process shall not affect in any way the validity of such service on the Company and Guarantors Process Agent, the Company or the Guarantors. As an alternative method of service, each of the Company and the Guarantors also irrevocably consents to the service of any and all process in any such Proceeding by the delivery by hand of copies of such process to the Company or Guarantors, as the case may be, at its address specified in Section 11.02 or at any other address previously furnished in writing by the Company or the Guarantors to the Trustee. Each of the Company and the Guarantors covenants and agrees that it shall take any and all reasonable action, including the execution and filing of any and all documents, that may be necessary to continue the designation of the Company and Guarantors Process Agent above in full force and effect during the term of the Notes, and to cause the Company and Guarantors Process Agent to continue to act as such.

(b) The Collateral Agent hereby irrevocably appoints the Collateral Agent Process Agent as its agent to receive, on behalf of itself and its property, service of copies of the summons and complaint and any other process which may be served in any such suit, action or proceeding brought in such New York state or U.S. federal court sitting in the Borough of Manhattan in The City of New York. Such service shall be made by delivering by hand a copy of such process to the Collateral Agent, in care of the Collateral Agent Process Agent at the address specified above. The Collateral Agent hereby irrevocably authorizes and directs the Collateral Agent Process Agent to accept such service on its behalf. Failure of the Collateral Agent Process Agent to give notice to the Collateral Agent, or failure of the Collateral Agent, to receive notice of such service of process shall not affect in any way the validity of such service on the Collateral Agent Process Agent or the Collateral Agent. As an alternative method of service, the Collateral Agent also irrevocably consents to the service of any and all process in any such Proceeding by the delivery by hand of copies of such process to the Collateral Agent, at its address specified in Section 11.02 or at any other address previously furnished in writing by the Collateral Agent to the Trustee. The Collateral Agent covenants and agrees that it shall take any and all reasonable action, including the execution and filing of any and all documents, that may be necessary to continue the designation of the Collateral Agent Process Agent above in full force and effect during the term of the Notes, and to cause the Collateral Agent Process Agent to continue to act as such.

(c) Nothing herein shall affect the right of any party (including the Trustee, the Collateral Agent, any Agent or any Holder) to serve process in any other manner permitted by law or to commence legal proceedings or otherwise bring any claim against any other party or its property in any other court of competent jurisdiction.

(d) Each of the Company and the Guarantors irrevocably agrees that, in any proceedings anywhere (whether for an injunction, specific performance or otherwise), no immunity (to the extent that it may at any time exist, whether on the grounds of sovereignty or otherwise) from such proceedings, from attachment (whether in aid of execution, before judgment or otherwise) of its assets or from execution of judgment shall be claimed by it or on its behalf or with respect to its assets, except to the extent required by applicable law, any such immunity being irrevocably waived, to the fullest extent permitted by applicable law. Each of the Company and the Guarantors irrevocably agrees that, where permitted by applicable law, it and its assets are, and shall be, subject to such proceedings, attachment or execution in respect of its obligations under this Indenture, the Notes or the Note Guaranties.

(e) ALL PARTIES HERETO HEREBY IRREVOCABLY WAIVE, TO THE FULLEST EXTENT THEY MAY DO SO UNDER APPLICABLE LAW, ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES, THE NOTE GUARANTIES OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

SECTION 11.11. *Successors and Assigns.* All covenants and agreements of the Company and the Guarantors in this Indenture, the Notes and the Note Guaranties shall bind their respective successors and assigns, whether so expressed or not. All agreements of the Trustee in this Indenture shall bind its successors.

SECTION 11.12. *Multiple Originals.* The parties may sign any number of copies of this Indenture. Each signed copy shall be deemed an original, but all of them together represent the same agreement. One signed copy is enough to prove this Indenture. The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

SECTION 11.13. *Severability Clause.* In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. To the extent permitted by applicable law, the parties hereby waive any provision of law which renders any term or provision hereof invalid or unenforceable in any respect.

SECTION 11.14. *Force Majeure.* In no event shall the Trustee, the Collateral Agent or any Agent be responsible or liable for any failure or delay in the performance of its obligations hereunder, under the Intercreditor Agreement, or under any Collateral Document arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, governmental actions, pandemics, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee, the Collateral Agent or such Agent, as applicable shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

ARTICLE 12

COLLATERAL AGENT

SECTION 12.01. *Appointment.* Each of the Secured Parties (other than the Collateral Agent) hereby appoints the Collateral Agent to act on its behalf as the Collateral Agent under this Indenture, the Intercreditor Agreement, and the Collateral Documents to which the Collateral Agent is a party and authorizes the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Collateral Agent by the terms hereof or thereof. It is understood and agreed that the use of the term “agent” herein, the Intercreditor Agreement, or in any Collateral Documents (or any other similar term) with reference to the Collateral Agent is

not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

SECTION 12.02. *Exculpatory Provisions.* (a) The Collateral Agent shall have no duties or obligations except those expressly set forth in this Indenture, the Intercreditor Agreement, and the Collateral Documents to which the Collateral Agent is a party, and no duty, liability or obligation shall be inferred or implied against the Collateral Agent. Without limiting the generality of the foregoing provision, (i) the Collateral Agent shall not be subject to any fiduciary or other implied duty, regardless of whether an Event of Default has occurred and persists, (ii) the Collateral Agent shall have no duty to perform any discretionary act or exercise any discretionary powers (by consent, designation, specification, requirement or approval, notice, request or other communication, or other instruction given or act to be performed or to be (or not) suffered or omitted by the Collateral Agent, or any option, decision, opinion, acceptance, exercise of judgment, expression of satisfaction or other discretionary exercise, rights or remedies to be exercised (or not) by the Collateral Agent), except for those rights and discretionary powers that are expressly provided for in this Indenture, the Intercreditor Agreement, or the Collateral Documents that the Collateral Agent is required to exercise as instructed in writing by the Trustee; (iii) except as expressly provided for in this Indenture, the Intercreditor Agreement, or any Collateral Document to which the Collateral Agent is a party, the Collateral Agent shall have no duty to disclose, and shall not be liable for the non-disclosure of, any information concerning the Company or any Guarantor or any of their subsidiaries which is communicated to or obtained by the Collateral Agent or any of its affiliates in any capacity; and (iv) the Collateral Agent shall not be obligated to perform any act which, in its opinion or in the opinion of its attorney, may expose the Collateral Agent to liability or otherwise contrary to this Indenture, the Intercreditor Agreement, or any Collateral Document or applicable law, including, for the avoidance of doubt, any act that may be in violation of automatic suspension under any bankruptcy, insolvency, judicial liquidation or similar federal, state or foreign law, current or thereafter in effect or that may cause the Company's assets to lapse, change or be closed in violation of any bankruptcy, insolvency, judicial liquidation or similar federal, state or foreign law, current or thereafter in effect.

(b) Notwithstanding any other provision of this Indenture, the Intercreditor Agreement, or the Collateral Documents, the Collateral Agent shall not be liable for any action taken or not taken by it (i) with the written consent or at the written request, written instruction or written direction of the Trustee or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment.

(c) The Collateral Agent shall not be deemed to have knowledge of any Event of Default, unless and until written notice describing such event is received by a Responsible Officer of Collateral Agent from the Trustee, referring to this Indenture, the Notes and Default or Event of Default.

(d) The Collateral Agent shall not be liable for or have any duty to prove or investigate, or otherwise have any obligation or liability with respect to, (i) any representation or

warranty provided in or with respect to this Indenture, the Intercreditor Agreement, or any Collateral Document, (ii) the contents of any certificate, report or other document delivered under or with respect to this Indenture, the Intercreditor Agreement, or any Collateral Document, (iii) the performance or fulfillment of any of the obligations, agreements or other terms or conditions set forth in this Indenture, the Intercreditor Agreement, or any Collateral Document or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, efficacy or authenticity of this Indenture, the Intercreditor Agreement, the Collateral Documents or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in this Indenture, the Intercreditor Agreement, or any Collateral Document, other than to confirm receipt of items expressly required to be delivered to the Collateral Agent.

(e) The Collateral Agent shall have the right to rely on, and shall not incur any liability for, any notification, request, certificate, consent, representation, instrument, document or other paper considered by it to be authentic and having been signed or sent by a competent Person. The Collateral Agent may also rely on any statement given to it verbally or by telephone and deemed to have been given by the competent Person, and shall not incur any liability for it. The Collateral Agent may consult with counsel, independent auditors and other experts chosen by the Collateral Agent, at the Company's expense, and shall not be liable for any act performed or not performed by the Collateral Agent in accordance with the advice of any said counsel, auditor or expert.

(f) The Collateral Agent may fulfill any and all of its duties and exercise its rights and powers by or through any one or more subagents appointed by it. The Collateral Agent and any subagent may fulfill any and all of their duties and exercise their rights and powers through their related parties. The Collateral Agent shall not be responsible for the supervision, negligence or misconduct of any sub-agents that it selects with due care.

(g) The Collateral Agent shall not be liable and makes no representation as to the existence, authenticity, value or protection of this Indenture, the Intercreditor Agreement, the Collateral Documents and the security provided hereunder or thereunder, for the legality, effectiveness or sufficiency of this Indenture, the Intercreditor Agreement, or the Collateral Documents nor for the creation, formalization, ranking, sufficiency or protection of any liens constituted under this Indenture, the Intercreditor Agreement, or the Collateral Documents. For the avoidance of doubt, no provision in this Indenture, the Intercreditor Agreement or any Collateral Document shall require the Collateral Agent to prepare, file or record any financing statements or continuation statements or other instruments or documents, or to be responsible for maintaining the liens and security interests to be created as described in this Indenture and the Collateral Documents, and such responsibility shall be in charge exclusively of the Company. The Collateral Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession shall be to deal with it in the same manner as the Collateral Agent deals with similar property for the account of other customers in similar transactions. The Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of its rights and powers.

(h) The Collateral Agent may be required to carry out foreign exchange transactions in order to remit funds abroad. For this purpose, the Collateral Agent may reasonably require the Trustee and/or the Company to deliver the required documents/information in respect of each

foreign exchange transaction. In order to effect the transfer of any amounts paid under the terms and conditions of this Indenture or any Collateral Document, the Collateral Agent will perform a foreign exchange transaction to convert into dollars any amount in Brazilian *reais*, in the amount specified by the Company or Trustee; except that possible deductions of any commissions or taxes charged on the foreign exchange transactions under discussion and/or any other withholding or charge levied on the corresponding payments may be applicable, and upon such deductions, the Collateral Agent will transfer the amounts in U.S. Dollars according to the instructions provided by the Company or Trustee. The Collateral Agent (a) will only be obliged to perform any foreign exchange transaction as of the 2nd (second) Brazilian Business Day after the Brazilian Business Day on which the Collateral Agent receives from the Company or Trustee the applicable instructions and documents to perform such foreign exchange transaction; (b) will transfer funds, as requested by the Company or Trustee, at most (i) on the 2nd (second) Brazilian Business Day subsequent to the Brazilian Business Day on which the dollars are available for transfer; and (ii) in the 2nd (second) Brazilian Business Day in which such transfer is allowed, under the respective Records of Financial Transactions with the Central Bank of Brazil (ROF), as applicable; and (c) will not undertake to perform any foreign exchange transaction or transfer of funds, unless the Collateral Agent has received (i) all documents and information deemed necessary for the remittance of funds; and (ii) the payment of the respective commissions, fees and expenses. The Collateral Agent shall not be liable for any losses that could result in possible delays or impediments to the performance of a foreign exchange transaction and/or transfers required by the Company or Trustee, nor as the impossibility to perform a foreign exchange transaction or transfer, as described in this Indenture. The Collateral Agent shall not assume any liability to any Person with respect to the performance of a foreign exchange transaction and the rates related to any foreign exchange transaction to be performed with respect to this Indenture or any Collateral Document.

(i) The Collateral Agent shall not be obligated to spend or put at risk any of its own funds or otherwise incur any obligation, financial or otherwise, in performing its duties under this Indenture, under the Intercreditor Agreement, or under the Collateral Documents.

(j) In no event shall the Collateral Agent be liable for special, indirect, punitive or unforeseen loss or damage of any nature (including lost profits) regardless of whether the Collateral Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

(k) The Collateral Agent shall not incur any obligation for failure to perform any act or duty under this Indenture, the Intercreditor Agreement, or any Collateral Document by reason of any occurrence beyond its control (including any act or provision of any current or future law, regulation, governmental authorization, any acts of God or war, civil conflict, local or national disturbance or disaster, any act of terrorism or the unavailability of an electronic or mechanical transfer or other transfer or communication resource from the Federal Reserve or the Central Bank of Brazil).

(l) The Collateral Agent shall have the right, unilaterally and without notice, to withdraw or fail to comply with any obligation that may result in a violation of sanctions imposed by the United States of America, the European Union, local embargo laws and the Collateral Agent's internal policies with respect to embargoes ("**Embargo Rules**"). Violation of

the Embargo Rules includes, among others, receiving or transferring funds to any legal entity, country or individual named on the Specially Designated Citizens List of the Office of Foreign Assets Control - OFAC or controlled by legal entities, countries or individuals on that list. The parties expressly agree that the Collateral Agent shall not be liable for the failure to effect and/or delay in the receipt or payment of any amount under the conditions described in this Section.

(m) Any and all payments by the Company and/or the Guarantors to or for the benefit of the Collateral Agent under this Indenture or any Collateral Document shall be made free and clear, and without deduction, of any taxes, expenses or withholdings of any nature levied by the Brazilian government and/or any of its departments (“Deductions”). If any Deductions apply to any payment, the Company and/or the Guarantors, as the case may be, will immediately pay to the account indicated by the Collateral Agent the additional amount necessary for the amount paid to the Collateral Agent to be equal to the amount it would have received without the applicable Deductions.

(n) Each Secured Party (other than the Collateral Agent) authorizes and directs the Collateral Agent to enter into the Collateral Documents to which it is a party on the date hereof on behalf of and for the benefit of the Secured Parties.

(o) Notwithstanding any provision of this Indenture, the Intercreditor Agreement, or the Collateral Documents to the contrary, before taking or omitting any action to be taken or omitted by the Collateral Agent under the terms of this Indenture, the Intercreditor Agreement, and the Collateral Documents, the Collateral Agent may seek the written direction of the Trustee, and the Collateral Agent shall be entitled to rely (and shall be fully protected in so relying) upon such direction. The Collateral Agent is not liable with respect to any action taken or omitted to be taken by it in accordance with such direction. If the Collateral Agent requests such direction with respect to any action, the Collateral Agent is entitled to refrain from such action unless and until the Collateral Agent has received such direction, and the Collateral Agent does not incur liability to any Person by reason of so refraining. If the Collateral Agent so requests, it must first be indemnified to its satisfaction by the Holders against any and all fees, losses, liabilities and expenses which may be incurred by the Collateral Agent by reason of taking or continuing to take, or omitting, any action directed by the Trustee. Any provision of this Indenture, the Intercreditor Agreement, or the Collateral Documents authorizing the Collateral Agent to take any action does not obligate the Collateral Agent to take such action.

(p) Whether or not so expressly stated therein, in entering into, or taking (or forbearing from) any action under pursuant to, the Intercreditor Agreement and the Collateral Documents, the Collateral Agent shall have all of the rights, immunities, indemnities and other protections granted to it under this Indenture (in addition to those that may be granted to it under the terms of such other agreement or agreements).

(q) The Collateral Agent shall have no responsibility for interest or income on any funds held by it under this Indenture, the Intercreditor Agreement, or the Collateral Documents and any funds so held shall be held uninvested pending distribution thereof.

(r) The Collateral Agent shall be under no obligation to exercise any of the duties or powers vested in it by this Indenture, the Intercreditor Agreement, or the Collateral Documents at

the request, order, instruction or direction of the Trustee, unless the Holders shall have offered to the Collateral Agent security or indemnity reasonably satisfactory to the Collateral Agent against the costs, expenses and liabilities that might be incurred thereby.

(s) The Collateral Agent may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Company or any affiliate thereof as if the Collateral Agent were not an attorney-in-fact hereunder and without any duty to account therefore to the Secured Parties.

(t) The Secured Parties understand that the Collateral Agent, acting in its individual capacity, and its affiliates may engage in a wide range of financial services and businesses (including investment management, financing, securities trading, corporate and investment banking and research) (the “**Activities**”) and may engage in the Activities with or on behalf of one or more of the Company and its respective affiliates. Furthermore, the Collateral Agent may, in undertaking the Activities, engage in trading in financial products or undertake other investment businesses for its own account or on behalf of others (including the Company and its affiliates and including holding, for its own account or on behalf of others, equity, debt and similar positions in the Company or its respective affiliates), including trading in or holding long, short or derivative positions in securities, loans or other financial products of the Company or its affiliates. The Secured Parties understand and agree that in engaging in the Activities, the Collateral Agent may receive or otherwise obtain information concerning the Company or its affiliates (including information concerning the ability of the Company to perform its respective obligations hereunder and under the Intercreditor Agreement and the Collateral Documents) which information may not be available to the Secured Parties. The Collateral Agent shall not have any duty to disclose to the Secured Parties or use on behalf of the Secured Parties, nor be liable for the failure to so disclose or use, any information whatsoever about or derived from the Activities or otherwise (including any information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of the Company or any of its affiliates) or to account for any revenue or profits obtained in connection with the Activities.

(u) The Secured Parties further understand that there may be situations where members of the Collateral Agent’s group or their respective customers (including the Company and its affiliates) either now have or may in the future have interests or take actions that may conflict with the interests of any one or more of the Secured Parties (including the interests of the Secured Parties hereunder, under the Intercreditor Agreement, and under the Collateral Documents). None of (i) this Indenture, the Intercreditor Agreement, or the Collateral Documents, (ii) the receipt by the Collateral Agent of information concerning the Company or any of its affiliates (including information concerning the ability of the Company to perform its obligations under this Indenture) or (iii) any other matter, shall give rise to any fiduciary, equitable or contractual duties (including any duty of trust or confidence) owing by the Collateral Agent to any Secured Party including any such duty that would prevent or restrict the Collateral Agent from acting on behalf of customers (including the Company or its affiliates) or for its own account.

(v) The Secured Parties confirm to the Collateral Agent that each of them (i) possesses such knowledge and experience in financial and business matters so that it is capable, without reliance on such Collateral Agent, of evaluating the merits and risks (including tax,

legal, regulatory, credit, accounting and other financial matters) of (x) entering into this Indenture or holding the Notes or Additional Pari Passu Obligations, as applicable, and (y) taking or not taking actions hereunder, under the Intercreditor Agreement, or under the Collateral Documents, (ii) is financially able to bear such risks and (iii) has determined that entering into this Indenture is suitable and appropriate for it.

(w) Nothing in this Indenture, the Intercreditor Agreement, or in the Collateral Documents shall require the Collateral Agent to carry out any “know your customer” or other checks in relation to the Company or any of its affiliates on behalf of the Secured Parties and the Secured Parties confirm to the Collateral Agent that such Secured Parties are solely responsible for any such checks such Secured Parties are required to carry out and that such Secured Parties may not rely on any statement in relation to such checks made by such the Collateral Agent.

(x) The Collateral Agent shall be entitled to rely on any written direction, instruction, request, consent or other written communication from the Trustee without inquiry into whether the Trustee has received any concurrence or direction of any Holders. The Collateral Agent shall not have any obligation or duty with respect to the identity of any Holder or holder of Additional Pari Passu Obligations or the amount of any Obligations owing to any such Person.

SECTION 12.03. *Resignation.* Subject to the appointment and acceptance of a successor Collateral Agent as set forth in this Section, the Collateral Agent may resign at any time by notifying the Trustee and the Company. Upon any resignation by the Collateral Agent, the Company shall have the right (*provided* that no Event of Default has occurred and continues) to appoint a successor Collateral Agent or, if an Event of Default has occurred and is continuing, the Required Holders shall have the right to direct the Trustee to appoint a successor Collateral Agent. If no successor has been so appointed and has accepted such appointment within thirty (30) days after the date the Collateral Agent gives notice of its resignation, then the resigning Collateral Agent may (but shall not be obligated to) (a) upon consent (*provided* that no Event of Default or Default has occurred and continues) of the Company (consent of which shall not be unreasonably withheld or delayed), at the cost and expense of the Company, appoint a successor Collateral Agent or (b) petition any court of competent jurisdiction, at the cost and expense of the Company, for the appointment of a successor Collateral Agent. Upon acceptance of a successor Collateral Agent of its appointment as Collateral Agent under this Indenture and the Collateral Documents, such successor will succeed and have all rights, powers, privileges and duties of the resigning Collateral Agent, and the resigning Collateral Agent will be released from its duties and obligations under this Indenture, the Intercreditor Agreement, and the Collateral Documents. The fees due by the Company to a successor agent will be the same as those contracted in relation to its predecessor, unless otherwise agreed between the Company and such successor. Any Person into which the Collateral Agent may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Collateral Agent shall be a party, or any Person succeeding to the business of the Collateral Agent shall be the successor of the Collateral Agent hereunder without the execution or filing of any paper with any party hereto or any further act on the part of any of the parties hereto, except where an instrument of transfer or assignment is required by law to effect such succession, anything herein to the contrary notwithstanding.

SECTION 12.04. *Fees, Expenses and Indemnification.*

(a) The Company shall pay to the Collateral Agent for its own account fees in the amounts and at the times agreed with the Collateral Agent.

(b) The Company shall pay or reimburse the Collateral Agent for (i) all reasonable costs and expenses incurred in connection with the development, preparation, negotiation, execution and performance of this Indenture, the Intercreditor Agreement, and the Collateral Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated hereby or thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all attorney costs, and (ii) all costs and expenses incurred in connection with the enforcement, attempted enforcement, or preservation of any rights or remedies under this Indenture, the Intercreditor Agreement, or under the Collateral Documents, including all attorney costs and all expenses incurred during any workout, restructuring or negotiations in respect of this Indenture, the Intercreditor Agreement, the Notes or the Collateral Documents. The foregoing costs and expenses shall include all out-of-pocket expenses incurred by the Collateral Agent under clauses (i) or (ii) above and the cost of counsel, independent public accountants and other outside experts so retained. All amounts due under this Section shall be payable within five Business Days after demand therefore.

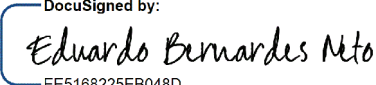

(c) Each of the Company and the Guarantors, jointly and severally, shall indemnify and hold the Collateral Agent harmless for, from and against any and all damage, loss, liability, cost, claim or expense (including reasonable attorneys' fees and expenses and including all fees, expenses and costs incurred by the Collateral Agent in connection with any dispute, action, claim or suit brought to enforce the right to indemnification) incurred by the Collateral Agent arising out of or in connection with the execution, delivery or administration of this Indenture, the Intercreditor Agreement, and the Collateral Documents or any instrument or agreement contemplated hereby or thereby, the performance of the Collateral Agent's duties hereunder or thereunder, and the exercise of the Collateral Agent's rights hereunder or thereunder including, without limitation, the costs and expenses of defending itself against any claim or liability and of complying with any process served upon it or any of its officers in connection with the exercise or performance of any of its powers or duties under this Indenture, the Intercreditor Agreement, or the Collateral Documents, except as may result from the Collateral Agent's willful misconduct or gross negligence (as finally determined by a court of competent jurisdiction).

(d) The agreements in this Section shall survive the termination or satisfaction of this Indenture, the Intercreditor Agreement, the Notes or the Collateral Documents, the resignation or removal of the Collateral Agent and the payment of all Notes Obligations.

IN WITNESS WHEREOF, the Company has caused this Indenture to be duly executed.

All terms used in this Note that are defined in the Indenture shall have the meanings assigned to them in the Indenture. Copies of the Indenture and each Note shall be available for inspection at the offices of the Trustee and each Paying Agent.

The Notes are senior obligations of the Company and the Guarantors, secured by the first priority Liens in the Issue Date Collateral. The payment obligations of the Company under the Indenture and the Notes are guaranteed by the Guarantors pursuant to the terms of the Note Guaranties.

The Company is entitled to, without the consent of the Holders thereof, increase the outstanding principal amount of the Notes by issuing Additional Notes under the Indenture on the same terms and conditions as the Notes offered hereby, so long as (i) the LTV Ratio shall not exceed the Trigger LTV Ratio after giving effect to the issuance of the Additional Notes, (ii) the Company and the Guarantors shall have entered into additional Collateral Documents and made all necessary filings so that any Additional Collateral required to be delivered in connection with the issuance of any Additional Notes is subject to first priority Liens in favor of the Collateral Agent or, in the case of Aircraft subject to a Senior Lien, a second-priority perfected Lien, for the benefit of the Secured Parties, as Collateral for all of the obligations of the Company and the Guarantors under this Indenture, the Notes and the Guarantees and (iii) no Default or Event of Default has occurred and is continuing or will occur as a result of or immediately after the issuance of the Additional Notes.

The Indenture imposes certain limitations on the creation of Liens by the Company or its Subsidiaries, and consolidation, merger and certain other transactions involving the Company. In addition, the Indenture requires the maintenance of insurance for the Company and its Subsidiaries, the maintenance of the existence of the Company and its Subsidiaries, the payment

of certain taxes and claims and reporting requirements applicable to the Company. The Indenture also contains provisions related to the Collateral as well as certain assurances, insurance and use and possession related to the Collateral.

The Note is one of the [Initial]^{*} [Additional][†] Notes referred to in the Indenture. The Notes include the Initial Notes issued on the Issue Date together with any Additional Notes issued in accordance with Section 2.15 of the Indenture. The Initial Notes and the Additional Notes are treated as a single class of securities under the Indenture. Unless the context otherwise requires, for all purposes of the Indenture and this Note, references to the “Notes” include any Additional Notes actually issued and references to the “principal amount” of the Notes include any increase in the principal amount of Outstanding Notes, including the issuance of any Additional Notes.

2. *Principal.*

Unless previously redeemed or purchased and cancelled, the Notes shall be redeemed at 100% of the principal amount thereon on June 30, 2026.

3. *Interest.*

The Notes bear interest at the rate of 8.00% per annum from December 23, 2020[‡], or from the most recent Payment Date (as defined below) to which interest has been paid or provided for, payable semi-annually in arrears on June 30 and December 30 of each year (each such date, an “**Payment Date**”), commencing on June 30, 2021. Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months. The Company shall pay interest on overdue principal or installments of interest, to the extent lawful, at the rate borne by the Notes plus 2% per annum.

Notwithstanding anything to the contrary, the payment of accrued interest in connection with any redemption as described under Sections 3.01(b) and 3.01(c) of the Indenture will be made solely in cash.

4. *Method of Payment.*

Payments of interest in respect of each Note shall be made on each Payment Date by the Paying Agents to the Persons shown on the Register at the close of business on December 15 and June 15, as the case may be (each, a “**Record Date**”), immediately preceding such Payment Date.

^{*} Include if Initial Note.

[†] Include if Additional Note.

[‡] With respect to the Initial Notes.

Payments of Interest in respect of each Note shall be made by U.S. Dollar check drawn on a bank in The City of New York and may be mailed to the Holder of such Note at its address appearing in the Register. Upon written application by the Holder to the specified office of any Paying Agent not less than 15 days before the due date for any payment in respect of a Note, such payment may be made by wire transfer to a U.S. Dollar account maintained by the payee with a bank in The City of New York. Payments of principal and interest in respect of each Note will be made to the depositary in accordance with its applicable procedures. All payments on this Note are subject in all cases to any applicable tax or other laws and regulations, but without prejudice to the provisions of Paragraph 7 hereof. Except as provided in Section 2.08 of the Indenture, no fees or expenses shall be charged to the Holders in respect of such payments.

If the Payment Date in respect of any Note is not a Business Day at the place in which it is presented for payment, the Holder thereof shall not be entitled to payment of the amount due until the next succeeding Business Day at such place and shall not be entitled to any further interest or other payment in respect of any such delay.

If the amount of principal or interest which is due on the Notes is not paid in full, the Registrar shall annotate the Register with a record of the amount of interest, if any, in fact paid.

5. *Ranking and Collateral.*

The Notes and Note Guaranties are secured by a first priority Lien in the Issue Date Collateral. The payment obligations of the Company under the Indenture and the Notes are guaranteed by the Guarantors pursuant to the terms of the Note Guaranties.

The Liens in the Collateral granted shall terminate in respect of the Notes on the Maturity Date, unless through passage of time, acceleration or otherwise there exists Notes Obligations due and payable on that date, in which case the Liens in the Collateral shall terminate upon satisfaction of such Notes Obligations. As a consequence of the termination, the Collateral shall be automatically released and all of the obligations under the Notes shall become senior unsecured obligations of the Company and the Guarantors and shall effectively rank junior to any senior secured obligations of the Company and the Guarantors to the extent of the value of the assets securing the obligations.

6. *Registrar, Paying Agent and Transfer Agent.*

The Trustee shall act as Registrar, Transfer Agent and Paying Agent of the Notes. The Company may appoint and change any Registrar, Paying Agent or Transfer Agent in accordance with the terms of the Indenture.

7. *Additional Amounts.*

All payments by the Company (or any Paying Agent) in respect of the Notes or any of the Guarantors (or any Paying Agent) in respect of the respective Note Guaranty will be made free and clear of, and without withholding or deduction for or on account of, any present or future taxes, duties, assessments, or other governmental charges of whatever nature imposed or levied by or on behalf of Brazil or Luxembourg, or any political subdivision or authority therein or thereof or any other jurisdiction in which the Company or any of the Guarantors is organized,

doing business or otherwise subject to the power to tax (any of the aforementioned being a “**Taxing Jurisdiction**”), unless the Company or any of the Guarantors (or any Paying Agent) is compelled by law to deduct or withhold such taxes, duties, assessments, or governmental charges. In such event, the Company or any of the Guarantors (or any Paying Agent), as applicable, will make such deduction or withholding, and the Company or any of the Guarantors, as applicable, will make payment of the amount so withheld to the appropriate governmental authority and pay such additional amounts as may be necessary to ensure that the net amounts receivable by Holders of Notes after such withholding or deduction shall equal the respective amounts of principal (and premium, if any) and interest which would have been receivable in respect of the Notes in the absence of such withholding or deduction (“**Additional Amounts**”). Notwithstanding the foregoing, no such Additional Amounts shall be payable:

(i) to, or to a third party on behalf of, a Holder who is liable for such taxes, duties, assessments or governmental charges in respect of such Note by reason of the existence of any present or former connection between such Holder (or between a fiduciary, settlor, beneficiary, member or shareholder of such Holder, if such Holder is an estate, a trust, a partnership, or a corporation) and the relevant Taxing Jurisdiction, including, without limitation, such Holder (or such fiduciary, settlor, beneficiary, member or shareholder) being or having been a citizen or resident thereof, being incorporated in, being or having been engaged in a trade or business or present therein or having, or having had, a permanent establishment therein, other than the mere holding of the Note or enforcement of rights under the Indenture and the receipt of payments with respect to the Note;

(ii) in respect of Notes surrendered or presented for payment (if surrender or presentment is required) more than 30 days after the Relevant Date except to the extent that payments under such Note would have been subject to withholdings and the Holder of such Note would have been entitled to such Additional Amounts, had the Note been surrendered for payment on the last day of such period of 30 days;

(iii) to, or to a third party on behalf of, a Holder who is liable for such taxes, duties, assessments or other governmental charges by reason of such Holder's failure to comply with any certification, identification, documentation or other reporting requirement concerning the nationality, residence, identity or connection with the relevant Taxing Jurisdiction of such Holder, if (1) compliance is required by law as a precondition to, exemption from, or reduction in the rate of, the tax, assessment or other governmental charge and (2) the Company has given the Holders at least 30 days' notice that Holders will be required to comply with such certification, identification, documentation or other reporting requirement;

(iv) in respect of any estate, inheritance, gift, sales, transfer, excise or personal property or similar tax, assessment or governmental charge;

(v) in respect of any tax, assessment or other governmental charge which is payable other than by deduction or withholding from payments of principal, premium (if any) or interest on the Note;

(vi) in respect of any tax imposed on overall net income or any branch profits tax;

(vii) in respect of any tax imposed pursuant to sections 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended (the “**Code**”), any successor law or regulation implementing or complying with, or introduced in order to conform to, such sections or any intergovernmental agreement in respect thereof or any agreement entered into pursuant to section 1471(b)(1) of the Code;

(viii) in respect of any tax imposed by Luxembourg by virtue of the Luxembourg law of 23 December 2005, as amended from time to time (the “**Relibi Law**”); or

(ix) in respect of any combination of the above.

No Additional Amounts shall be paid with respect to any payment on a Note to a Holder who is a fiduciary, a partnership, a limited liability company or other than the sole beneficial owner of that payment to the extent that payment would be required by the relevant Taxing Jurisdiction to be included in the income, for tax purposes, of a beneficiary or settlor with respect to the fiduciary, a member of that partnership or limited liability company or a beneficial owner who would not have been entitled to the Additional Amounts had that beneficiary, settlor, member or beneficial owner been the Holder.

The Notes are subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation. Except as specifically provided above, neither the Company nor the Guarantors shall be required to make a payment with respect to any tax, assessment or governmental charge imposed by any government or a political subdivision or taxing authority thereof or therein.

In the event that Additional Amounts actually paid with respect to the Notes are based on rates of deduction or withholding of withholding taxes in excess of the appropriate rate applicable to the Holder of such Notes, and, as a result thereof such Holder is entitled to make claim for a refund or credit of such excess from the authority imposing such withholding tax, then such Holder shall, by accepting such Notes, be deemed to have assigned and transferred all right, title, and interest to any such claim for a refund or credit of such excess to the Company. However, by making such assignment, the holder makes no representation or warranty that the Company will be entitled to receive such claim for refund or credit and incurs no other obligation (including, for the avoidance of doubt, any filing or other action) with respect thereto.

The Company and the Guarantors shall provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of taxes in respect of which the Company or the Guarantors, as applicable, have paid any Additional Amounts. Copies of such documentation shall be made available by the Trustee to the Holders or the Paying Agents, as applicable, upon written request therefor.

The Company shall also pay any present or future stamp, issue, registration, court or documentary taxes or any excise or property taxes, charges or similar levies (including any penalties, interest and other liabilities relating thereto) which arise in any jurisdiction from the

execution, delivery, registration, enforcement or the making of payments in respect of the Indenture, the Notes or the Note Guaranties, excluding any such taxes, charges or similar levies imposed by any jurisdiction that is not a Taxing Jurisdiction other than those resulting from, or required to be paid in connection with, the enforcement of the Notes following the occurrence of any Default or Event of Default.

Any reference in the Indenture or the Notes to principal, interest or any other amount payable in respect of the Notes by the Company or any of the Note Guaranties by the Guarantors will be deemed also to refer to any Additional Amount, unless the context requires otherwise, that may be payable with respect to that amount under the obligations referred to in this Paragraph 7.

The foregoing obligations will survive termination or discharge of the Indenture, payment of the Notes and/or resignation or removal of the Trustee or the Paying Agent.

8. Purchases of Notes by the Company or its Affiliates.

The Company or any of its Affiliates may at any time purchase Notes at any price. All Notes so purchased may not be resold, except in compliance with applicable requirements or exemptions under the relevant securities laws.

9. Redemption.

Except as described in Section 3.01 of the Indenture and this Paragraph 9, the Notes may not be redeemed.

After the second anniversary of the Issue Date, the Company may, on any one or more occasions, redeem the Notes at its option, in whole or in part, at the following redemption prices (expressed as a percentage of the principal amount thereof), plus accrued and unpaid interest and any Additional Amounts, if any, to the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the periods set forth below:

Period	Redemption Price
On or after December 24, 2022 and prior to December 24, 2023	108.000%
On or after December 24, 2023 and prior to December 24, 2024	104.000%
On or after December 24, 2024	100.000%

Any redemption of the Notes by the Company will be subject to either (i) there being at least US\$150 million in aggregate principal amount of Notes (including any Additional Notes)

outstanding after such redemption; or (ii) the Company redeeming all the then outstanding principal amount of the Notes.

If as a result of any change in or amendment to the laws (or any rules or regulations thereunder) of a Taxing Jurisdiction, or any amendment to or change in an official interpretation, administration or application of such laws, rules or regulations (including a holding by a court of competent jurisdiction), which change or amendment becomes effective or, in the case of a change in official position, is announced on or after the Issue Date, in the case of the Company or any Guarantor, or on or after the date a successor to the Company or any Guarantor assumes the obligations under the Notes and this Indenture or any Note Guaranty, in the case of any such successor, (i) the Company or any successor to the Company has or will become obligated to pay any Additional Amounts in excess of the Additional Amounts the Company or any successor to the Company would be obligated to pay if payments were subject to withholding or deduction at a rate of 0% (or in the case of a successor, the rate of withholding applicable to payments on the Notes in the jurisdiction of the successor to the Company on the date such successor replaces the Company) or (ii) the Guarantors or any successor to the Guarantors has or will become obligated to pay Additional Amounts in excess of the Additional Amounts the Guarantors or any such successor to the Guarantors would be obligated to pay if payments were subject to withholding or deduction at a rate of 15% or at a rate of 25% in the case that the Holder of the Notes is resident in a tax haven jurisdiction for Brazilian tax purposes (i.e., a country that does not impose any income tax or that imposes it at a maximum rate lower than 20% or where the laws impose restrictions on the disclosure of ownership composition or securities ownership) (or in the case of a successor whose jurisdiction is not Brazil, the rate of withholding applicable to payments on the notes in the jurisdiction of the successor to a Guarantor on the date such successor replaces a Guarantor) (each of the rates in (i) and (ii), a “**Minimum Withholding Level**”), the Company or any successor to the Company may, at its option, redeem all, but not less than all, of the Notes, at a Redemption Price equal to 100.0% of their principal amount, together with accrued and unpaid interest to the Redemption Date, upon delivery of irrevocable notice of redemption to Holders not less than 30 days nor more than 90 days prior to the Redemption Date. No notice of such redemption may be given earlier than 90 days prior to the earliest date on which either (x) the Company or any successor to the Company would, but for such redemption, become obligated to pay any Additional Amounts above the Minimum Withholding Level, or (y) in the case of payments made under any of the Note Guaranties, the Guarantors or any successor to the Guarantors would, but for such redemption, be obligated to pay the Additional Amounts in excess of the Minimum Withholding Level. The Company or any successor to the Company shall not have the right to so redeem the Notes unless (a) it is obligated to pay Additional Amounts which in the aggregate amount exceed the Additional Amounts payable at the Minimum Withholding Level or (b) the Guarantors or any successor to the Guarantors is obliged to pay Additional Amounts which in the aggregate amount exceed the Additional Amounts payable at the Minimum Withholding Level. The Company or any successor to the Company shall not have the right to so redeem the Notes unless (a) it is obligated to pay additional amounts which in the aggregate amount exceed the additional amounts payable at the Minimum Withholding Level or (b) either Guarantor or any successor to the Guarantors is obliged to pay additional amounts which in the aggregate amount exceed the additional amounts payable at the Minimum Withholding Level. Notwithstanding the foregoing, the Company or any such successor to the Company shall not have the right to so redeem the Notes unless it has taken reasonable measures to avoid the obligation to pay Additional

Amounts. For the avoidance of doubt, reasonable measures do not include changing the jurisdiction of incorporation of the Company or any successor to the Company or the jurisdiction of incorporation of the Guarantors or any successor to the Guarantors.

In the event that the Company or any successor to the Company elects to so redeem the Notes pursuant to this Section 3.01, it will deliver to the Trustee: (i) an Officers' Certificate, signed in the name of the Company or any successor to the Company, stating that the Company or any successor to the Company is entitled to redeem the Notes pursuant to their terms and setting forth a statement of facts showing that the condition or conditions precedent to the right of the Company or any successor to the Company to so redeem have occurred or been satisfied; and (ii) an Opinion of Counsel to the effect that (1) the Company, or any successor to the Company, or the Guarantors, or any successor to the Guarantors, has or will become obligated to pay Additional Amounts in excess of the Additional Amounts payable at the Minimum Withholding Level, and (2) such obligation is the result of a change in or amendment to the laws (or any rules or regulations thereunder) of a Taxing Jurisdiction, or any amendment to or change in an official interpretation, administration or application of such laws, rules or regulations, as described above.

10. Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in minimum denominations of U.S.\$100,000 and integral multiples of U.S.\$1,000 in excess thereof.

11. Persons Deemed Owners.

The registered Holder of this Note (except as otherwise required by law and subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Payment Date) may be treated as the owner thereof for all purposes.

12. Unclaimed Money.

Subject to applicable law, the Trustee and the Paying Agents shall pay to the Company upon written request any monies held by them for the payment of principal or interest that remains unclaimed for two years, and thereafter, Holders entitled to such monies must look to the Company for payment as general creditors.

13. Defeasance.

Subject to the terms of the Indenture, the Company and any of the Guarantors at any time may terminate some or all of their obligations under the Notes, the Indenture and the Note Guaranties, as the case may be, if the Company or any of the Guarantors irrevocably deposits in trust with the Trustee money and/or U.S. Government Obligations sufficient for the payment of principal of and interest on all the Notes to the Maturity Date or redemption. At such time, the Guarantors' obligations under the Note Guaranties will terminate.

14. Amendment; Waiver.

Subject to certain exceptions set forth in the Indenture, the Indenture, the Notes, the Collateral Documents and, if applicable, the Intercreditor Agreement may be amended or supplemented with the written consent of the Holders of at least a majority in principal amount of the Outstanding Notes, and any past Default or Event of Default or compliance with any provision of the Indenture may be waived with the consent of the Holders of at least a majority in principal amount of the Outstanding Notes; however, without the consent of each Holder of an Outstanding Note affected thereby, no amendment or waiver may, among other things:

- (i) reduce the principal amount of or change in the Stated Maturity of any payment on any Note;
- (ii) reduce the rate of interest on any Note;
- (iii) reduce the amount payable upon the redemption of any Note or change the time at which any Note may be redeemed;
- (iv) reduce the amount payable or change the time of payment of any amount specified in Section 4.21 of the Indenture;
- (v) change the currency for payment of principal of, or interest or any Additional Amounts on, any Note;

- (vii) make any change in the provisions of the Indenture relating to waivers of a Default or Event of Default in payment of principal of and interest on the Notes;
- (viii) reduce the principal amount of Notes whose Holders must consent to any amendment, supplement or waiver;
- (ix) make any change to the first paragraph of Section 9.02 of the Indenture;
- (x) modify or change any provision of the Indenture affecting the ranking of the Notes or any of the Note Guaranties in a manner adverse to the Holders; or
- (xi) make any change in any of the Note Guaranties that would adversely affect the Noteholders.

In addition, notwithstanding the foregoing, without the consent of the Holders of at least 66 $\frac{2}{3}$ % in aggregate principal amount of the Outstanding Notes, no amendment, supplement or waiver may release all or substantially all of the Collateral unless otherwise provided in the Indenture, the Collateral Documents and, if applicable, the Intercreditor Agreement.

The Company, when authorized by a Board Resolution, the Guarantors, the Trustee and the Collateral Agent (acting in accordance, exclusively and strictly, with instructions provided by the Trustee), as applicable, may, without notice to or consent or vote of any Holder, amend the

Indenture, the Notes, the Collateral Documents and, if applicable, the Intercreditor Agreement, as the case may be, for the following purposes:

- (i) to cure any ambiguity, omission, defect or inconsistency;
- (ii) to add guarantees or collateral with respect to the Notes;
- (iii) to comply with Section 5.01 of the Indenture;
- (iv) to add to the covenants of the Company or the Guarantors for the benefit of the Holders;
- (v) to surrender any right conferred upon the Company or the Guarantors under the Indenture;
- (vi) to evidence and provide for the acceptance of an appointment by a successor Trustee;
- (vii) to provide for the issuance of Additional Notes;
- (viii) to allow for a Substituted Debtor, as described under Section 5.03 of the Indenture;
- (ix) to provide for any guarantee or collateral of the Notes, to secure the Notes or to confirm and evidence the release, termination or discharge of any Note Guaranty of the Notes when such release, termination or discharge is permitted by the Indenture, the Collateral Documents and, if applicable, the Intercreditor Agreement, as the case may be; or
- (x) to make any other change that does not materially and adversely affect the rights of any Holder or to conform the Indenture to the section "Description of Notes" in the Private Placement Memorandum;

provided that, in the case of clause (i) and (ii) above, the Company has delivered to the Trustee an Opinion of Counsel and an Officers' Certificate, each stating that such amendment or supplement complies with the provisions of Section 9.01 of the Indenture.

The Guarantors must consent to any amendment, supplement or waiver.

15. *Defaults and Remedies.*

An "**Event of Default**" occurs if:

- (i) the Company defaults in any payment of interest (including any Additional Amounts) on any Note when the same becomes due and payable, and any such Default continues for a period of 30 days;

(ii) the Company defaults in the payment of the principal (including any Additional Amounts) of any Note when the same becomes due and payable at its Stated Maturity, upon acceleration or redemption or otherwise;

Collateral Documents shall cease to be enforceable and of the same effect and priority purported to be created thereby.

A Default under clause (v) shall not constitute an Event of Default until the Trustee or the Holders of at least 25% in principal amount of the Outstanding Notes, as the case may be, notify the Company and the Guarantors of the Default and the Company and the Guarantors, as the case may be, do not cure such Default within the time specified after receipt of such notice.

The Trustee is not to be charged with knowledge of any Default or Event of Default or knowledge of any cure of any Default or Event of Default unless a Responsible Officer of the Trustee with direct responsibility for the Indenture has received written notice of such Default or Event of Default from the Company, the Guarantors or any Holder.

At any time after a declaration of acceleration has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as provided in the Indenture, the Holders of a majority in principal amount of the Outstanding Notes by written notice to the Company and the Trustee may rescind or annul a declaration of acceleration if (i) the Company has paid or deposited with the Trustee a sum sufficient to pay all overdue interest (including any Additional Amounts) on Outstanding Notes, all unpaid principal of the Notes that has become due otherwise than by such declaration of acceleration, interest on such overdue interest (including any Additional Amounts) as provided in the Indenture, and all sums paid or advanced by the Trustee and the Collateral Agent under the Indenture, the Intercreditor Agreement and the Collateral Documents and the reasonable compensation, expenses, disbursements and advances of the Trustee, the Collateral Agent and their respective agents and counsel and (ii) all Events of Default have been cured or waived except nonpayment of principal that has become due solely because of acceleration.

FIRST, on a pro rata basis, to the payment of all costs (including out-of-pocket costs), expenses (including attorneys’ fees), charges, liabilities, indemnities, fees and other amounts due to the Collateral Agent, the Trustees and the other Agents under the Indentures and Collateral Documents and any other agent or attorney appointed thereby in their capacities as such (including, costs and expenses incurred in connection with any realization or enforcement of the Collateral taken in accordance with the terms of this Agreement, the Indentures or any Collateral Document);

(a) Each Trustee, on behalf of itself and the relevant Secured Parties, and each Secured Party agrees that (i) it will not challenge or question in any proceeding the validity or enforceability of any Pari Passu Obligations or the Indentures or the validity, attachment, perfection or priority of any Lien under the Collateral Documents or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement, (ii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Collateral by the Collateral Agent, (iii) except as provided in Section 2.02, it shall have no right to (A) direct the Collateral Agent or any other Secured Party to exercise any right, remedy or power with respect to the Collateral or (B) consent to the exercise by the Collateral Agent or any other Secured Party of any right, remedy or power with respect to the Collateral, (iv) it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against the Collateral Agent or any other Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to the Collateral, and none of the Collateral Agent, any Trustee or any other Secured Party shall be liable for any action taken or omitted to be taken by the Collateral Agent, such Trustee or such other Secured Party with respect to the Collateral in accordance with the provisions of this Agreement, (v) it will not seek, and hereby waives any right, to have the

Collateral or any part thereof marshaled upon any foreclosure or other disposition of the Collateral and (vi) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; **provided** that nothing in this Agreement shall be construed to prevent or impair the rights of the Collateral Agent, any Trustee or any other Secured Party to enforce this Agreement.

(b) The Collateral Agent, on behalf of the relevant Secured Parties, agrees that if it shall obtain possession of the Collateral or shall realize any proceeds or payment in respect of the Collateral, pursuant to the Collateral Documents or the Indentures or by the exercise of any rights available to it under applicable law or in any Event of Insolvency or Liquidation or through any other exercise of remedies, at any time prior to the payment in full of each of the Pari Passu Obligations, then it shall hold the Collateral, proceeds or payment for the other Secured Parties and promptly transfer the Collateral, proceeds or payment, as the case may be, to the Trustees, to be distributed in accordance with the provisions of Section 2.01 hereof.

SECTION 2.04. **Release of Collateral.**

(a) Subject to the terms of the Indentures, the Collateral Documents and this Agreement, the Collateral shall be released from the Liens securing the Pari Passu Obligations under any one or more of the following circumstances:

- (i) in accordance with the Indentures, the Collateral Documents and this Agreement, if at any time the Collateral Agent forecloses upon or otherwise exercises remedies against the Collateral resulting in the sale or disposition thereof;
- (ii) [as described in [Article 9] of the Senior Secured Notes Indenture and any equivalent provision in any Additional Indenture];
- (iii) upon the discharge in full of the Pari Passu Obligations;
- (iv) (A) with respect to the Senior Secured Notes Obligations, upon a legal defeasance or covenant defeasance under the Senior Secured Notes Indenture as described in [Article 8] of the Senior Secured Notes Indenture and (B) with respect to any Additional Obligations, upon a legal defeasance or covenant defeasance under the applicable Additional indenture as described in the equivalent provision of such Additional Indenture; or
- (v) Except with respect to the Pledged IP and (unless otherwise permitted under the Indentures) with a disposition of Spare Parts, at any time at the election of the Issuers

in each case, so long as (A) no Default or Event of Default will exist immediately after such release and (B) the LTV Ratio immediately after such release will not exceed the Trigger LTV Ratio.

(b) **provided, however,** that, notwithstanding the foregoing, the security interest granted under the Collateral Documents will terminate in respect of any Pari Passu Obligations on the maturity date of such Pari Passu Obligations, unless through passage of time, acceleration or otherwise there exists a due and payable payment obligation on the Pari Passu Obligations on that date, in which case the security interest in the Collateral will terminate upon satisfaction of that payment obligation. As a consequence of the termination, the Collateral shall be automatically released. Each Trustee agrees to execute and deliver (at the sole cost and expense of the Issuers and the Guarantors) all such acknowledgments, consents, confirmations, authorizations and other instruments as shall reasonably be requested by the Collateral Agent to evidence and confirm any release of the Collateral provided for in this Section.

SECTION 2.05. Certain Agreements With Respect to any Event of Insolvency or Liquidation. This Agreement shall continue in full force and effect notwithstanding the commencement of any Event of Insolvency or Liquidation.

SECTION 2.06. Reinstatement. In the event that any of the Pari Passu Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason, be required to be returned or repaid, the terms and conditions of this Article II shall be fully applicable thereto until all Pari Passu Obligations shall again have been paid in full in cash.

SECTION 2.07. Insurance. The Collateral Agent, acting at the written direction of the Trustees, acting at the direction of and on behalf of the Controlling Secured Parties, shall have the right, subject to the rights of the Issuers or the Guarantors under the Indentures, to adjust or settle any insurance policy or claim covering or constituting the Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Collateral.

SECTION 2.08. Refinancings. The Pari Passu Obligations may be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit such Refinancing under each applicable Indenture) of the other Secured Parties, all without affecting the priorities provided for herein or the other provisions hereof.

SECTION 2.09. Additional Trustees. Each Additional Trustee (other than the Additional Trustee signing this Agreement on the date hereof) shall, on the date on which it enters into the relevant Additional Indenture, execute a joinder agreement in substantially the form of Exhibit A hereto and deliver a copy thereof to the Collateral Agent and each other Trustee.

ARTICLE III

EXISTENCE AND AMOUNTS OF LIENS AND OBLIGATIONS

SECTION 3.01. Determination of Existence or Amount of Liens and Obligations. Whenever the Collateral Agent shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to confirm the existence or amount

of any Pari Passu Obligations or the Collateral subject to the Liens securing any Pari Passu Obligations, the Collateral Agent shall request that such information be furnished to it in writing by the Trustees or GLAI, as set forth in an Officers' Certificate (as defined in the Senior Secured Notes Indenture), and shall be entitled to make such determination on the basis of the information so furnished; **provided, however**, that if the Trustees or GLAI shall fail or refuse reasonably promptly to provide the requested information, the Collateral Agent shall have no liability for refusing to take such action until such information is provided. The Collateral Agent may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to GLAI, any Secured Party, or any other Person as a result of such determination.

ARTICLE IV

THE COLLATERAL AGENT

SECTION 4.01. Appointment and Authority.

(a) Each Trustee (pursuant to its respective Indenture) and each other Secured Party (other than the Collateral Agent) hereby irrevocably appoints TMF Brasil Administração e Gestão de Ativos Ltda. to act as Collateral Agent on behalf of the Secured Parties hereunder and under each of the Collateral Documents to which the Collateral Agent is a party and authorizes the Collateral Agent to take actions on its behalf and to exercise the Collateral Agent's powers in accordance with the terms hereof or thereof, including for purposes of acquiring, holding and enforcing any and all Liens on the Collateral to secure any of the Pari Passu Obligations, together with such powers and authority as are reasonably incidental thereto. Without limiting the generality of the foregoing, the Collateral Agent is hereby expressly authorized to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement, the Senior Secured Notes Indenture and each of the Collateral Documents. In this connection, the Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 4.05 for purposes of holding or enforcing any Lien on the Collateral granted under any of the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Trustees, acting at the direction of and on behalf of the Controlling Secured Parties, shall be entitled to all the rights, protections, immunities and indemnities granted to it under the Indentures and the Collateral Documents, including without limitation all provisions of this Article IV, Article 12 of the Senior Secured Notes Indenture, the equivalent provisions in the Additional Indentures and the applicable provisions of the Collateral Documents (as though such co-agents, sub-agents and attorneys-in-fact were the "Collateral Agent" under the Collateral Documents) as if set forth in full herein with respect thereto.

(b) Each Secured Party and the Trustee on behalf of the relevant Secured Parties acknowledges and agrees that the Collateral Agent shall be entitled, for the benefit of the Secured Parties, to sell, transfer or otherwise dispose of or deal with the Collateral as provided herein and in each applicable Collateral Document, without regard to any rights to which any Secured Party would otherwise be entitled. Without limiting the foregoing, each relevant Secured

Party agrees that none of the Trustees, the Collateral Agent, the Controlling Secured Parties, or any other Secured Party shall have any duty or obligation first to marshal or realize upon the Collateral securing the Pari Passu Obligations, or to sell, dispose of or otherwise liquidate the Collateral, in any manner that would contravene the express terms of this Agreement. Each Secured Party waives any claim such Secured Parties may now or hereafter have against the Collateral Agent or any Trustee, or any other Secured Party arising out of (i) any actions which the Trustees or the Collateral Agent, or such Secured Party takes or omits to take (including, actions with respect to the creation, perfection or continuation of Liens on the Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, the Collateral and actions with respect to the collection of any claim for all or any part of the applicable Pari Passu Obligations from any account debtor, guarantor or any other party) in accordance with the applicable Collateral Document or any other agreement related thereto or to the collection of Pari Passu Obligations or the valuation, use, protection or release of any security for such Pari Passu Obligations, (ii) any election by the Trustees or the Collateral Agent, in any proceeding instituted under the Brazilian Bankruptcy Code or (iii) any borrowing by, or grant of a security interest or administrative expense priority or order granted pursuant to, any Debtor Relief Law by the Issuers, the Guarantors or any Significant Subsidiary, as debtor-in-possession. Notwithstanding any other provision of this Agreement, the Collateral Agent and the Trustee shall not accept the Collateral in full or partial satisfaction of any Pari Passu Obligations pursuant to the terms of the Collateral Documents.

SECTION 4.02. Rights as a Secured Party. The Person serving as the Collateral Agent hereunder shall have the same rights and powers in its capacity as a Secured Party of the Pari Passu Obligations that it holds as any other Secured Party of such Pari Passu Obligations and may exercise the same as though it were not the Collateral Agent and the term “Secured Party” or “Secured Parties” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Collateral Agent hereunder in its individual capacity.

SECTION 4.03. Exculpatory Provisions.

(a) The Trustee and the Collateral Agent shall not have any duties or obligations except those expressly set forth herein, in the Indentures and in the Collateral Documents to which it is a party. Without limiting the generality of the foregoing, as among the Trustees and the Collateral Agent and the Secured Parties, the Trustees and the Collateral Agent:

- (i) shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing;
- (ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the Collateral Documents that, in the case of the Collateral Agent, it is required to exercise as directed in writing by the Trustees, acting at the direction of and on behalf of the Controlling Secured Parties; **provided** that the Trustee and the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose it to liability or risk its own funds or that is contrary

to any Collateral Document (as modified by this Agreement) or applicable law;

- (iii) shall not, except as expressly set forth herein or in the Collateral Documents to which it is a party, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Issuers, the Guarantors or any of their Affiliates that is communicated to or obtained by the Person serving as the Trustee or Collateral Agent or any of its Affiliates in any capacity;
- (iv) shall not be liable for any action taken or not taken by it (1) (A) in the case of the Collateral Agent, with the consent or at the request or direction of the Trustees, acting at the direction of and on behalf of the Controlling Secured Parties and (B) in the case of the Trustee, at the direction of the Controlling Secured Parties, (2) in the absence of the Trustee's or Collateral Agent's own gross negligence or willful misconduct (as finally determined by a court of competent jurisdiction) or (3) in reliance on a certificate of an authorized officer of the Issuers or the Guarantors, as the case may be, stating that such action is permitted by the terms of this Agreement;
- (v) shall be deemed not to have knowledge of any Event of Default under any of the Pari Passu Obligations unless and until written notice describing such Event of Default and referring to this Agreement is given to the Collateral Agent or Trustee by the Issuers, the Guarantors or, in the case of the Collateral Agent, a Trustee;
- (vi) shall not be responsible for or have any duty to ascertain or inquire into (1) any statement, warranty or representation made in or in connection with this Agreement, the Indentures or the Collateral Documents, (2) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (3) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Event of Default or any event that with notice or lapse of time would become an Event of Default, (4) the validity, enforceability, effectiveness or genuineness of this Agreement, the Indentures, the Collateral Documents or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, or (5) the value or the sufficiency of the Collateral for any Pari Passu Obligations; and
- (vii) shall in no event be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation strikes, work stoppages, governmental actions, accidents, acts of war or terrorism, pandemics, civil or military disturbances, nuclear or

natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services.

(b) Notwithstanding anything else to the contrary herein, whenever reference is made in this Agreement to any discretionary action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Trustees or the Collateral Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Trustees or the Collateral Agent, it is understood that in all cases the Trustees and the Collateral Agent shall be fully justified in failing or refusing to take any such action if it shall not have received written instruction, advice or concurrence pursuant to Section 2.02 in respect of such action. The Collateral Agent shall have no liability for any failure or delay in taking any actions contemplated above as a result of a failure or delay on the part of the Trustees, acting at the direction of and on behalf of the Controlling Secured Parties to provide such instruction, advice or concurrence. This provision is intended solely for the benefit of the Collateral Agent and its successors and permitted assigns and is not intended to and will not entitle the other parties hereto to any defense, claim or counterclaim, or confer any rights or benefits on any party hereto.

SECTION 4.04. Reliance by Collateral Agent and Trustees. The Collateral Agent and the Trustees shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Collateral Agent and the Trustees also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. The Collateral Agent and the Trustees may consult with legal counsel, independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in reliance upon the advice of any such counsel, accountants or experts.

SECTION 4.05. Delegation of Duties. The Collateral Agent and the Trustees may perform any and all of its duties and exercise its rights and powers hereunder, under the Indentures or the Collateral Documents by or through any one or more sub-agents appointed by the Collateral Agent or the Trustees. The Collateral Agent, the Trustees and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Affiliates of the Collateral Agent or the Trustees and any such sub-agent.

SECTION 4.06. Resignation of Collateral Agent. The Collateral Agent may resign pursuant to and in accordance with the terms of the Senior Secured Notes Indenture.

SECTION 4.07. Non-Reliance on Collateral Agent and Trustees. Each Secured Party (other than the Trustees and the Collateral Agent) acknowledges that it has, independently and without reliance upon the Collateral Agent or any Trustee, any other Secured

Party or any of their Affiliates and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and the Collateral Documents to which it is a party. Each Secured Party (other than the Trustees and the Collateral Agent) also acknowledges that it will, independently and without reliance upon the Collateral Agent or any Trustee, or any other Secured Party or any of their Affiliates and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, the Indentures, the Collateral Documents or any related agreement or any document furnished hereunder or thereunder.

SECTION 4.08. Collateral and Guaranty Matters. Each Trustee, the Issuer and each Secured Party, irrevocably authorizes the Collateral Agent:

(a) to release any Lien on any property granted to or held by the Collateral Agent under any Collateral Document in accordance with Section 2.04 or upon receipt of a written request and opinion of counsel from the Issuers stating that the release of such Lien is permitted by the terms of this Agreement, each of the Indentures and the Collateral Documents and such other matters as may be requested by the Collateral Agent; and

(b) to release each Guarantor from its obligations under each Collateral Document upon receipt of a written request and opinion of counsel from the Issuers stating that such release is permitted by the terms of this Agreement, each of the Indentures and the Collateral Documents and such other matters as may be requested by the Collateral Agent.

SECTION 4.09. Incorporation by Reference.

(a) The Collateral Agent is executing this Agreement solely as collateral agent under the Senior Secured Notes Indenture. All rights, privileges, protections and immunities (including, without limitation, the right to indemnification) in favor of the Collateral Agent under the Senior Secured Notes Indenture are incorporated herein by reference, mutatis mutandis.

SECTION 5.02. Waivers; Amendment.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Trustees and the Collateral Agent.

SECTION 5.03. Parties in Interest. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, all of whom are intended to be bound by, and to be third party beneficiaries of, this Agreement.

All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

SECTION 5.05. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or electronic transmission shall be as effective as delivery of a manually signed counterpart of this Agreement. A party's electronic signature (complying with the New York Electronic Signatures and Records Act (N.Y. State Tech. §§ 301-309), as amended from time to

time, or other applicable law) of this Agreement shall have the same validity and effect as a signature affixed by the party's hand.

SECTION 5.06. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof, and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 5.07. Governing Law. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

SECTION 5.08. Submission To Jurisdiction; Waivers. Each of the Collateral Agent, the Trustees, and Secured Parties, irrevocably and unconditionally:

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its authorized representative) at the address referred to in Section 5.01, except in the case of the Collateral Agent, who has legally, validly, effectively and irrevocably designated, appointed and empowered [____], as agent for service of process in any legal suit action or proceeding arising out of or related to this Agreement in any courts of the State of New York, courts of the United States of America for the Southern District of New York, and appellate courts from any thereof, and in the case of the Issuers and the Guarantors, who have legally, validly, effectively and irrevocably designated, appointed and empowered [____], as agent for service of process in any legal suit action or proceeding arising out of or related to this Agreement in any courts of the State of New York, courts of the United States of America for the Southern District of New York, and appellate courts from any thereof; and

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by Law or shall limit the right of any party hereto (or any Secured Party) to sue in any other jurisdiction.

SECTION 5.09. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AND FOR ANY COUNTERCLAIM THEREIN.

SECTION 5.13. Integration. This Agreement together with the Indentures and the Collateral Documents represents the agreement of each of the Issuers, the Guarantors and the Secured Parties with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by the Trustees, Issuers or any of the Guarantors, the Collateral Agent, or any Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the Indentures or the Collateral Documents.

SECTION 5.15. Concerning the Trustees. Notwithstanding any term herein to the contrary, it is hereby expressly agreed and acknowledged that the agreements set forth herein by any Trustee (in its capacity as such) are made solely in its capacity as Trustee under the applicable Indenture and pursuant to the provisions of such Indenture and the direction of the Issuers, the Guarantors and the Secured Parties, and not in its individual capacity. SECTION 5.16. **Secured Parties.** Nothing in this Agreement, including the appointment by the parties hereto of the Collateral Agent to exercise remedies on their behalf as set forth herein, shall be interpreted or construed to impose on any Secured Party any obligation to provide new loans or other forms of financing to or on behalf of the Issuers or the Guarantors, or to extend or renew any existing loans or other forms of financing to or on behalf of the Issuers or the Guarantors, including to permit them to continue their business operations.

The Brazilian Collateral Agent shall not be liable for any act performed or not performed by him with the consent or at the request of the Trustee or in the absence of his own gross negligence, bad faith or willful misconduct, according to a final judgment. The Brazilian Collateral Agent shall not be deemed to have knowledge of any Event of Default, unless and until the respective written notice is delivered to the Brazilian Collateral Agent by the Trustee, and the Brazilian Collateral Agent shall not be liable for or have any duty to prove or investigate (i) any representation or warranty provided in or with respect to this Agreement and the Indenture, (ii) the contents of any certificate, report or other document delivered under or with respect to this Agreement, (iii) the performance or fulfillment of any of the obligations, agreements or other terms or conditions set forth in this Agreement, (iv) the validity, enforceability, efficacy or authenticity of this Agreement or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in this Agreement or in the Indenture, except in the event of not receiving in a timely manner any document that should have been delivered to the Brazilian Collateral Agent (including the Valuation Report) and, cumulatively, the period of two (2) Business Days from the occurrence of the respective default without the Brazilian Collateral Agent having notified the Trustee of such default.

- 27.3 The Brazilian Collateral Agent shall have the right to rely on, and shall not incur any liability for, any notification, request, certificate, consent, declaration, instrument, document or other paper considered by him to be authentic and having been signed or sent by a competent Person (as defined in the Indenture). - 27.5 The Brazilian Collateral Agent shall not be liable and makes no representation as to the existence, authenticity, value or protection of this Agreement and the security provided under this Agreement, for the legality, effectiveness or sufficiency of this

Agreement nor for the creation, formalization, ranking, sufficiency or protection of any liens constituted under this Agreement. For the avoidance of doubt, no provision in this Agreement shall require the Brazilian Collateral Agent to provide any financing statements or continuation statements, or to be responsible for maintaining the guarantee to be created as described in this Agreement (except the custody of the guarantee provided under this Agreement in its possession and the accounting for cash values actually received by it under this Agreement or any other Transaction Document) and such responsibility shall be in charge exclusively of the Security Provider.

- 27.6 The Brazilian Collateral Agent may be required to carry out foreign exchange transactions in order to remit funds abroad. For this purpose, the Brazilian Collateral Agent may reasonably require the Trustee and/or the Security Provider to deliver the required documents/information in respect of each foreign exchange transaction, in accordance with the provisions of the Indenture. In order to effect the transfer of any amounts paid under the terms and conditions of this Agreement, the Brazilian Collateral Agent will perform a foreign exchange transaction to convert into dollars any amount in Brazilian reais, in the amount specified by the Trustee; except that possible deductions of any commissions or taxes charged on the foreign exchange transactions under discussion and/or any other withholding or charge levied on the corresponding payments may be applicable, and upon such deductions, the Brazilian Collateral Agent will transfer the amounts in dollars according to the instructions provided by the Trustee. The Brazilian Collateral Agent (a) will only be obliged to perform any foreign exchange transaction as of the 2nd (second) Business Day after the business day on which the Brazilian Collateral Agent receives from the Trustee the applicable instructions and documents to perform such foreign exchange transaction; (b) will transfer funds, as requested by the Trustee, at most (i) on the 2nd (second) Business Day subsequent to the Business Day on which the dollars are available for transfer; and (ii) in the 2nd (second) Business Day in which such transfer is allowed, under the respective Records of Financial Transactions with the Central Bank of Brazil ("ROF"), as applicable; and (c) will not undertake to perform any foreign exchange transaction or transfer of funds, unless the Brazilian Collateral Agent has received (i) all documents and information deemed necessary for the remittance of funds; and (ii) the payment of the respective commissions, fees and expenses. The Brazilian Collateral Agent shall not be liable for any losses that could result in possible delays or impediments to the performance of a foreign exchange transaction and/or transfers required by the Trustee, nor as the impossibility to perform a foreign exchange transaction or transfer, as described in this Clause. The Brazilian Collateral Agent shall not assume any liability to the Parties or any other person with respect to the performance of a foreign exchange transaction and the rates related to any foreign exchange transaction to be performed with respect to this Agreement.
- 27.7 The Brazilian Collateral Agent shall not be obligated to spend or put at risk any own funds or otherwise incur any obligation, financial or otherwise, in performing its duties under this Agreement or under the Transaction Documents.
- 27.8 In no event the Brazilian Collateral Agent shall be liable for special, indirect, punitive or unforeseen loss or damage of any nature (including lost profits) regardless of whether the Brazilian Collateral Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.
- 27.9 The Brazilian Collateral Agent shall not incur any obligation for failure to perform any act or to perform any duty, obligation or liability under this Agreement by reason of any occurrence beyond its control (including any act or provision of any current or future law, regulation, governmental authorization, any acts of God or war, civil

conflict, local or national disturbance or disaster, any act of terrorism or the unavailability of an electronic or mechanical transfer or other transfer or communication resource from the Federal Reserve or the Central Bank of Brazil).

- 27.10 The Brazilian Collateral Agent shall have the right, unilaterally and without notice, to withdraw or fail to comply with any obligation that may result in a violation of sanctions imposed by the United States of America, the European Union, local embargo laws and the Brazilian Collateral Agent's internal policies with respect to embargoes ("**Embargo Rules**"). Violation of the Embargo Rules includes, among others, receiving or transferring funds to any legal entity, country or individual named on the Specially Designated Citizens List of the Office of Foreign Assets Control - OFAC or controlled by legal entities, countries or individuals on that list. The Parties expressly agree that the Brazilian Collateral Agent shall not be liable for the failure to effect and/or delay in the receipt or payment of any amount under the conditions described in this Clause 27.10.
- 27.11 Any and all payments by Gol Finance, and/or the Security Provider and/or GLAI to or for the benefit of the Brazilian Collateral Agent under this Agreement or any other Transaction Document shall be made free and clear, and without deduction, of any taxes, expenses or withholdings of any nature levied by the Brazilian government and/or any of its departments ("**Deductions**"). If any Deductions apply to any payment, Gol Finance, the Security Provider and/or GLAI, as the case may be, will immediately pay to the account indicated by the Brazilian Collateral Agent the additional amount necessary for the amount paid to the Brazilian Collateral Agent to be equal to the amount it would have received without the applicable Deductions.
- 27.12 The exclusionary provisions of the preceding paragraphs shall apply to any subagents and affiliates and their respective directors, officers, member partners, employees, agents and advisors of the Brazilian Collateral Agent, and shall apply to their respective activities with respect to the Offering.
- 27.13 For the avoidance of doubt, the Security Provider acknowledges and agrees that the Brazilian Collateral Agent will only act under this Agreement or under any other Transaction Document to which it is a party, as expressly provided for in this Agreement and in the applicable Transaction Document or upon instructions or directions of the Trustee.
- 27.14 Subject to the appointment and acceptance of a successor agent as set forth in this Section, the Brazilian Collateral Agent may waive at any time by notifying the Trustee and the Security Provider. Upon any waiver by the Brazilian Collateral Agent, the Trustee shall have the right, upon consent (provided that no Event of Default has occurred and persists) of the Security Provider (consent of which shall not be unreasonably withheld or delayed), to appoint a successor agent. If no successor agent has been so appointed by the Trustee and has accepted such appointment within thirty (30) days after the withdrawal of the Brazilian Collateral Agent gives notice of its withdrawal, then the withdrawing Brazilian Collateral Agent may, upon consent (provided that no Event of Default or Default has occurred and persists) of the Security Provider (consent of which shall not be unreasonably withheld or delayed), appoint a successor agent. Upon acceptance of a successor agent of its appointment as a Brazilian Collateral Agent under this Agreement, such successor will succeed and have all rights, powers, privileges and duties of the withdrawing Brazilian Collateral Agent, and the withdrawing Brazilian Collateral Agent will be released from his duties and obligations under this Agreement. The fees due by the Security Provider to a successor agent will be the same as those contracted in relation to its predecessor, unless otherwise agreed between the Security Provider and such successor.

IN WITNESS WHEREOF the Parties have caused this Agreement to be executed as a deed by the duly authorised representatives of the Parties and this Agreement is intended to be and is hereby signed in São Paulo and delivered on the day and year first above written.

The Brazilian Collateral Agent shall not be liable for any act performed or not performed by him with the consent or at the request of the Trustee or in the absence of his own gross negligence, bad faith or willful misconduct, according to a final judgment. The Brazilian Collateral Agent shall not be deemed to have knowledge of any Event of Default, unless and until the respective written notice is delivered to the Brazilian Collateral Agent by the Trustee, and the Brazilian Collateral Agent shall not be liable for or have any duty to prove or investigate (i) any representation or warranty provided in or with respect to this Agreement and the Indenture, (ii) the contents of any certificate, report or other document delivered under or with respect to this Agreement, (iii) the performance or fulfillment of any of the obligations, agreements or other terms or conditions set forth in this Agreement, (iv) the validity, enforceability, efficacy or authenticity of this Agreement or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in this Agreement or in the Indenture, except in the event of not receiving in a timely manner any document that should have been delivered to the Brazilian Collateral Agent (including the Valuation Report) and, cumulatively, the period of two (2) Business Days from the occurrence of the respective default without the Brazilian Collateral Agent having notified the Trustee of such default.

- 27.6 The Brazilian Collateral Agent may be required to carry out foreign exchange transactions in order to remit funds abroad. For this purpose, the Brazilian Collateral Agent may reasonably require the Trustee and/or the Security Provider to deliver the required documents/information in respect of each foreign exchange transaction, in accordance with the provisions of the Indenture. In order to effect the transfer of any amounts paid under the terms and conditions of this Agreement, the Brazilian Collateral Agent will perform a foreign exchange transaction to convert into dollars any amount in Brazilian reais, in the amount specified by the Trustee; except that possible deductions of any commissions or taxes charged on the foreign exchange transactions under discussion and/or any other withholding or charge levied on the corresponding payments may be applicable, and upon such deductions, the Brazilian Collateral Agent will transfer the amounts in dollars according to the instructions provided by the Trustee. The Brazilian Collateral Agent (a) will only be obliged to perform any foreign exchange transaction as of the 2nd (second) Business Day after the business day on which the Brazilian Collateral Agent receives from the Trustee the applicable instructions and documents to perform such foreign exchange transaction; (b) will transfer funds, as requested by the Trustee, at most (i) on the 2nd (second) Business Day subsequent to the Business Day on which the dollars are available for transfer; and (ii) in the 2nd (second) Business Day in which such transfer is allowed, under the respective Records of Financial Transactions with the Central Bank of Brazil (“ROF”), as applicable; and (c) will not undertake to perform any foreign exchange transaction or transfer of funds, unless the Brazilian Collateral Agent has received (i) all documents and information deemed necessary for the remittance of funds; and (ii) the payment of the respective commissions, fees and expenses. The Brazilian Collateral Agent shall not assume any liability to the Parties or any other person with respect to the performance of a foreign exchange transaction and the rates related to any foreign exchange transaction to be performed with respect to this Agreement.
- 27.7 The Brazilian Collateral Agent shall not be obligated to spend or put at risk any own funds or otherwise incur any obligation, financial or otherwise, in performing its duties under this Agreement or under the Transaction Documents.
- 27.8 In no event the Brazilian Collateral Agent shall be liable for special, indirect, punitive or unforeseen loss or damage of any nature (including lost profits) regardless of whether the Brazilian Collateral Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.
- 27.9 The Brazilian Collateral Agent shall not incur any obligation for failure to perform any act or to perform any duty, obligation or liability under this Agreement by reason of any occurrence beyond its control (including any act or provision of any current or future law, regulation, governmental authorization, any acts of God or war, civil conflict, local or national disturbance or disaster, any act of terrorism or the unavailability of an electronic or mechanical transfer or other transfer or communication resource from the Federal Reserve or the Central Bank of Brazil).
- 27.10 The Brazilian Collateral Agent shall have the right, unilaterally and without notice, to withdraw or fail to comply with any obligation that may result in a violation of sanctions imposed by the United States of America, the European Union, local embargo laws and the Brazilian Collateral Agent’s internal policies with respect to embargoes (“**Embargo Rules**”). Violation of the Embargo Rules includes, among

others, receiving or transferring funds to any legal entity, country or individual named on the Specially Designated Citizens List of the Office of Foreign Assets Control - OFAC or controlled by legal entities, countries or individuals on that list. - 27.11 Any and all payments by Gol Finance, and/or the Security Provider and/or GLAI to or for the benefit of the Brazilian Collateral Agent under this Agreement or any other Transaction Document shall be made free and clear, and without deduction, of any taxes, expenses or withholdings of any nature levied by the Brazilian government and/or any of its departments ("**Deductions**"). If any Deductions apply to any payment, Gol Finance, the Security Provider and/or GLAI, as the case may be, will immediately pay to the account indicated by the Brazilian Collateral Agent the additional amount necessary for the amount paid to the Brazilian Collateral Agent to be equal to the amount it would have received without the applicable Deductions.
- 27.12 The exclusionary provisions of the preceding paragraphs shall apply to any subagents and affiliates and their respective directors, officers, member partners, employees, agents and advisors of the Brazilian Collateral Agent, and shall apply to their respective activities with respect to the Offering.
- 27.13 For the avoidance of doubt, the Security Provider acknowledges and agrees that the Brazilian Collateral Agent will only act under this Agreement or under any other Transaction Document to which it is a party, as expressly provided for in this Agreement and in the applicable Transaction Document or upon instructions or directions of the Trustee.
- 27.14 Subject to the appointment and acceptance of a successor agent as set forth in this Section, the Brazilian Collateral Agent may waive at any time by notifying the Trustee and the Security Provider. Upon any waiver by the Brazilian Collateral Agent, the Trustee shall have the right, upon consent (provided that no Event of Default has occurred and persists) of the Security Provider (consent of which shall not be unreasonably withheld or delayed), to appoint a successor agent. If no successor agent has been so appointed by the Trustee and has accepted such appointment within thirty (30) days after the withdrawal of the Brazilian Collateral Agent gives notice of its withdrawal, then the withdrawing Brazilian Collateral Agent may, upon consent (provided that no Event of Default or Default has occurred and persists) of the Security Provider (consent of which shall not be unreasonably withheld or delayed), appoint a successor agent. Upon acceptance of a successor agent of its appointment as a Brazilian Collateral Agent under this Agreement, such successor will succeed and have all rights, powers, privileges and duties of the withdrawing Brazilian Collateral Agent, and the withdrawing Brazilian Collateral Agent will be released from his duties and obligations under this Agreement. The fees due by the Security Provider to a successor agent will be the same as those contracted in relation to its predecessor, unless otherwise agreed between the Security Provider and such successor.

IN WITNESS WHEREOF the Parties have caused this Agreement to be executed as a deed by the duly authorised representatives of the Parties and this Agreement is intended to be and is hereby signed in São Paulo and delivered on the day and year first above written.
